HASIRU (ECO CLUB) REPORT

Name of the Event organized	Swatch Sapthagiri Abhiyan
Date and Day	12 th January 2021
Issues addressed	Impact of waste on the Environment, aquatic organism, animals and human society
Place of the event conducted	Sapthagiri Campus
Participants	350 Volunteers of ECO, NSS, Health & Community clubs.

Swatch Bharath Mission is a Central Government program launched by Our Honorable Prime Minister **Sri. Narendra Modi** on 02 October 2014. The main objective of this mission is to bring awareness with the people & public on cleanliness of the surrounding & environment where we live in.

Team NSS, HASIRU Club, Health club and Community club student volunteers collectively organized an event "**Swatch Sapthagiri Abhiyan**" at Sapthagiri College of Engineering campus on The program was inaugurated by the team of "**Swatch Karnataka**" Movie Team consisting of **Padmasri awardee Sri. Dodda Range Gowda jii**(Poet & Veteran actor, Sandalwood), **Mr. Arjun Chauhan**(Lead Actor), **Kum. Anjali R** (Lead Actress & Proud Alumni of Biotechnology Department, SCE) and our Principal Dr. Ramakrishna H along with Prof. Prashanth Kumar H P (Convener, ECO club) & Prof. Tulsidas (Program Officer NSS & Convener, Community club) and Dr. Ragavendra (Convener, Health Club).

During the Inaugural function **Padmasri awardee Sri. Dodda Range Gowda ji**, spoke about the moral of Swatchh Karnataka movie and gave a message for the young volunteers to have clean environment in the class, near their house & public places too. **Mr. Arjun** inspired the students with his speech, how he made entry in to film field and also, intimated students to be the role models with good personality and

HASIRU (ECO CLUB) REPORT

Name of the Event organized	Plastic Awareness Campaign
Date and Day	
Issues addressed	Impact of plastic and waste on aquatic organism, animals and human society
Place of the event conducted	Sapthagiri Campus
Participants	200 volunteers of ECO, Community Club and NSS

Team of faculty and student volunteers organized an event "Plastic Awareness campaign" at Sapthagiri College of Engineering Campus on The Program was organized and co-ordinated by Prof. Prashanth Kumar H P (ECO club) & Prof. Tulsidas (NSS & Community club) along with students of ECO, NSS & Community club. Different department Students and Teachers were informed about the impact of pollution from the usage of plastic. The various effects of plastic materials & bags on the environment are really harmful. While there are many objections to the banning to plastic bags based solely on their convenience, the damage to the environment needs to be controlled. While reusing them is the first step, so often the best that citizens can do.

The volunteers, staff & teachers went around the campus to collect the plastic rappers, covers, bottles, other plastic materials and dumped in one placed to clean the campus. These collected materials were provided to BBMP and evacuated from the campus. Our students felt happy for the work what they carried out showing social responsibility and commitment towards the college & its Environment.

With the help of teachers, volunteers of both the ECO, NSS & Community club joined hands to make plastic free area. The awareness is also created among the students and teachers by conducting different sessions.

JAN ANDOLAN

The 'Jan Andolan' campaign comes ahead of festivals and the winter season and amid the opening up of the economy. In a statement, the ministry said it has started the Jan Andolan campaign on COVID-19. "This campaign is regarding the Public Health Response to COVID-19: Campaign for COVID-Appropriate behaviour' which was launched by Prime Minister Narendra Modi this month to encourage people across the country to adopt COVID appropriate behaviour in view of the upcoming festivals and winter season. The Union government on Thursday launched a public awareness drive as part of its fight against Covid-19, with Prime Minister Narendra Modi and his ministerial colleagues asking people to take precautions like wearing masks and maintaining social distancing.

National Service Scheme (SWAYAM SEVA) NSS UNIT and ECO CLUB (HASIRU) of Sapthagiri College of Engineering organized "**COVID Awareness Drive**" on Saturday, 10th October 2020. The program involved in taking pledge on COVID-19 by the Staff/students in the presence of NSS Coordinator Dr.Tulsidas D, Prashanth Kumar H P(Convener, HASIRU club) and cordially supported by the management, Principal Dr. H Ramakrishna, SCE, Bengaluru. 150 staff members and 33 students took pledge on this occasion.

Pledge taking by the staff/students

COVID-19 Pledge

Pledge

I _____ commit to be vigilant and bear in mind at all times, the risk to myself and my colleagues from COVID-19.

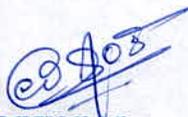

I promise to take all necessary precautions that prevent the spread of this deadly virus. I promise to follow and encourage others to follow the key COVID Appropriate Behaviours.

To always wear a mask / face cover, especially when in public places.

To maintain a minimum distance of 6 feet from others

To wash my hands, frequently and thoroughly with soap and water.

Together we will win this fight against COVID-19.

Drug Awareness and Prevention for healthy Society

Drug is any substance (with the exception of food and water) which, when taken into the body, alters the body's function either physically and/or psychologically. Drugs may be legal (e.g. alcohol, caffeine and tobacco) or illegal (e.g. cannabis, ecstasy, cocaine and heroin). Drug (substance) abuse has become a worldwide menace. No part of the world is free from the curse of drug addiction. Drug abuse has emerged as a serious concern, adversely affecting the physical and socio-economic well-being of the country. It has enormous presence on public health across various sections of society. The epidemic of drug abuse in younger generation has assumed alarming dimensions in India. The stress and strain of the modern-day life has rendered the individual more vulnerable to the problem of substance abuse. Addiction to alcohol/drugs not only affects the individual involved, but also the family and society at large.

National Service Scheme (SWAYAM SEVA) NSS UNIT of Sapthagiri College of Engineering in association with **ECO club and health club** organized webinar on “Drug Awareness and Prevention for Healthy Society” on 9th November 2020. The webinar was delivered by Smt. Reena Suvarna, IPS, Asst. Commissioner of Police, Bengaluru North and Dr.Gundappa Devikeri, Head of the department, MSW, Bengaluru North University, Kolar. The sessions were attended by the Principal, Heads of departments, faculties & students of SCE .The program involved with 2sessions and started with welcome speech Prof .Prashanth Kumar H P in presence of NSS Coordinator Dr.Tulsidas D along with the Staff cordially supported by the management, Principal Dr. H Ramakrishna, SCE, Bengaluru

Dr Raghavendra G
Health Club

DR. GUNDAPPA DEVIKERI and SMT. REENA SUVARNA [IPS, ACP] were eminent speakers of this webinar. Dr. TULSIDAS D., NSS Convener, DR. RAGHAVENDRA, Health Club Convener, Prof .PRASHANTH KUMAR H P, ECO club Convener and DR. H. RAMAKRISHNA, Principal were also prominent participants of this webinar.

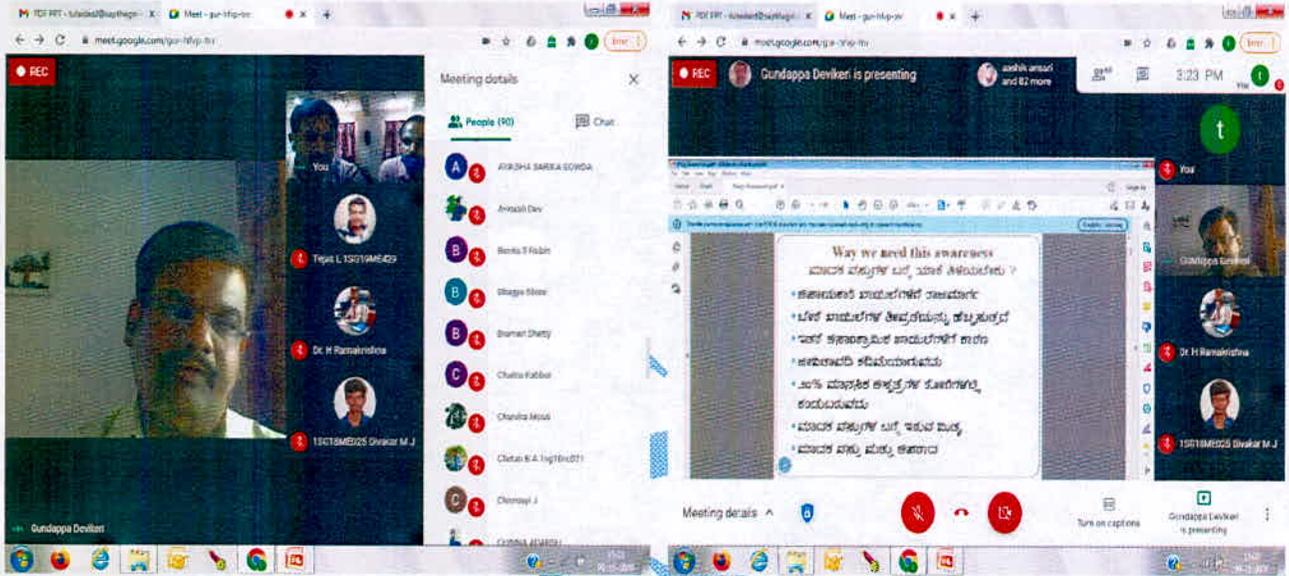

Firstly, Mrs Reena Suvarna talked about how students and youths are falling in this trap of drugs and other harmful toxic substances with or without the intention to do so. She predicted that percentage of drug consumption among youth in Karnataka might increase in future and might also surpass Punjab state in future. She requested us to concentrate only on good and useful things to improve our health and life. She stated that first twenty/twenty-five years of a person's life should be used to build his career which will provide him/her every necessity till their life end. She also warned about circulation of LSD stipes and tablets, cocaine, ganjas, etc. around us and remain away from all these for a better and meaningful life. Before she exited webinar, Dr. Tulsidas proudly said that there were no such cases related to drugs around our college till today. Our principal conveyed his greetings to her and thanked her for participating in the webinar.

Drug awareness by Mrs Reena Suvarna

Later Dr. Gundappa devikeri presented a ppt which informed us about drug abuse, it's reasons, preventive measures etc. He clarified that happiness, illusions, excitement by consumption of drugs are nothing but a myth and no good thing will occur by doing so. It was very sad to know that even school students and teenagers are going step ahead of becoming drug addicts by consuming thinner or whitener either through mouth or nostrils.

World No Tobacco Day 2021

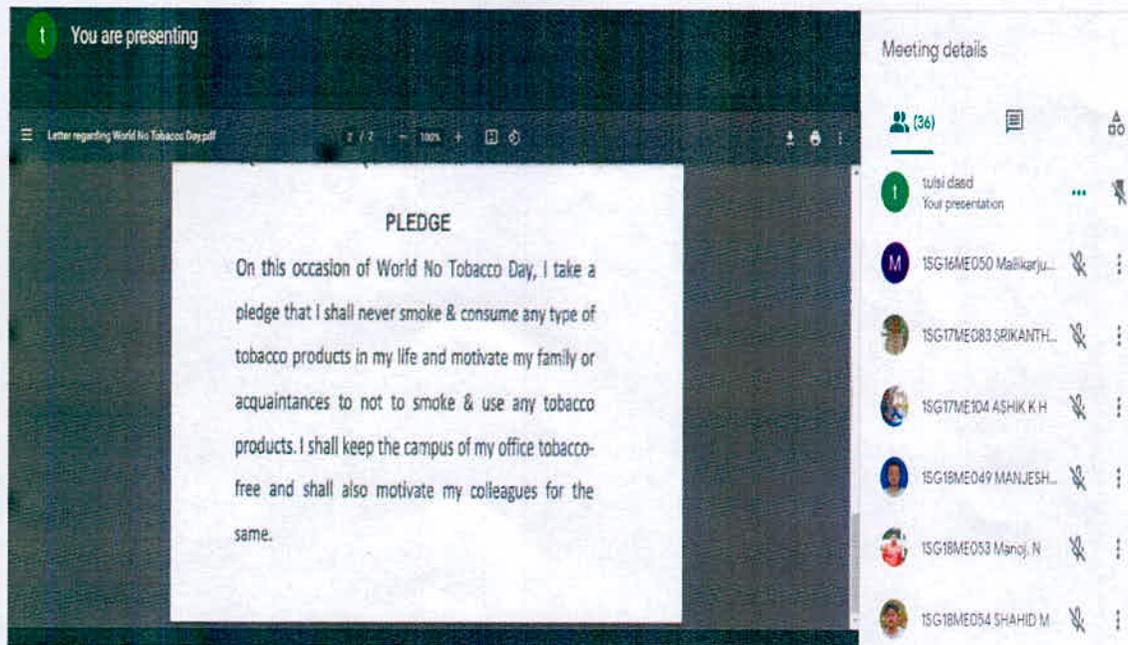

This day is celebrated to spread awareness about tobacco's harmful effects. This is no news that tobacco is extremely harmful for health and there are 5 million people who lose their lives due to tobacco every year. Today on World No Tobacco Day 2021 people take a step to spread awareness on the danger of tobacco and what ways this substance can harm one's system. The day is annually observed on May 31st and was started by the World Health Organization.

According to WHO, 50 per cent of smokers are more at risk of contracting COVID-19 than non-smokers. "So quitting is the best thing they can do to lower their risk from corona virus, as well as the risk of developing cancers, heart diseases and respiratory illnesses," WHO statement added. On this day, WHO organises exhibitions or activities in school and colleges to spread awareness. This year the theme of this special day is "Commit to Quit".

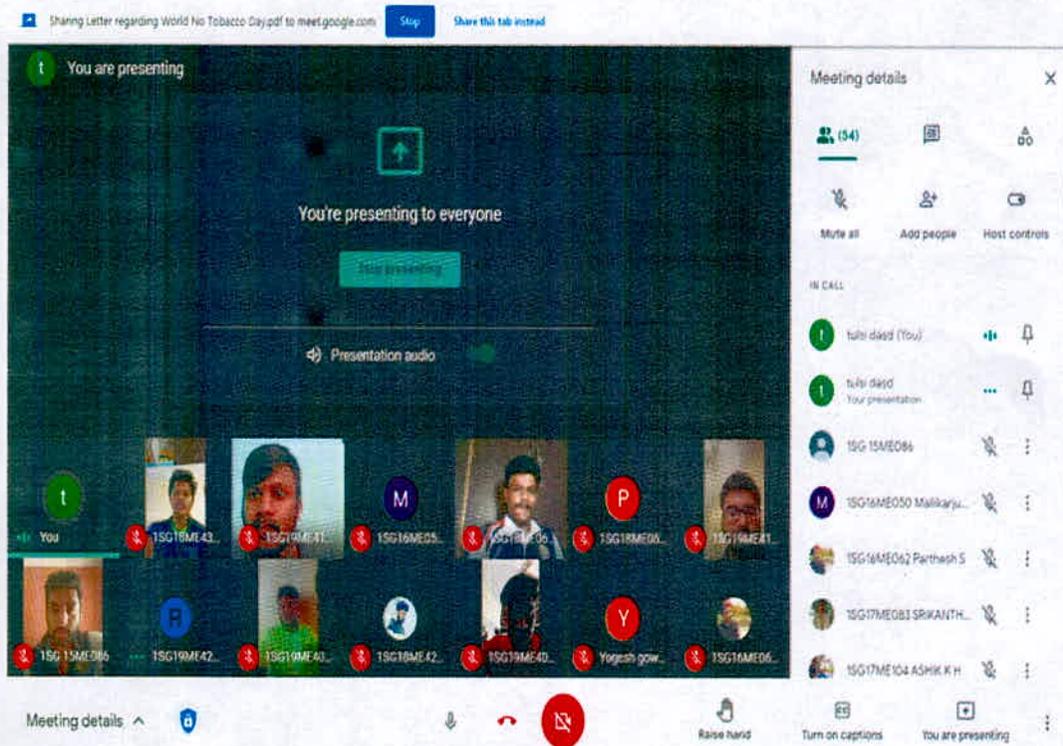

National Service Scheme (SWAYAM SEVA) NSS UNIT of Sapthagiri College of Engineering in association with ECO club and Health club organized Virtual mode of awareness to students an dtaking pledge on NO Tobacco Day on 31st May 2021. The program started with welcome speech by NSS Coordinator Dr.Tulsidas D. and pledge taking by the students which was cordially supported by the management, Principal Dr. H Ramakrishna, SCE, Bengaluru

PLEDGE

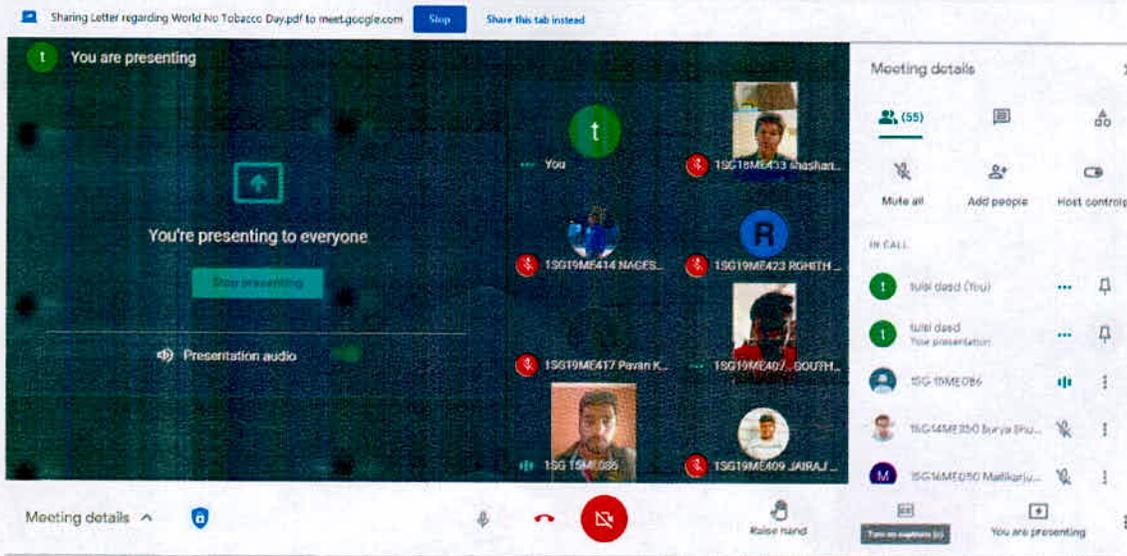

On this occasion of World No Tobacco Day, I take a pledge that I shall never smoke & consume any type of tobacco products in my life and motivate my family or acquaintances to not to smoke & use any tobacco products. I shall keep the campus of my office tobacco-free and shall also motivate my colleagues for the same.

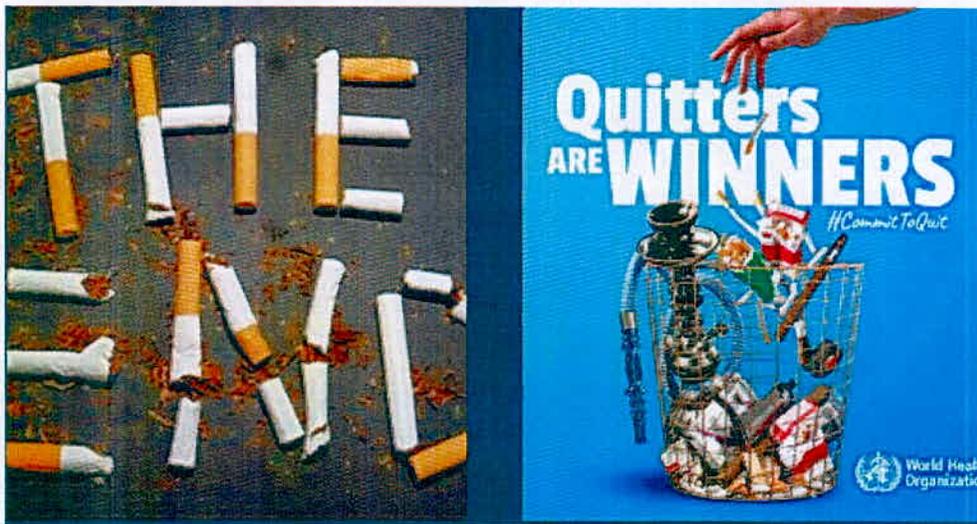

Students ready to take pledge in Virtual mode
