Online webinar Report

The IETE students Forum (IETE-ISF) of Department of Electronics and Communication Engineering has a best practice of conducting workshops/seminars/Guest lectures in every academic year for the students. In pandemic years the forum has organized online webinar sessions for the students. For academic year 2020-21, the forum has organized online webinar on **"Opportunities for the VLSI Design & Embedded Systems"** on 8th May 2021. Mr Kubendra Kumbar, Senior Manager, **Samsung Semiconductor R&D Center, Bengaluru** was the invited resource person to deliver the webinar. The webinar started with welcome note and brief introduction of the resource person Mr Kubendra Kumbar by Prof J R Girish. Total 113 students from 3rd and 4th year were participated in the webinar.

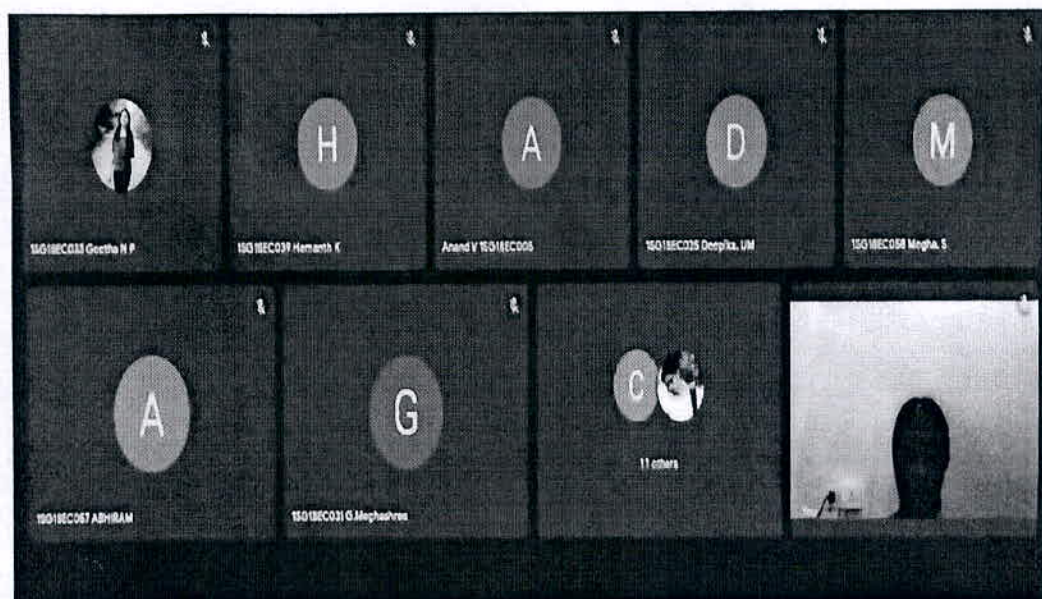

Objectives of webinar:

- To enlight the students with job opportunities in various areas of core VLSI and Embedded industry.
- To brief about skill sets and technology required in current industry to grab a job in core companies.
- To brief about various emerging areas of the VLSI.

The resource person delivered the information on current start up companies which are working on VLSI and Embedded system in India such as Ola, Mobiveli Technologies, Timesys Technologies, and Satque. He also guided the students the skill set required to enter in to these companies. He also flashed light on frontend and back end design, PLCs, SOC. He also spoke about high speed processors and their design. He motivated the students to reach the emerging technologies which are beyond the VTU curriculum.

Hosting the webinar

Online webinar on "Opportunities for the VLSI Design & Embedded Systems"

Outcome of webinar: Students Understood

- Startup companies in VLSI domain in India.
- The skill set required to enter in to core companies.
- Front end and backend design flow in VLSI.

About the College

Sapthagiri Group of Institutions is the creation of Sri Srinivasa Educational & Charitable trust, Bengaluru. Sapthagiri College of Engineering is the brainchild of honorable Sri Giriappa, Founder Chairman and Sri. G. Dayanand, Chairman of Sri Srinivasa Educational & Charitable trust. Sri G.D. Manoj is the Executive Director of SCE. SCE began its glorious journey in the year 2001. It is approved and accredited by AICTE, New Delhi and is affiliated to VTU Belagavi, Karanataka. The campus of Sapthagiri College of Engineering is spread across 6.5 acres of lush green land with beautiful landscape. The area enjoys pleasant atmosphere throughout the year.

Vision

To be a best institution imparting quality engineering education to deal with community needs through learning and performance.

Mission

- To implement path breaking student centric education methods.
- To augment talent, nurture teamwork to transform to develop individual as responsible citizen.
- To educate the students and faculties about entrepreneurship to meet vibrant requirements of the society.
- Strengthen Industry
- Institute Interaction for knowledge sharing

About Course on AutoCAD:

AutoCAD is a commercial computer-aided design (CAD) and drafting software application. Developed and marketed by Autodesk. AutoCAD is used in industry, by architects, project managers, engineers, graphic designers, city planners and other professionals. Users can customize the CAD software with available add-on apps as per project requirements. User specialized tool setting can be done to view and design product in wireframe and

surface modeling. Widely preferred in the industries of mechanical, telecom, civil, architectural engineering. It stands on demand to students and industries because of its requirements.

About the Certification Program:

Its objectives are

- To learn basics on Autocad software by exploring various commands
- Draw sketches using the software and create 2D and 3D models

Event Description:

A five day workshop on AutoCAD was organized by department of Mechanical Engineering for 5th Semester students. Mr.Pramod S.V, Assistant Professor Department of Mechanical Engineering who has vast experience in Design and Industrial knowledge explained many concepts related to AutoCAD to the students. Prateek and Nrupada Ramesh students of 5th Semester Mechanical Engineering who have done certification course in AutoCAD, were the instructors for the workshop. The workshop was held for five days in Computer Aided Machine Drawing lab and all the participants were awarded with participation certificate.
