Dear Mr. Pratik Sharma,

Greetings from Mitaaka!

We are a start-up providing business advisory services to companies primarily in the ICT (Information, Communication, and Technology) domain globally.

We are pleased to offer you an internship position for 4 weeks, starting from January 7, 2019 onwards to carry out the following responsibilities:

A) Upgradation of the Mitaaka Website: You would be required to revamp the existing Mitaaka website and transform into an e-commerce ready web platform that is integrated with payment gateway, CRM, SEO, and other digital marketing tools. You would be required to discuss the same with the marketing and strategy team at Mitaaka once you report.

B) Development of a Mobile Application: The key objective would be to enlighten the existing and potential clients of Mitaaka through an easy-to-use mobile application. This would harbor information related to the firm, and summaries of the research studies conducted by Mitaaka on a timely basis. Your responsibility would be help develop and deploy the application on Google Play Store.

This would be an offsite work schedule for you for which you would be provided with access to the website and the necessary tools and platforms for web and mobile development. You would be required to provide a status update every Friday on the progress of the development activity.

Mitaaka shall, at the end of the internship, provide you with a certificate to appreciate your involvement with our company. Also, you would be eligible for free participation in select online courses/certifications (such as CCNA, Microsoft, SAP, and others) that we can facilitate through our partners free of cost.

Wishing you all the best for your career!

Warm Regards,

Jiten Thaker,

Chief Operating Officer, Mitaaka
