Dear Sir,

With respect to the phone conversation made on 31/7/2021, i am pleased to invite you as resource person for online webinar on behalf of placement cell Sapthagiri college of Engineering, bangalore. In this regard pls confirm us the date and timing of the webinar session.

Thanks & Regards
Prof SHOBHA HUGAR
DEPT OF ECE

Vision of the ECE Department:

To be an endeavoring department for providing globally relevant learning experience to the students.

Mission of the ECE Department:

To Enrich learning experience of students with creative and innovative teaching methods.

To Inculcate societal responsibility in students.

To Develop entrepreneurial skills of students to make them entrepreneurs rather than employees.

To Partner with Industry for focusing on real-life problems and make learning more practical

Online webinar Report

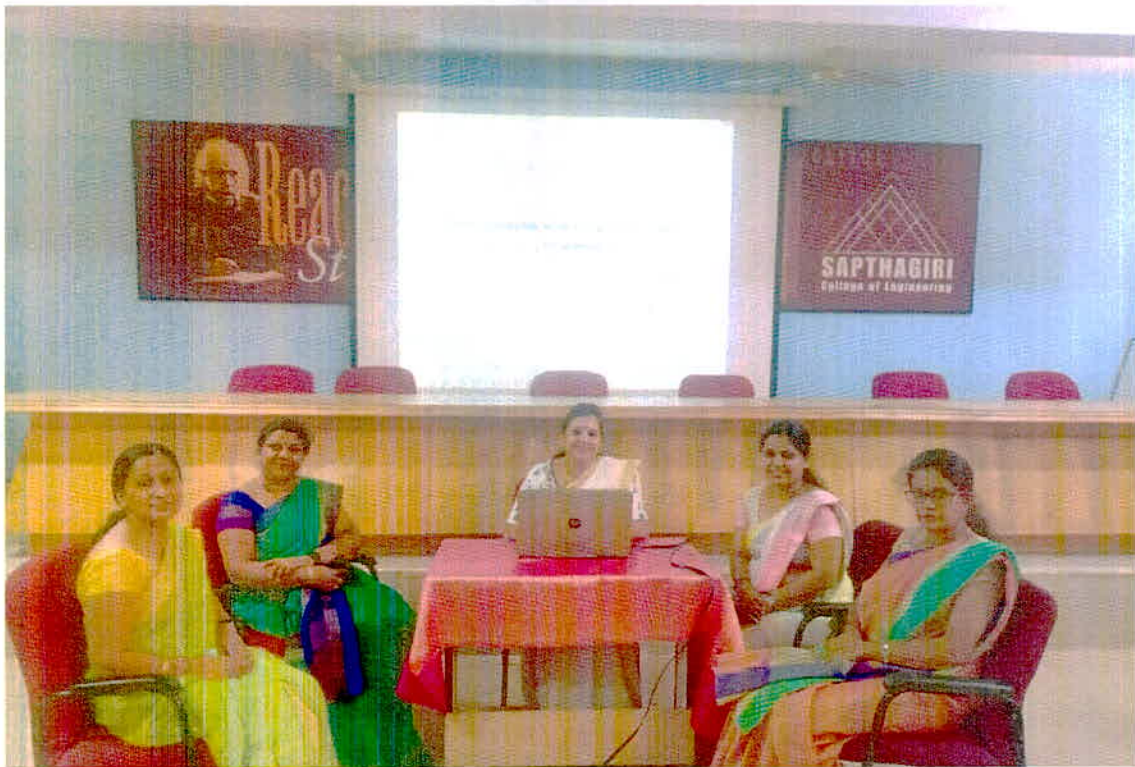

STUTI Career Guidance and Placement cell has a best practice of organizing career guidance and career counselling programs for the students to build their career. During the pandemic years also the cell has organized online webinars for the students. A career counselling program **Benefits and Career Opportunities with GATE** was arranged on **04th Aug 2021** for Pre-final years of all the branches in online mode (Zoom Meeting).

Mr Deepanshu Bansal, Associate Director, Academic Relation GATE ACADEMY, Malleshwaram Bengaluru was invited to deliver the webinar. Mr Deepanshu spoke about GATE Preparation, Career Opportunities in Public Sectors (PSU). He also talked about opportunities for Higher Education in Premier Central Govt Institutions.

He also discussed about some IT companies who will hire the students on basis of GATE score also. He also informed the students to start preparation for GATE at early.

He also discussed other exams which are similar to GATE such as KPSC, KPTCL, FCIL, TSPSC, SSC ect.

This program motivated the students to pursue higher Education and also it enlightened the students about importance of GATE Score.

Alumni talk on

“Private job opportunities in India and Abroad”

(19/06/2021)

Organized by

Department of Electrical and Electronics Engineering

The Alumni talk had been organized by the department of Electrical and Electronics Engineering on 19/6/2021 for 8th semester students on online zoom platform to enlighten the students regarding the job opportunities in the private sector. Around 65 students attended the talk and got benefitted from this meet. Our Alumni Mr. Chandan Raja working as Technical Lead in Cognizant Technology Solutions, Canada, explained about various job opportunities in private sector for engineers. He stressed more about the key skills and software courses required to get jobs in private sector other than technical concepts. He also enlightened students about the job vacancies available in India and abroad in software field.

Objectives:

- To educate students about private job opportunities in India and abroad.
- To enlighten students about key skills and courses to be developed to get job opportunities in private sector.

Outcomes:

- The student was able to know skills and courses to be developed to get job in software field.
- The student was known about job vacancies in software field.

The EEE department was organized an alumni talk on higher studies on 12-6-2021 online mode with the zoom platform at 2 to 4 pm. The session started with welcome address by Ms. Mandara C K 8th semester. The Head of the department was addressed the gather in by enlighten the importance of higher studies. Prof Ashwini C introduced the guest **Mr. Krishna Kiriti, Brose Fahrzeugteile SE & Co. KG, Bamberg, Germany (Hardware Development Engineer) and proud alumni of EEE department.**

The webinar was on "Higher Studies". The speaker explained in details about the importance of Higher Studies. The speaker also covered the number of ways to get into good Universities. The program was well organized by Prof. Muralikrishna and team. The students expressed their sincere gratitude to the guest through oral feedback. And also expressed their happiness for given an opportunity to listen such an excellent speech from the experienced alumni. Many queries raised by enthusiastic participants were well answered by the speaker. Many of the senior faculty in the department cherished their memories with alumni. The session was concluded with vote of thanks by Ms. Swathi C 8th semester EEE.

Venue (with address)	Online – Sapthagiri College of Engineering
Organized by	INVEST Indian Value Engineering Society Student Club and STUTI (Career Guidance & Placement cell)- Department of Mechanical Engineering
Objectives of the event/activity	<ul style="list-style-type: none"> ➤ To orient students on the importance of career planning. ➤ To motivate students to develop communication skills. ➤ To provide an opportunity to interact and clarify their doubts related to career opportunities ➤ To encourage students to look for opportunities in Mechanical engineering industries ➤ To build confidence in students to prepare themselves for interviews/ competitive examinations.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	70
Mention organized /participated/attended	70 Students of 8 th Semester Mechanical Engineering participated in the interactive session.

Event Description:

A motivational talk on, **"Career Planning & Importance of Effective Communication"** was organized for 8th semester Mechanical Engineering students on, 09/06/2021 by the Indian Value Engineering Society – student club, department of Mechanical Engineering. The speaker **Mr. Pradeep Doddaiiah**, is alumnus of department of Mechanical Engineering, Sapthagiri college of Engineering who is presently working as Skill trainer Actor & Social Media Influencer.. The speaker first shared his own story of success by elaborating on the struggle and choices he made after completing his B E course. He gave lot of tips to the students on how to face the interviews / competitive exams to get into the reputed industries. He also advised the students to choose their

path of career by knowing their strengths and overcoming weaknesses. He also stressed on developing good communication. Skill to face the interviews and for presentations. Finally interacted with the students and motivated them on how to sustain during the pandemic period and how to keep on building the resume by doing on-line courses etc. Head of the department Dr, P.Mahadevaswamy appreciated the efforts of speaker and thanked all the participants and organizing team for conducting the event successfully.

Online Alumni talk on Devops

The Department of ISE had organized a webinar on “Devops” by Miss Harshitha Khandelwa, Bottom line technologies Bangalore

Dr. H R Ranganatha, HOD, Dept. of ISE welcomed distinguished Alumni Miss Harshitha Khandelwa, formally online. The session was held for 7th semester students of the department. Totally 90% of the students were present in this session.

An online Alumni talk has been arranged on topic: “Devops” by Miss Harshitha Khandelwa, Software Engineer, Bottom line technologies Bangalore through online mode on 22/05/2021. In her talk she explained about the various Career opportunities and various tools used in Devops. She emphasized about the difference between agile methodology and why companies are adopting Devops culture. And she explained about Devops Life cycle and how to install local as well as a remote GIT repository which is the tool used for version controlling. This particular interaction helped curriculum in filling the gap like usage of modern tools and specific objective of the department like automation. Students were interacting throughout the session as it was more interactive & interesting.
