Report of the activities of Photography Club for the year 2018-19

The Photography Club of our institution has completed two years and it is establishment in 2016. The club has consistently worked to identify the good photographers among students and faculties. Students and faculties are more interested to participate in photography club events. The club have wide vision about photography events and planned to conduct more socio-environmental tasks in photography in future years.

The Photography club committee meeting for the academic year 2018-19 was held on 17th Aug 2018 at 3.30 p.m. The agenda of meeting was to discuss about the create activities of photography club for the academic year 2018-19. In club meeting members have suggest have photography tour to forest area and to capture the conditions of forest, wild animals and message about deforestation and solution for the same.

The following events were conducted during the year 2017-18

1. World Photography day celebration
2. "Joint hands to save tiger" photography competition

The above mentioned events were conducted successfully to create awareness about the wild life saving, due to deforestation the wild animals numbers are decreasing in dangerous level and cause of deforestation.
