- **S**ervice to Nation:  
Institution is committed to develop and nurture skilled manpower to serve the Nation by promoting a sense of social responsibility among the students through their involvement in various social activities.
- **A**cademic Excellence:  
Provide quality and excellence across all higher education roles: Community Engagement and Leadership, Research and Innovation and Teaching and Learning. We endeavor to create and seek with higher benchmarks in quality staffing, facilities, programs, and services through continuous evaluation and improvement.
- **P**rofessionalism:  
Preparation of graduates through education, a distinctive Code of Conduct, Autonomy and Altruism in their preferred Professional Practice.
- **T**ransparency:  
Transparency in curricular, co-curricular and extra-curricular activities in general and in particular education, research, knowledge transfer and community engagement. We believe in complete transparency at different levels of functioning to promote a healthier working atmosphere.
- **H**onesty:  
High standards of Academic Integrity safeguards the reputation of our Institute and contribute to the well being of Society. We stand by the famous Sanskrit saying “Satyam Vada; Dharmam Chara” Our students take oath to speak truth always and to lead a modest life appreciated by all in the society.
- **A**ccountability:  
We have accountability in Assessment Accreditation, Institutional Research, Effectiveness, Measurement, Evaluation etc. The roles and responsibilities are assigned and people are held accountable for their deeds. We feel our liability towards the society and our actions add values to the Institute.
- **G**ood governance:  
All the stakeholders have a voice in decision making either directly or through legitimate intermediate institutions that represent their interests in our

Institution. We have academic freedom, Shared Governance, Right and Responsible, Meritocratic selection, Clear Financial Stability and Accountability. The main purpose of governance is to maximize the performance and success, by focusing on benefits to students and communities.

- **Innovation & Creativity:**

Creativity and Innovation has been identified as a key factor for addressing the challenges caused by rapid and complex change processes encompassing all spheres of life. In our Institution, creativity and innovation has received a high degree of attention from Scholars, Professionals and Policy makers.

- **Responsibility & Respect:**

Respect, Reciprocity and Responsibility are our essential qualities in Teaching & Learning Process. The staff of the Institution is expected to discharge his/her duties with due responsibility. While carrying out the interactions at all levels, the dignity and respect of an individual is observed.

- **Integrity & Diversity:**

Respects and encourages Integrity and Diversity among the students, faculty members and staff, fostering value based leadership in all their actions aiming for institutional and personal integrity.
