Report on Poster Presentation Competition

An online Poster Presentation competition was organized by the PULSE forum of Department of Electronics & Communication Engineering, Sapthagiri College of Engineering in association with IETE on 15th September 2020 in tribute to the greatest Indian Engineer, Sir. M. Visveswaraya. The topics for poster presentation were as follows: Emerging Trends in Industry 4.0, PLC, VLSI, Embedded Systems, Image Processing, Artificial Intelligence and Robotics. Ten teams from different colleges participated in the event.

The format for posters as well as rules to be followed for presentation was communicated to students well in advance of the competition. Rubrics for evaluation of posters were formed. Presentation was taken via Google meet platform. The presentation on the posters prepared by students was judged by Dr. Vijay Kumar A Kulkarni, Professor, Dept. of ECE, Dr. Prakash Jadhav, Associate Professor, Dept. of ECE and Dr. Sudha M S, Assistant Professor, Dept. of ECE. The first prize was secured by Prateek J H and Varun L from SCE and second prize by Arun G M and Karthik Hadagali from SJBIT.

Report on Photography Competition

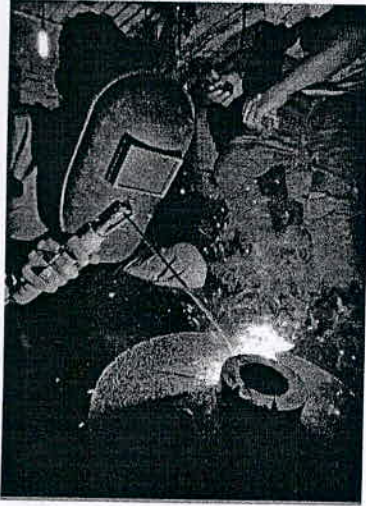

Cultural Committee of Department of Electronics & Communication Engineering , Sapthagiri College of Engineering organized online photography competition for ECE students on **September 15 2020** on the occasion of Engineer's Day. The very purpose of photography competition was to identify the best photographer. The theme for the event was Engineering Objects. Nine students from 2nd,3rd & 4th year are participated in the event.

The rules and regulation to be followed while clicking the pictures was communicated to the contestants well in advance. Mr. Sathish Kumar Y D, Assistant Professor, Department of Mechanical Engineering, Sapthagiri College of Engineering was the judge for the competition. Among the 9 contestants Shashank S , 5th Semester B Section bagged the first prize. 2nd prize was shared by Sindhu S, 3rd Semester B Section and Prathik R, 3rd semester B Section.

Winners list is as follows

	Contestant No.	Name	Year and Section
1 st place	2	Shashank S	3rd year, B
2 nd place	6	Sindhu S	2nd Year, B
	5	Prathik R	2nd Year, B
3 rd place	3	Sushma M M	2nd Year, B

- The classroom sessions for even the semester should commence from the dates mentioned above.
- The Institute needs to function for **six days** a week with additional hours (**Saturday is a full working day**). #if required the college can plan to have extra classes even on Sundays also.
- If any of the above dates are declared to be a holiday then the corresponding event will come into effect on the next working day.
- Notification regarding the Calendar of Events relating to the conduct of **University Examinations** will be issued by the Registrar (Evaluation) from time to time.
- The faculty/staff shall be available to undertake any work assigned by the university.
- Academic Calendar may be modified based on guidelines/directions issued in the future by MHRD/UGC/AICTE/State Government.
- Revised Academic Calendar is also applicable for **Autonomous Colleges**. In case if any changes are to be affected by Autonomous Colleges in the academic terms and examination schedule, they could do so with the approval of the University.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Online webinar Report

The IETE students forum (IETE-ISF) of Department of Electronics and Communication Engineering has a best practice of conducting workshops/seminars/Guest lectures in every academic year for the students. In pandemic years the forum has organized online webinar sessions for the students. For academic year 2020-21, the forum has organized online webinar on **"Opportunities for the VLSI Design & Embedded Systems"** on **8th May 2021**. Mr Kubendra Kumbar, Senior Manager, **Samsung Semiconductor R&D Center, Bangaluru** was the invited resource person to delivered the webinar. The webinar started with welcome note and brief introduction of the Mr Kubendra Kumbar. Total 113 students from 3rd and 4th year were participated in the webinar.

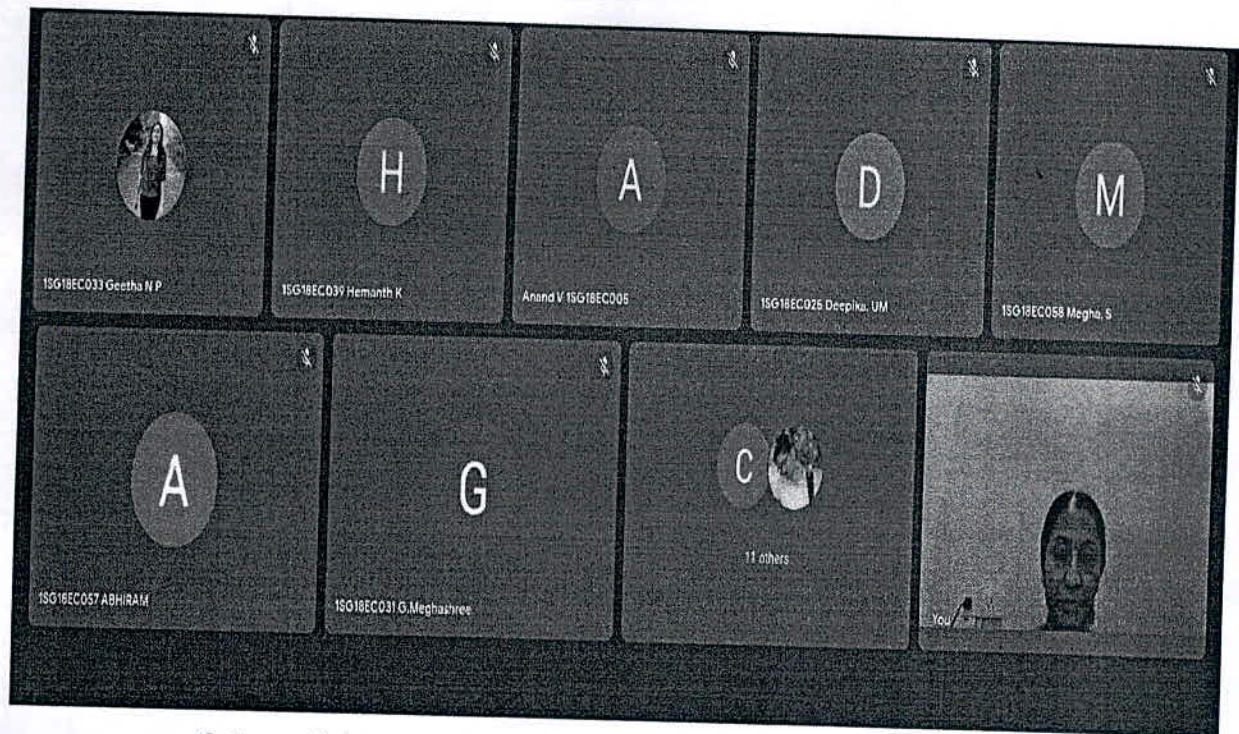

Objectives of webinar:

- To enlight the students with job opportunities in varios areas of core VLSI and Embedded industry.
- To brief about skill sets and technology required in current industry to grab a job in core companies.
- To brief about various emerging areas of the VLSI.

The resource person delivered the the information on current start up companies which are working on VLSI and Embedded system in India such as Ola, Mobiveli Technologies, Timesys Technologies, and Satque. He also guided the students the skill set required to enter in to these companies. He also flashed light on frontend and back end design, PLCs, SOC. He also spoke about high speed processors and their design. He motivated the students to reach the emerging technologies which are beyond the VTU curriculum.

Online webinar on "Opportunities for the VLSI Design & Embedded Systems"

Outcome of webinar: Students Understood

- Startup companies in VLSI domain in India.
- The skill set required to enter in to core companies.
- Front end and backend design flow in VLSI.

The overall session of the webinar was very much usefull to final year students and it covered all objectives. The questions asked by the students were answered by the resource person in question and answer session.

An eye opening webinar session on "Opportunities for the VLSI Design & Embedded Systems" was concluded with vote of thanks by Prof. Dr Sudha M S, Asst Prof Dept of ECE.
