DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ALUMNI TALK REPORT

The Department of Electronics and Communication Engineering organized an Alumni Talk on 08.05.2021 for the benefit of the students. The key speaker of the event was Pooja B C, Executive Engineer, Vitesco Technologies Bangalore. She was Alumna of 2014 batch. Alumni talk was conducted online mode through Google meet. Totally 102 students from 4th, 6th and 8th semester attended the talk.

She spoke on the topic On Board Charger. Initially she gave some useful tips to students on how to perform well in academics. She also shared some experiences of her interview and gave a realistic view about how co-curricular and extra-curricular activities matter along with excellence in academics. She addressed the students regarding the industry expectation on their domain expertise.

She advised the students to be strong with the concepts, which is one of the main requirement to get into any company.

She spoke about the domain on which she works in the company. She explained the working of on board charger. Students interacted actively during the session. The talk was informative and useful to the students. Students showed intense interest in attending such sessions in future.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ALUMNI TALK REPORT

The Department of Electronics and Communication Engineering organized an Alumni Talk on 15.05.2021 for the benefit of the students. The key speaker of the event was Vaishnavi R Shetty. Presently she is working in Unacademy as Business Development Associate. She was Alumnus of 2015 batch. Alumni talk was conducted online through Google meet. A total of 107 students from 4th, 6th and 8th semester attended the session.

The speaker spoke on the topic "How to find and do the work you love".

In her talk she introduced herself. She highlighted the current needs of the company. She guided about the interview session as per the expectations of companies. She also shared, how she faced the interview and what kind of skills are required for the students to develop, so that, they would be recruited. She motivated the students to take part in all kinds of training regarding placement. She spoke about the opportunities and requirements for non tech jobs.

The talk was informative and was useful to the students. Students could get knowledge about opportunities for engineers other than technical jobs. Students interacted actively in the session.

ALUMNI TALK REPORT

The Department of Electronics and Communication Engineering organized an Alumni Talk on 05.06.2021 from 10.30 AM to 11.30AM for the benefit of the students. The key speaker of the event was Manish Kumar Verma. Presently he is working in Tata Elxsi as Senior Engineer, Media and Communications Vertical. He was Alumnus of 2014 batch. Alumni talk was conducted online through Google meet. A total of 103 students from 4th, 6th semester attended the session.

The speaker spoke on the topic "Campus placement and Campus to Corporate"

In his talk he introduced himself. He spoke about the current requirement of industry. He spoke about different programming languages like MATLAB, PSpice etc can be used for different applications. He guided the students to think beyond the syllabus and apply their knowledge. He spoke about different carrier opportunities. He advised the students to work on core subjects and communication skills also.

The talk was informative and was useful to the students. Students interacted actively in the session.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ALUMNI TALK REPORT

The Department of Electronics and Communication Engineering organized an Alumni Talk on 26.06.2021 from 10.30 to 11.30 for the benefit of the students. The key speaker of the event was Mr. Mohit Okade. Presently he is the Technology Lead in Infosys Limited. He was Alumnus of 2013 batch. Alumni talk was conducted in online mode through Google meet. A total of 101 students from 4th, 6th and 8th semester attended the talk.

He spoke on the topic "Surviving the Technical Industry".

He began the session introducing himself with his educational qualifications, hobbies, etc. He completed his Masters in BITS, Pilani in the field of Data Science. He told that the industrial growth will reach peaks in the next few years, so he gave an idea on the Tech. Industry. These industries offer a wide range of products and services such as PCs, mobile devices, home appliances and so on, that are being continuously improved and sold.

He gave some tips to students on how to kickstart our journey in the IT sector. The key points were, adapt to the change, have a positive attitude, develop problem solving skills, seek a mentor and stay up to date. He advised the students to improvise their soft skills and technical skills.

He also shared his own experiences of him conducting interviews, and the common mistakes freshers do while facing interviews. Students were advised to have a proper work-life balance, to sharpen their skills, to always be eager to learn new things, and to grab onsite opportunities. He also gave the students other options viz. Entrepreneurship, Higher education, and Research & Development.

Many of the students' questions were answered by him in the end of the session. Overall the talk was informative, interactive and interesting.

Dr. H. Ramakrishna (Prof & Head, ECE)

The Tech. Industry

- The technology industry is a part of business that will grow and prosper in electronics, software, computers, artificial intelligence, and other industries related to technology.
- The industry offers a wide range of products and services, such as software, hardware, mobile devices, wearable technology, home automation, robotics, and so on, are common in the industry.
- Companies invest heavily in research and development of technology projects which has great potential, i.e., space, technology, 3D printing etc.
- The sector is often one of the most attractive growth drivers in an economy. - PwC, PwC LLP

Skills – Soft and Technical

- Communication skills:** Be a master!
- Bring discussions:** participate
- Presentation skills:** Say NO to stage fright
- Self-DP, the art of learning presented traits**
- Competence:** certifications and courses: python, c++, etc.
- Knowledge:** Don't be a jack of all and master of none.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ALUMNI TALK REPORT

Department of Electronics and Communication Engineering of Sapthagiri College of Engineering organized online Alumni talk "Power of planning early" on 4th January 2021 from 10.30AM to 12.15 PM by Mr Keerthi Natarajan, CEO, Goldenagefilmhouse an Alumni of batch 2005-2009. He is an engineer turned film maker and hence follows an engineering approach in making and teaching film.

He started his carrier in Infosys and worked for 2 years. After that he started his own film production company Goldenagefilmhouse.

The guest speaker was heartily welcomed by Prof Agalya P, Associate Professor, Department of Electronics and Communication Engineering.

The main theme of the alumni talk is to enlighten the minds of budding engineers in terms of personality skill development for their successful placement and to encourage entrepreneurship.

In this lecture Mr Keerthi mentioned that being passionate is the key to success. Mr Keerthi himself is a source of motivation to the students. He gave encouraging examples from his own life which inspired students to be self motivator. He discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and successful. He also motivated students to become entrepreneurs as he himself is a engineer turned entrepreneur.

The lecture was attended by 116 students of 3rd, 5th and 7th semester students of Electronics and Communication Engineering Department.

**REPORT OF ALUMNI TALK ON HOW TO BECOME AN
ENTREPRENEUR**

- ✦ The Department of Computer Science & Engineering organized alumni talk on “HOW TO BECOME AN ENTREPRENEUR” on 26TH DECEMBER, 2020 for students of 5th & 7th semester. The students attended the alumni talk.
- ✦ **Objective of the Alumni Talk:** To provide the very basic knowledge of Entrepreneurship & the activity of setting up a business. This talk was appreciated by all the students as they were able to add another feature in their technical skill set. The speaker Mr. NARAHARI RAO, FOUNDER & DIRECTOR, CHINTAMONEY has given the ability and readiness to develop, organize and run a business enterprise, along with any of its uncertainties in order to make a profit. The alumni talk gave the students information about the importance of ENTREPRENEURSHIP which motivated the students with his speech and explained that these kind of alumni talks are beneficial for their upcoming placements and technical knowledge.
- ✦ **Alumni Talk Title :** HOW TO BECOME AN ENTREPRENEUR
- ✦ **Resource Person:** Mr. NARAHARI RAO, FOUNDER, CHINTAMONEY.
- ✦ **Alumni Talk Date:** 26/12/2020
- ✦ **Participants:** 65

The speaker provided information on HOW TO BECOME AN ENTREPRENEUR. Overall the students felt that the session was informative & gain knowledge .

**REPORT OF ALUMNI TALK ON A QUICK START TO MACHINE
LEARNING WITH PYTHON**

- ✦ The Department of Computer Science & Engineering organized alumni talk on "A QUICK START TO MACHINE LEARNING WITH PYTHON" on 08TH MAY, 2021 for students of 6th & 8th semester. The students attended the alumni talk.
- ✦ **Objective of the Alumni Talk:** To provide the very basic knowledge of implementing Machine learning with Python. This talk was appreciated by all the students as they were able to add another programming language in their technical skill set. The speaker Mr. R VENKAT NAGENDRA, SENIOR DATA SCIENTIST, PUBLICIS SAPIENT has given the mix of theory and practical knowledge of python & machine learning. The alumni talk gave the students information about the importance of A QUICK START TO MACHINE LEARNING WITH PYTHON motivated the students with his speech and explained that these kind of alumni talks are beneficial for their upcoming placements and technical knowledge.
- ✦ **Alumni Talk Title :** A QUICK START TO MACHINE LEARNING WITH PYTHON
- ✦ **Resource Person:** Mr. R VENKAT NAGENDRA, SENIOR DATA SCIENTIST, PUBLICIS SAPIENT.
- ✦ **Alumni Talk Date:** 08/05/2021
- ✦ **Link:** <https://meet.google.com/ytv-ewgo-xnz>
- ✦ **Participants:** 60

The speaker provided information on QUICK START TO MACHINE LEARNING WITH PYTHON.

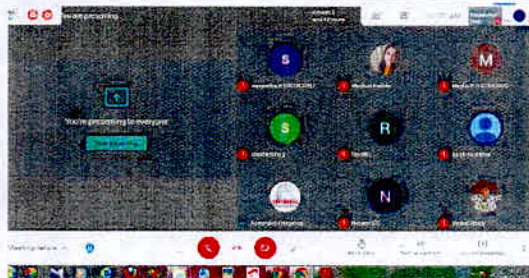

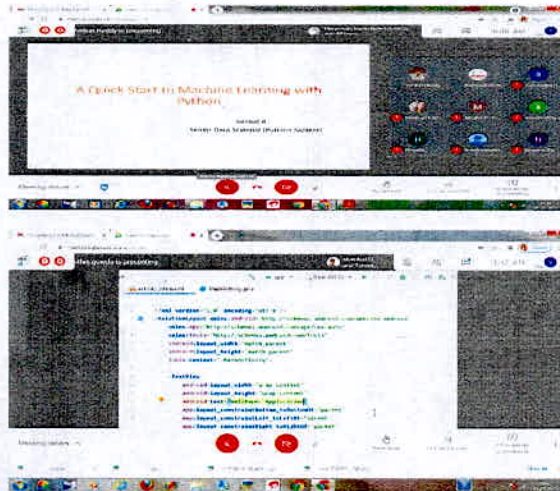

Overall the students felt that the session was informative & gain knowledge

A Report on online Alumni interaction- System Validation and HIL Testing

The Department of ISE had organized online alumni talk on “System Validation and HIL Testing” by Mr. Uday Bhargav, Senior Engineer, Tata Elxsi, Bangalore

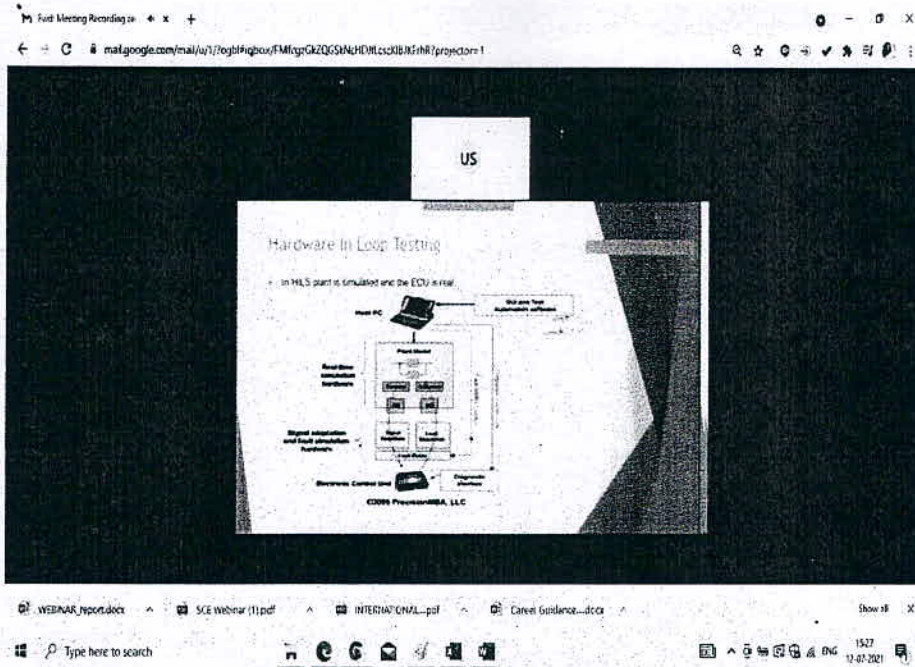

Dr. H R Ranganatha, HOD, Dept. of ISE welcomed distinguished Alumni Mr. Uday Bhargav, formally online. The session was held for 6th semester students of the department. Totally 85% of the students were present in this session.

In his talk he gave the importance of modern software testing and also complete picture of testing methods and various tools of testing through online mode on 05/05/2021. The webinar was about the software development lifecycle and types of testing. He also explained about the V model and system validation. Mr. Uday also explained about the modern tools used for testing. He emphasized about the hardware in Loop testing plant. Students were interacting throughout the session as it was more interesting. Students also had an opportunity to know much more about the testing beyond the syllabus and would certainly help in enhancing skills for testing purpose.

ONLINE ALUMNI MEET -2020

Department of Information Science and Engineering has organized online Alumni meet-2020 on because of COVID-19 pandemic. In his address, Dr. H R Ranganatha, professor and HOD Department of ISE welcomed alumni of ISE department and explained about the roles and responsibilities of alumni to their alma matter. On this occasion he emphasized importance of alumni feedback and is very important which may be very helpful for the students currently studying in the college. He suggested every alumnus should come forward to develop the rapport between the alumni and alma matter there by to enhance the quality in teaching and learning process and also the overall development of the institution in specific and society at the large. Alumni coordinator of the department Prof. Ambika S has hosted and coordinated the alumni meet. Around 35 alumni have taken active participation in the meet and expressed their happiness about the conduction of alumni meet in spite of the pandemic situation.

Few Faculty members also took part in the online meet to greet the students. Many alumni have agreed views of HOD and assured the cooperation to their alma matter. In the end of the session HOD has expressed his appreciation and thanks to the alumni and also sought such participation and cooperation in future meets.

Event Description:

A Alumni talk on "Patience and Perseverance" was organized to Civil Engineering students through google meet on 22/05/2021 under the guidance of Faculty Coordinator Mrs.Pallavi G A. 81 Students were participated in the talk. The talk was delivered by our Alumni Anjana Jagadeesh. Anjana Jagadeesh shared their experience of getting job once students are passed out from the institution, what are all the practical things u should learn during your course time and use of doing internship. Students were also advised to create an awareness about social well-being, safety, societal interactions, professional ethics and responsibilities.

*Type of event/activity	Technical Talk
Name/Title of the Activity/Event	Technical Talk on "Useful Modeling Software Skills in Mechanical Engineering"
Date of Organization	05/06/2021
Venue (with address)	Online – Sapthagiri College of Engineering
Organized by	IIIE Student Club - DEPARTMENT OF MECHANICAL ENGINEERING
Objectives of the event/activity	<ol style="list-style-type: none"> 1. To orient students on need of Software skills for Mechanical Engineering Students. 2. To orient the students on . Modeling software used in industries. 3. To provide an opportunity to interact and clarify their doubts related to software applications. 4. To encourage students to look for opportunities in Mechanical engineering industries 5. To build confidence in students to prepare themselves for interviews / competitive examinations.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	54
Mention organized /participated/attended	Around 54 students from 6 th semester Participated in the event.

Event Description:

A motivational talk on, ""Useful Modeling Software Skills in Mechanical Engineering" was organized for 8th semester Mechanical Engineering students on, 05/06/2021 by the IIIE Student club department of Mechanical Engineering. The speaker Mr. Madan Kumar is alumnus of department of Mechanical Engineering; Sapthagiri college of Engineering is presently working as, Design Engineer in TCS, Bangalore. The speaker in the beginning spoke about the job opportunities for Mechanical Engineering students in core companies. Then he oriented the students on the various modeling software used in Mechanical industries and insisted the students on undergoing

courses in modeling software. He insisted the students develop software skills during their course other than academics to get more opportunities in industries. The speaker motivated and encouraged the students and gave lot of tips on how to face the interviews / competitive exams to get into the reputed industries. He also advised the students to choose their path of career by knowing their strengths and overcoming weaknesses. Finally interacted with the students and motivated them on how to sustain during the pandemic period and how to keep on building the resume by doing on-line courses etc. Head of the department Dr. P. Mahadevaswamy presented vote of thanks by acknowledging the efforts of the people who made the event successful.

Objectives of the event/activity	To discuss on : <ul style="list-style-type: none"> • Preparation for GATE & GRE • BCIL-Biotechnology consortium India limited fellowship and BISEP • Biotechnology industrial skill enhancement program • ILETS, TOFEL
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	60+ participants
Mention organized /participated/attended	Organized

Event Description:

The Department of Biotechnology organized Alumni Interaction on Career Oriented entrance exam for higher studies under the banner of The Institution of Engineers (India) Student chapter on 20-Nov-2020 in association with Shristi Forum, BT, SCE.

The session was open for the students and research scholars from various institutes. The resource persons for the talk were Ms. Niharika M (M Tech at VIT, Vellor) and Mr. Akash R (BISEP at SIT, Tumkur).

The Aim & objective of the talk is to make understand and provide information regarding -

- For students to develop positive attitudes towards study and work
- For students to evaluate their own strengths and to build on their own areas for development

- To help students fully engage in career planning
- For students to understand and develop the skills that are required to be successful in their future pathway
- To provide students with a comprehensive understanding of opportunities at key transition points and translate these effectively into appropriate decisions and actions
- To provide students with the relevant careers information, advice and guidance that are suitable for their personal needs

Talk is conducted through Zoom meeting; it had an interactive session where the queries were answered by the resource persons. About 60+ participants attended the orientation talk. It was an enlightening and fruitful session.

Event Description:

The Department of Biotechnology organized an Alumni talk (Virtual mode) for Students under the banner of The Institution of Engineers (India) Student chapter and Shrishti BT forum on 27th July 2021 Saturday at 11:00 AM – 12:00PM.

The main aim of arranging invited talks to endeavor and initiate the students to know about the importance of research and current trends in the science. This invited talk is given by the **Ms Pooja Singh U, Data Analyst, Executive Operator, GENISYS.**

In this webinar, Ms Pooja Singh U, highlighted on the concepts of information technology and its applications in biotechnology. Also, she discussed about modern tools like Jupiter Book, Advanced excel, R- program and its usage in big data analytics and bioinformatics. Addressing to

students she clarified valuable doubts on professional ethics, lifelong learning of bio techniques, concepts of AI and ML and information technology for research and development in BT.

She advised her juniors regarding the various courses related to big data science, deep learning and different emerging industries for their career opportunities.

In this webinar 70-80 students were participated and with the support of department faculties the webinar was successfully completed.

Alumni talk on

“How to Conquer The Competitive Exams”

(15/05/2021)

Organized by

Department of Electrical and Electronics Engineering

The Alumni talk had been organized by the department of Electrical and Electronics Engineering on **15/5/2021** for **8th semester** students on online zoom platform to enhance the knowledge and enlighten the students regarding the career opportunities in the public sector field. Around 63 students attended the talk and got benefitted from this meet.

Our Alumni Mr.Rakesh S working as Land surveyor in the Revenue Department under Govt. of Karnataka, explained about various opportunities in public sector for engineers. He stressed more on how to prepare for competitive exams by giving key tips on the areas to concentrate depending upon the position of the jobs called. He also enlightened students about the criteria to take up the public sector exams

Objectives:

- To educate and motivate the students to take up competitive exams.
- To enlighten students about various opportunities in public sector.

Outcomes:

- Will be able to take up public sector exams.

Alumni talk on

“Private job opportunities in India and Abroad”

(19/06/2021)

Organized by

Department of Electrical and Electronics Engineering

The Alumni talk had been organized by the department of Electrical and Electronics Engineering on 19/6/2021 for 8th semester students on online zoom platform to enlighten the students regarding the job opportunities in the private sector. Around 65 students attended the talk and got benefitted from this meet. Our Alumni Mr. Chandan Raja working as Technical Lead in Cognizant Technology Solutions, Canada, explained about various job opportunities in private sector for engineers. He stressed more about the key skills and software courses required to get jobs in private sector other than technical concepts. He also enlightened students about the job vacancies available in India and abroad in software field.

Objectives:

- To educate students about private job opportunities in India and abroad.
- To enlighten students about key skills and courses to be developed to get job opportunities in private sector.

Outcomes:

- The student was able to know skills and courses to be developed to get job in software field.
- The student was known about job vacancies in software field.
