This offer has been made in good faith based on our understanding of current UKVI (Home Office) regulations. **Welcome Letter for students admitted to the  
KTH Masters Programme Engineering Design, Machine Design Track**

**Nihal Janakiram KASHYAP**  
Date of Birth: **16 September 1999**

Dear Nihal

On behalf of KTH Royal Institute of Technology, Stockholm, we are pleased to welcome you to the Engineering Design Masters programme, **Machine Design Track**, starting in August 2021 and concluding in June 2023.

Please note the programme is taught in English, and is **full-time** for 2 years: three terms of lectures, coursework and project work, plus one term devoted solely to your Master Thesis project. Upon completion of the programme you will be awarded the Swedish degree “Teknologie masterexamen”, which translates into English as “Degree of Master of Science” (120 credits).

**If you decide not to take up your place this autumn, please contact us** at [engineeringdesign@kth.se](mailto:engineeringdesign@kth.se) well in advance so that we can offer it to someone on the waiting list. (You should also decline your place on University Admissions.)

**Mandatory Programme Registration**

At **8am on Monday 30 August** we will hold a short introduction to Engineering Design and register you for the programme (**please bring your passport**). This will take place at the KTH Department of Machine Design, Brinellvägen 85. There will also be Track-specific information sessions where you will meet your Track Leader and fellow Track students. And on Wednesday 1 September, there will be an all-day kick-off competition and a chance to get to know everyone.

We will email you on Monday 23 August with more details, and a copy of the schedule for the compulsory courses for the first couple of weeks.

You need to be here at KTH ready to start classes on Monday 30 August. If you have any problems with this date please contact us at [engineeringdesign@kth.se](mailto:engineeringdesign@kth.se). We realise that sometimes visa issues do cause delays, and that with the current COVID-19 situation (see next page), more issues may arise than normal. If necessary, KTH will – **by arrangement** - allow you to register up until 3 September. All students are encouraged to plan to arrive on one of the KTH Arrival Days (see next page).

**KTH Introduction Activities and Preparation for Arrival**

You should already have received an electronic newsletter from the KTH Admissions and International Students Office, telling you about key dates and what to do next – e.g. insurance, when to apply for accommodation, dates for payment of fees, pre-programme introduction activities etc. KTH encourages new students to participate in the pre-term introduction activities which include both informative and social events.

You are also strongly encouraged to schedule your arrival on one of the appointed **KTH Arrival Days: 2 August** (if you are attending a pre-term language course) **or 22 August**. The aim is to help you have a smooth arrival, get you settled in comfortably and offer access to the information you need for a good start to your MSc studies.

Arrival Day services at Arlanda Airport: Student guides will welcome you and a free shuttle bus service runs every hour (09.00-21.00) from Arlanda Airport to KTH Campus.

Arrival Day services on campus: KTH Entré will be open from 10am to 10pm. There you can:

- Leave your belongings with the free luggage storage service.
- Sign your housing contract and pick up your keys (if you have accommodation provided by KTH).
- Get your personal KTH-account. This allows you to connect to the Wi-Fi network and to get started with the other IT-services. N.B. Please bring your passport.
- Pick up your KTH access card
- Meet with the Arrival Day Crew.
- Chill out and mingle with new friends. The Student Union (THS) will be hosting a garden social event for all new international students, where you can talk to fellow students and make new friends.

When preparing your KTH Experience make sure to read the newsletters sent out by email and regularly visit [www.kth.se/en/student/newatkth](http://www.kth.se/en/student/newatkth) to get updated information regarding your Arrival & Introduction.

### **COVID-19**

KTH is continuously adapting its operations in regard to the global COVID-19 outbreak and we will take all necessary precautions to keep students safe. Thousands of new international students join us every year and aside from providing you with a world-class education, we work hard to make your time at KTH as comfortable and safe as possible. There is a special section on the **New at KTH** homepage dedicated to [COVID-19 information](#). Here you will find the latest advice and the most commonly asked questions from admitted students.

### **Students with Conditional Offers**

If your Bachelor's degree was not completed before the Admissions period, you will have received a conditional offer. You must scan and upload your final transcripts and diploma to your account on University Admissions (the same one you used to apply) by 31 October 2021. Upload your documents following the same instructions as when you made your application. If you cannot upload your documents by this date, you will need to make an appointment to present your original transcripts and diploma to the Admissions Office (via [info@kth.se](mailto:info@kth.se)). No reminder will be sent, so please note that it is your responsibility to ensure that you have submitted your final bachelor's degree documents – without doing so, you will not be able to graduate from KTH.

We are very much looking forward to meeting you, and we hope you will enjoy your 2 years with us. If you have questions about the arrival process or being a new student that are not covered on the New at KTH page, please contact [info@kth.se](mailto:info@kth.se).
