**“IDENTIFICATION OF PROJECT & ENTREPRENEURSHIP
AS A JOURNEY OF LIFE”**

Organized by
DEPARTMENT OF MECHANICAL ENGINEERING

In association with

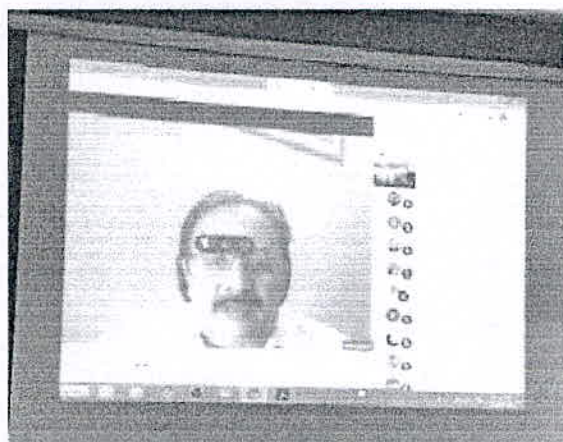

“MSME-BENGALURU”

Date: 06.10.2020

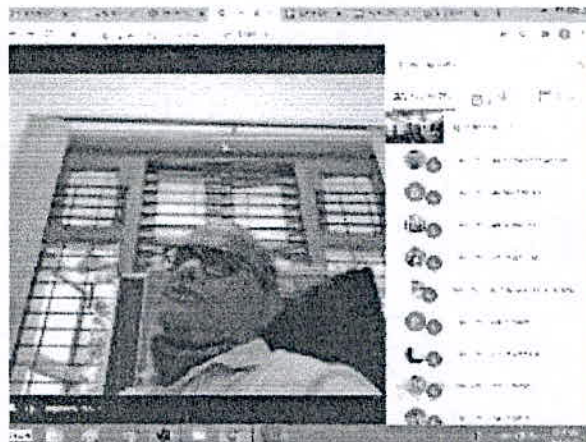

Time: 11.00 AM to 12.30 PM

Attendees: 100

A Webinar on “IDENTIFICATION OF PROJECT & ENTREPRENEURSHIP AS A JOURNEY OF LIFE “ was organized by Department of Mechanical Engineering in association with MAME-Bengaluru, on 06/10/2020 at 11 am and the event began with introduction talk by Principal, **Dr. H. Ramakrishna**. This was followed by motivational words by the Director of MSME, **Sri. Akadas**, who congratulated Sapthagiri college of Engineering for organizing such an event and urged the participants to make best use of the webinar. Later the resource person **Sri. Gopinath Rao**, IEDs Deputy Director, MSME Development Institute started the webinar with introduction to Entrepreneurship and its scenario in the present context.

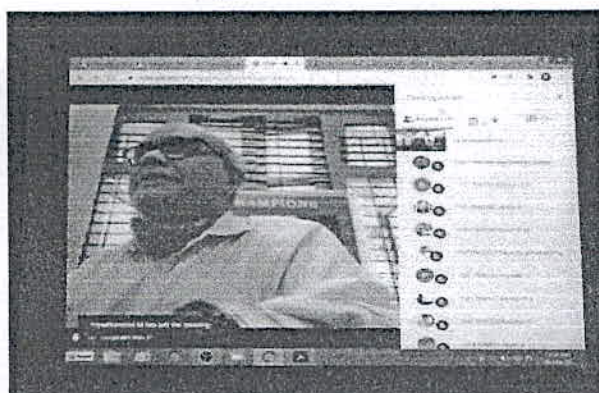

Sri. Akadas, Director, MSMEDI
Addressing the Participants

Sri. Gopinath Rao, IEDS, Dy. Director, MSMEDI
delivering talk.

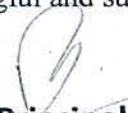

Sri. Gopinath continued his talk stressing on the need of important qualities to become a successful entrepreneur. Qualities like interpersonal skills, problem solving skills and innovative thinking are going to be crucial, he added. He also insisted on to have a strong desire to succeed or get better status. He also emphasized on the need of acquiring better knowledge coupled with broader vision would lead to the success in any venture one takes up. Also he also insisted not to chase money but to follow path to achieve success. Continuing his talk he also stressed on the need of sustaining during tough situations, like Corona pandemic right now. He emphasized on having self-confidence, Courage and look for innovative ideas to sustain in such situations and insisted to accept profit and loss in the same way. Next he spoke on how a successful entrepreneur can improve employability opportunities and contribute towards economic growth of our country. Then he continued his talk, throwing light on the importance of project identification and elaborated on the steps involved in a project like conception, Planning, execution of project etc. Later he interacted with the participants and highlighted on the schemes and support offered by MSME for aspirants willing to take up their own ventures.

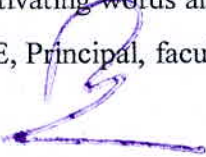

Sri. Gopinath Rao, IEDS, Dy. Director, MSMEDI
Interacting with Participants

The session ended with vote of thanks by, Dr.P.Mahadevaswamy, Prof. & Head department of Mechanical Engineering, who thanked the Director MSME for his motivating words and the Resource person for very informative talk. Also he thanked management of SCE, Principal, faculties and all the participants for making the event very meaningful and successful.

A Webinar on “Introduction to Value Methodology & how to apply in our daily academic activity – Value Engineering forever” was organized by Value Engineering Forum, Department of Mechanical Engineering in association with Indian Value Engineering Society, on 01/09/2020 at 10 am. Principal, Dr. H. Ramakrishna, presided over the event. Heads of department of all sections, faculties, members of Indian Value Engineering Society and students attended the webinar.

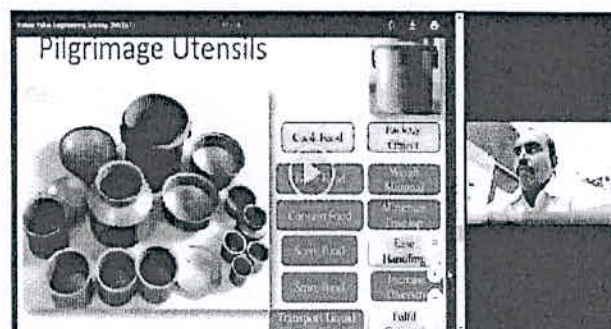

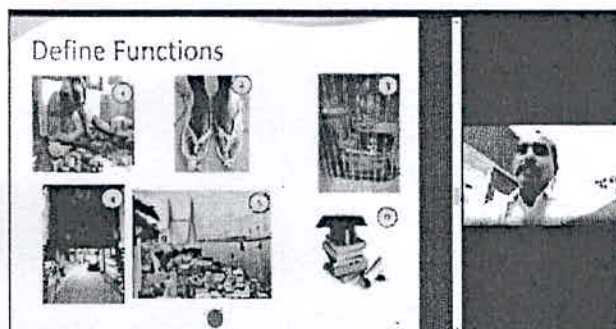

The speaker Mr.DANIEL AROCKIAM, Lead - Academic Initiatives Invest and Industry advisor –TCS, began session with introduction to Value engineering and its need in present scenario. He further continued with stressing on the need of identifying basic needs of a product / Service and concentrating on its functions rather than looking at appearance or other features. Further the speaker urged on developing functional thinking in developing a new

Department of Mechanical Engineering

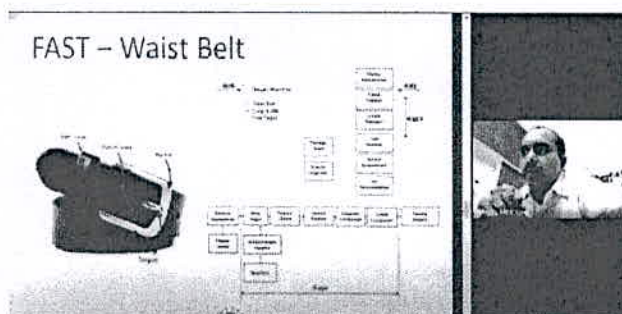

product or service. The resource person endorsed the need of functional thinking with some live examples and described in detail how to replace traditional thinking with function thinking. Further the speaker exposed the listeners to evolution and development of Value engineering.

Further the resource person elaborated on Value Engineering importance by quoting few examples and demonstrated on how to identify & define functions of a product / Service. He further explained in details on the need of identifying functions taking few interesting examples.

Further he demonstrated the value Engineering concepts through few case studies and insisted on applying functional thinking in designing a Product / Service to achieve customer satisfaction and justified the slogan Value Engineering forever as the practice needed to be employed by everyone.

Finally, Principal, **Dr. H. Ramakrishna** concluded the session by presenting vote of thanks, and he urged all the faculties and students to understand Value Engineering concepts and to develop function based thinking.

is organizing a Webinar on
"Career Opportunities in Research and Development"
On 19/9/2020 from 8.30 a.m.
BY
MR. CHANDRA BHUSHAN
Technical Director, CBK InfoTech India Pvt. Ltd.

About the College:
Sapthagiri College of Engineering, Bengaluru, has been started in the year 2001 to transform its students into competent, inspired and responsible professionals. It provides the students with opportunities to explore and grow through situations that challenges them to identify their strength and reinforce them. Management are ever willing to encourage and support activities by students and faculty to promote the cause of the quality education in Sapthagiri campus.
Sri. G. Dayanand
Chairman, SCE

About the Department:
The Department of Computer Science & Engineering was established in the year 2001. The primary focus of the Department is to produce highly competent IT professionals, who can be readily acceptable by the industry. To achieve the academic excellence, the technical workshops, expert lectures from eminent speakers, conferences and competitions are organized on a regular basis.

Entrepreneurship and Skill Development

The Department of Biotechnology organized one day webinar programme on Entrepreneurship and Skill Development under the banner of The Institution of Engineers (India) Student chapter on 30-09-2020 at 10:00 AM in association with Shristi Forum, ABVP.

The objective of the webinar was to show the path for the students how to be prepare themselves to be an Entrepreneur and to develop the skills in that direction. Being engineers which field to choose to be a successful entrepreneur. Total of 215 participants registered and participated in the online webinar through google meet.

The Shristi Forum conveners gave an insight on different activities for technical students present at the ABVP platform. The eminent resource speaker SRI. HARI PRASAD NADIG, Director & Co-founder, SAARANGA Infotech LLP., Bengaluru delivered very informative Session covering priorities, skills to start up, entrepreneurship as a carrier with lots examples. He also narrated his own life as a student transforming to an successful entrepreneur with more than five established enterprises. Lot of students and participants from all over India had nice Interaction in question and answer session with the speaker.

The session was started by welcome speech from Dr. Veena S More, HOD BT and followed by introduction of speakers by Prof Kavya MV and Prof Shobha G (Coordinators). The entire technical session was moderated by Dr Soumya C and Prof Prashanth Kumar HP. The formal vote of thanks was delivered by Prof Prashanth Kumar H P (Convener).

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

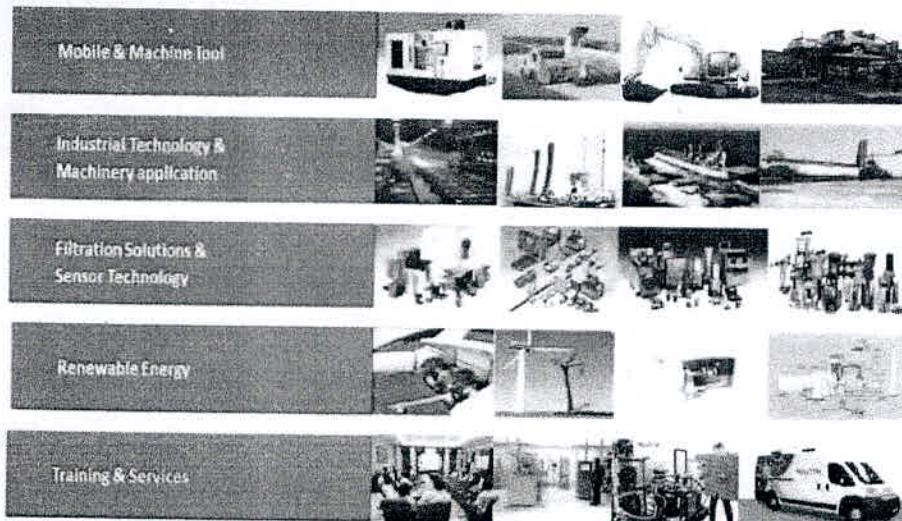

Webinar hosted by ECE department in collaboration with "IETE and HYDAC INDIA Pvt Ltd" on Friday 9th October on "Latest Trends in Automation Technologies (Industry 4.0)" by Mr Santosh M S for the students of second, third and final year. Dr. Vijay Kumar Kulkarni, Professor, Department of ECE gave the welcome address. Prof Girish J R introduced the speaker, followed by the session of the speaker. The webinar was conducted on 09.10.2020 and a total of 273 students attended the webinar.

Welcome address by Dr. Vijay Kumar Kulkarni

The session began with the Hydac company which is the combination of two words hydraulic automation and the group companies which is associated with it. He gave brief insight about products and solutions, sectors and segments and the different branches in India which works on different products.

Sectors and Segments

HYDAC ACADEMY

HYDAC ACADEMY

HYDAC Plants and products

The latest trends in automated technology like IOT , AI , Data analytics , Machine Learning and 3D printing which leads to Industry 4.0 were discussed. The products and services with in-depth knowledge of making developments in Industry 4.0 where they mainly focused on digital services and new business models.

The webinar threw light on rapid development of the connection between people and things and important changes in recent years. The concept of sensors , data mining , internet in recent years were discussed.

The other key parameters of the discussion was on:

- *Smart automotive
- *Smart kitchen
- *Smart factory
- *Smart cities
- *Smart health care

The strength of Automation technology across different sectors were visualized using graph and that automation is booming industry was thus seen. The Industrial Revolution of the world where we are already in Industry 4.0 which is Re-evolution in different areas where the world is becoming smarter by using same old things.

DEPARTMENT OF MECHANICAL ENGINEERING

Date: 21.10.2020 Time: 3.00 PM to 4.15 PM Attendees: 84

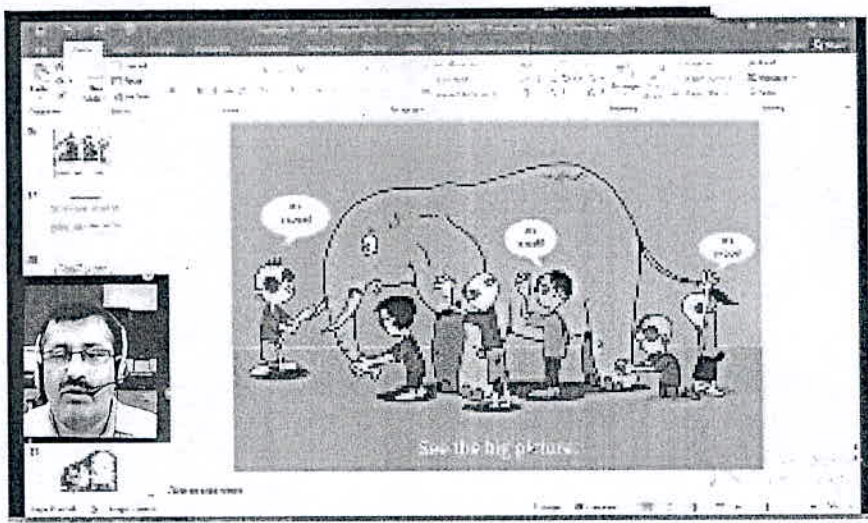

A Webinar on “Professional Responsibilities of Engineers” was organized by Department of Mechanical Engineering on 21/10/2020 at 3pm. The resource person Dr. K R Phaneesh, Professor Department of Mechanical Engineering, Ramaiah Institute of Technology began the session with Professional Responsibilities of engineers and insisted on taking responsibilities which will lead to better performance and pave way for overall development and reward them with success. Then he elaborated contexts for understanding responsibilities like obligation, accountability, conscientious and praise worthy etc. Then the speaker highlighted on the minimalist view attitude of responsibility, reasonable attitude of responsibility and good works attitude responsibilities.

Principal

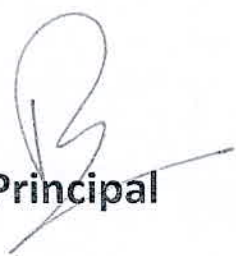

Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru – 560 057

Then he explained the mental and physical states confronted by peoples in carrying out their duties or responsibilities like self-interest, fears of punishment, loss of social status, self-deception, ignorance, egoism and microscopic vision.

The speaker covered his presentation with plenty of Cartoons, Case studies and examples to show the benefits of taking professional responsibilities and then discussed about group behavior and how they influence in positive or negative sense. Finally he interacted with the participants and answered few queries.

The session was concluded with vote of thanks by Dr. P.Mahadevaswamy, Professor and head of Mechanical Engineering department, who thanked the resource person for a very informative session. He also thanked the Management, Principal, Faculty and Participants for making the event successful.

DEPARTMENT OF BIOTECHNOLOGY

REPORT

23-oct-2020

Webinar on “Efficient way of writing a scientific research paper for indexed journals”

The Department of Biotechnology organized a Webinar on “Efficient way of writing a scientific research paper for indexed journals” under the banner of The Institution of Engineers (India) Student chapter on 23-OCT-2020 at 02:00 pm in association with Shristi Forum, BT, SCE.

The objective of the webinar is to encourage and to guide the participants how to frame a research paper for publication. The goal or aim of a piece of writing: to express oneself, to provide information, to persuade, or to create a literary work.

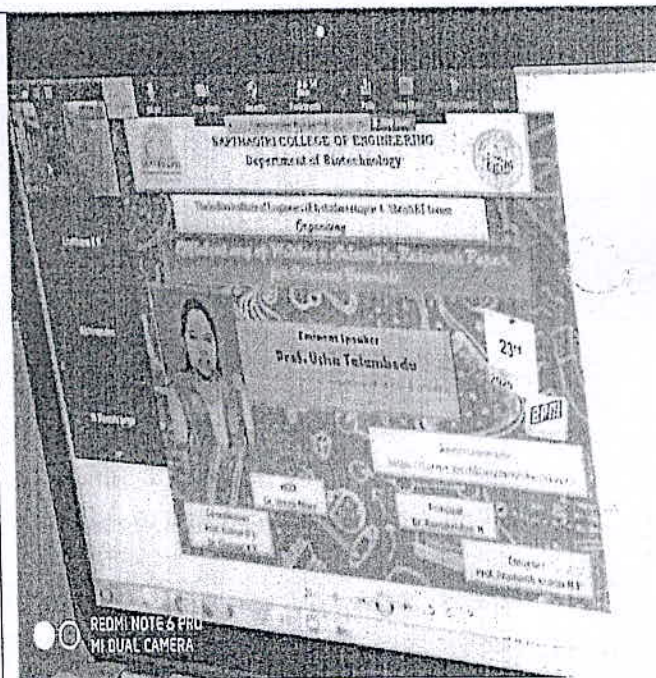

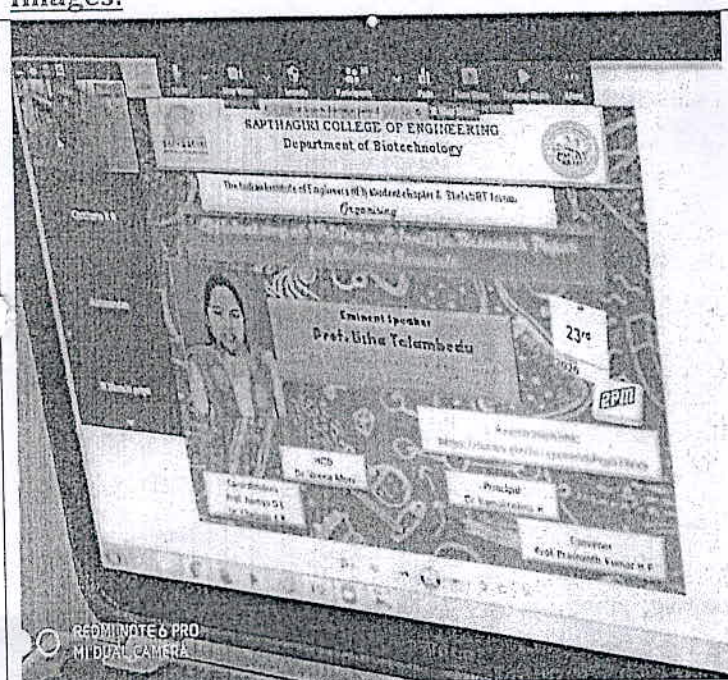

There are four purposes writers use for writing. When someone communicates ideas in writing, they usually do so to express themselves, inform their reader, to persuade a reader or to create a literary work. In college, we mostly rely on two purposes for composition style writing, and those are to inform or to persuade the audience.

Webinar is conducted through Zoom meeting, participants including students and staffs from various departments of SCE were involved, and had a nice interaction in question and answer session with the speaker.

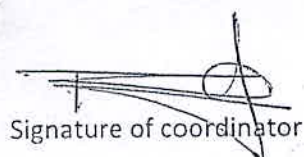

The session was started by welcome speech by Dr. JSS Allwin Ebinesar, Associate professor, BT, SCE and followed by introduction by Dr. Chethana K R, Assistant professor and Prof. Ramya D L (Coordinators). The entire session was moderated and formal vote of thanks was delivered by Prof. Prasanth kumar H P (Convener).

**REPORT OF ALUMNI TALK ON HOW TO BECOME AN
ENTERPRENEUR**

- ✦ The Department of Computer Science & Engineering organized alumni talk on “HOW TO BECOME AN ENTERPRENEUR” on 26TH DECEMBER, 2020 for students of 5th & 7th semester. The students attended the alumni talk.
- ✦ **Objective of the Alumni Talk:** To provide the very basic knowledge of Entrepreneurship & the activity of setting up a business. This talk was appreciated by all the students as they were able to add another feature in their technical skill set. The speaker Mr. NARAHARI RAO, FOUNDER & DIRECTOR, CHINTAMONEY has given the ability and readiness to develop, organize and run a business enterprise, along with any of its uncertainties in order to make a profit. The alumni talk gave the students information about the importance of ENTERPRENEURSHIP which motivated the students with his speech and explained that these kind of alumni talks are beneficial for their upcoming placements and technical knowledge.
- ✦ **Alumni Talk Title :** HOW TO BECOME AN ENTERPRENEUR
- ✦ **Resource Person:** Mr. NARAHARI RAO, FOUNDER, CHINTAMONEY.
- ✦ **Alumni Talk Date:** 26/12/2020
- ✦ **Participants:** 65

The speaker provided information on HOW TO BECOME AN ENTERPRENEUR. Overall the students felt that the session was informative & gain knowledge .

Bengaluru - 560057

Sri Srinivasa Educational and Charitable Trust (R)
SAPTHAGIRI COLLEGE OF ENGINEERING

(Affiliated to VTU, Belagavi, and Recognized by AICTE, New Delhi)

(ISO9001-2015 and ISO14001-2015 certified institute)

Accredited by NAAC with "A" Grade

#14/5, Chikkasandra, Hesaraghatta Main Road, Bangalore-57

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

**WEBINAR ON
"PROJECT MANAGEMENT & FINANCE"**

Date:
26-06-2021 (Saturday)

Time:
12:00 noon

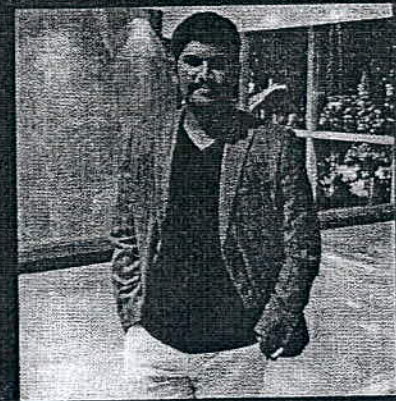

Platform : ZOOM
Meeting ID : 295 414 3152
Passcode : 123456

PROGRAM COORDINATORS:

MR. RUKMANGADA.R (ASST. PROF)
MR. MAHAVISHNU K.B.P (ASST. PROF)
MRS. SUMANGALA.S.J (ASST. PROF)
DEPARTMENT OF EEE

STUDENT COORDINATORS:

MR. CHELUVARAMA.S
MS. SINDHU.N
DEPARTMENT OF EEE

Mr. SRUJAN KUMAR.K

Team Lead,
Hudson Bay Company limited,
Bangalore

Principal

Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road,
Bangalore - 560 067

Sri G.DAYANAND
CHARIMAN, SCE

Sri. G.D.MANOJ
EXECUTIVE DIRECTOR, SCE

Dr.H RAMAKRISHNA
PRINCIPAL, SCE

Dr.NARAYANAPPA
HOD EEE, SCE

About the FDP:

Objectives:

To enhance the skills of faculties in the field of recent trends in electrical engineering to understand salient features of

- Distributed generation
- Solar PV system
- HVDC Transmission system
- Micro-grid
- Ethics

Resource Persons:

- Dr. Sanjeev K Nayak
Specialist, Automotive Division,
L&T, Bengaluru
(05/07/2021)
- Dr. Venkatesa perumal
Prof & Prof In-charge (NITK),
Department of EEE, NIT, Suratkal
(06/07/2021)
- Dr.K.N.Ravi
Prof, SCE, Bengaluru
(07/07/2021)
- Dr.Chethan Raj
Asst. prof, BMSCE, Bengaluru
(08/07/2021)
- Dr.Seebaramu
Former Director, CPRI, Bengaluru
(09/07/2021)

Who Can Attend the FDP?

The FDP is open for the all the faculties Electrical and Electronics Engineering.

Registration

- **Free**
- The registration can be done through online. Use the link:
<https://forms.gle/iqTkugyown6GRfEM8>

Chief Patrons

Sri. G. Dayanand,
Chairman, Sri. Srinivasa Educational & Charitable Trust,
Sapthagiri Group of Institutions, Bengaluru

Sri. G.D. Manoj,
Executive Director, Sri. Srinivasa Educational
& Charitable Trust, Sapthagiri Group of Institutions

Patrons

Dr. H Ramakrishna,
Principal, SCE, Bengaluru

Dr. Narayanappa,
Prof & Head, EEE, SCE, Bengaluru.

Program Coordinator

Prof. Rukmangda R
Assistant Professor., EEE.
Ph: 9739372762
rukmandar@sapthagiri.edu.in

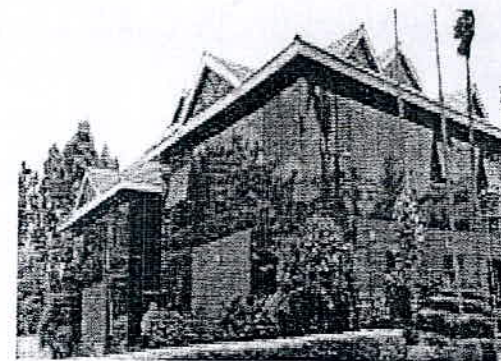

Prof. Mahavishnu K B P
Assistant Professor, EEE, SCE, Bengaluru
Prof. Sumangala S J
Assistant Professor, EEE, SCE, Bengaluru

5 Days Online Faculty Development Program on

"Recent Trends in Power system Engineering"

FROM 5th July 2021 to 9th July 2021

Organized by Department of Electrical and Electronics Engineering

Sapthagiri College of Engineering

#14/5, Chikkasandra, Hesarghatta Main
Road, Bengaluru 560057

Phone: 080-28372800/01/02/03

About the College

Sapthagiri Group of Institutions is the creation of Sri Srinivasa Educational & Charitable trust, Bengaluru, founded by honorable Sri Giryappa, Founder Chairman and Sri. G. Dayanand, Chairman of Sri Srinivasa Educational & Charitable trust. Sri G.D. Manoj, is the Executive Director of SCE. SCE began its glorious journey in the year 2001. It is approved and accredited by AICTE, New Delhi and is affiliated to VTU Belagavi, Karanataka, Accredited by NACC with "A" grade, An ISO 9001:2015 and 14001:2015 certified institute. The campus of Sapthagiri College of Engineering is spread across 6.5 acres of lush green land with beautiful landscape. The college has secured 22 University ranks and 4 Gold medals.

Vision of the Institute:

To be a best institution imparting quality engineering education to deal community needs through learning and performance.

Mission of the Institute:

To implement path breaking student centric education methods.

-To augment talent, nurture teamwork to transform to develop individual as responsible citizen.

-To educate the students and faculties about entrepreneurship to meet vibrant requirements of the society.

-Strengthen Industry-Institute Interaction for knowledge sharing

About the Department:

The Electrical and Electronics Engineering Department had its beginning in the year 2004 and at present has an intake of 120 students. It is one of the pioneering departments at Sapthagiri College of Engineering. The Department has well qualified and dedicated faculty members, who always put in their best efforts to ensure that quality education is imparted to students. The Department is striding in the progressive path to achieve excellence in academics and research activities. The Department has state-of-the-art laboratories and latest software. Students are thoroughly trained in electrical engineering

applications to meet the challenges of the Electrical industry. Department conducts various workshops and FDPs to enhance the skillset of Faculties and students.

Vision of the Department:

To create globally competent Electrical and Electronics Engineers who can contribute to the growth of the nation and serve the society.

Mission of the Department:

M1: To impart student centric quality education.

M2: To nurture the talents and impart moral values to the students

M3: To keep abreast the technical knowledge among students and faculty with industry-academia interaction

M4: To enrich research and innovation methods in students and faculty

Report on 5 days online FDP

Topic: "Recent Trends in Power System Engineering"

From 5th to 9th July 2021

Organized by
Department of Electrical and Electronics Engineering

SAPTHAGIRI COLLEGE OF ENGINEERING

(Affiliated to VTU, Belagavi, approved by AICTE, New Delhi)
(An ISO 9001:2015 and 14001:2015 certified institution)

NAAC Accredited with A grade

14/5, Chikkasandra, Hesaraghatta Main road, Bengaluru-560057

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Faculty Development Program

on

"Recent Trends in Power System"

From 05 July 2021 to 09 July 2021

Day 01: Distributed generation

Resource Person: Dr. Sanjeev K Nayak

Specialist, Automotive Division,
L&T, Bengaluru

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

All the sessions were blended with lectures and interactions. Many queries raised by enthusiastic participants were well answered by the speaker. Positive feedback was received on each session and also on overall FDP.

The session was concluded with vote of thanks by Dr.Narayanappa.
