

Internal Quality Assurance Cell – IQAC

Preamble:

To improve the quality of education to international standards in India, UGC has made it mandatory to have Internal Quality Assurance Cell (IQAC) in all HEIs. IQAC has to strategize plans for all round quality improvement of the Institution.

Objective

The main objective of IQAC being Quality Assurance as the name itself suggests (QA), will take all necessary Quality Initiatives (QI) for enhancement of quality in both Academic and Administrative Activities of the Institution. The IQAC channelizes and systematizes the efforts and measures of an institution towards academic excellence. The IQAC should become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

Composition:

IQAC works under the chairmanship of the Principal, with members selected from Students, Alumni and one eminent person from industry. IQAC also consists of professors from the Institution. A senior professor will be the coordinator of IQAC. IQAC of Sapthagiri College of Engineering is given in the following table.
