### 7.1.1 Specific facilities provided for women in terms of:

#### a) Safety and Security:

Safety on and around college campus is a key concern. Sapthagiri College of Engineering is highly committed to provide a safe and secure environment for all the stakeholders to function in an environment which is free from oppression, threat, and abuse or ragging. The College Management is highly committed to provide a zero tolerance zone for ragging, sexual abuse and ensure fundamental rights for all its stakeholders.

The College has taken many steps to ensure safety and security for all the stakeholders through the following initiatives:

1. The College has provided trained security personnel who are highly committed.
2. Identity Cards are mandatory for all the staff and students. Without a valid ID card no one is allowed to enter the campus.
3. 24X7 CCTV monitoring is ensured so that no untoward incident ever happens on the campus.
4. The College has a highly functional Anti-Ragging Cell which conducts many awareness programs as well as awareness drives so that every stakeholder is made abreast of the Ragging as a menace and the punishment clauses that are imminent in case of violation by anybody.
5. The Prevention of Sexual Harassment Cell called "Prathirodhana" creates an environment which has zero tolerance for sexual Harassment. It conducts various sensitivity programs besides taking many steps as per Vishaka Guidelines.
6. The Women Empowerment Cell called "Samarthini" has been formed to organize various programs to create gender sensitivity and gender equity, viz. Self Defence Training programs, Talks and various activities.
7. A Laboratory Manual has been developed to prescribe the Do's and Don'ts to ensure a secure and safe laboratory space for the students as well as the teachers. And also do's and don'ts board has been put up on the walls in the laboratories.
8. Fire Extinguishers have been put in place to ensure safety of the stakeholders in case of fire emergencies. Also Fire Extinguishers refilling will be done accordingly.
9. Breath analyser has been introduced in both girls and boys hostel.

Bengaluru - 560 057

10. 24X7 CCTV monitoring is ensured in both Girls and Boys Hostel to make sure no untoward incident happens.
11. It is necessary for everyone to be aware of traffic signs and road rules. Traffic signs can give important information that can ensure safety and also awareness of road rules can lower chances of accidents. College conducted road jatha to create awareness about the traffic rules and the importance of wearing a helmet.

#### **A webinar on “How to lead a life with Covid-19”**

**2020-2021 (ODD SEM)**

The Student Counselling Committee had organized a webinar on “How to lead a life with Covid-19” on 16-10-2020 by Sri.Bhagavan. S, Chairman of advisory board, Eneffen Technologies private Ltd, was the speaker.

The Webinar was started with Welcome Speech by Dr.H. Ramakrishna, introduction of the guest by Dr.G. Raghavendra followed by vote of thanks by Prof. Ravi.K.N..

In the wake of coronavirus, several schools and colleges have been shut in many parts of the world to contain the spread of COVID-19. As public awareness and conversations around the novel virus increase, the situation can get the students anxious and worried for their family members and friends. In this sense our speaker Sri.Bhagavan shared few tips to help make the corona conversation easier around students.
