1.3.2.1: Number of courses that include experiential learning through project work/field work/internship year wise during last five years

Number of courses that include experiential learning through project work/field work/internship depends on the syllabus prescribed by the Visvesvaraya Technological University. All Engineering students carryout project work and internship in final year. In 3rd year students demonstrate knowledge and understanding of engineering and management principles through mini project and field work and make effective presentation.

Sl.NO	DOCUMENTS ATTACHED
1.	PROJECT WORK- YEARWISE
2.	INTERNSHIP 18-19(1.3.3)
3.	FIELD WORK
4.	LIST OF COURSES APPROVED IN ACADEMIC COMMITTEE

Standard operating procedure for project work/field work/internship

- Collect the list of project work /internship/field work done by the students.
- Map the courses that links with project work /internship/field work.
- Courses mapped with project work /internship/field work is justified through CO-PO mapping in lesson plan.
- Academic Committee of each department identifies the courses that are linked with experimental learning through project work /internship/field work by considering CO-PO mapping.
