SAPTHAGIRI COLLEGE OF ENGINEERING

(Affiliated to Visvesvaraya Technological University, Belagavi & Approved by AICTE, New Delhi)
Accredited by Naac 'A' grade, An ISO 9001:2015 & ISO 14001:2015 Certified Institution)
#14/5, Chikkasandra, Hesaraghatta Main Road, Bengaluru – 560057
Phone:080-28372800/1/2   www.sapthagiri.edu.in   Fax: 080-28372797

Strategic Perspective Plan of Sapthagiri College of Engineering for the year 2021-2022

Sl. No.	Dept/ Committee	Chronology	Plan	Description	Strategy	Funds/ Budget	Remarks
1	IQAC	From August 2021	Collection and review of Monthly Activity Reports	To review and record monthly activities conducted by departments.	To guide the departments to organize activities involving students	–	
		December 2021	Preparation of AQAR - 2020-21	Review and submission of annual report to NAAC	Preparation of Annual reports as per the NAAC format an upload in the NAAC website	–	
		June 2022	Preparation of Mandatory Dsclosures	Preparation and submission of Mandatory disclosure to AICTE	To prepare thr mandatory discloures as per the AICTE requirements and submit the report	–	
		August 2021 to July 2022	Review of Daily Class Taken Report	Monitor the attendance of students	To improve the students attendance, Encourage students to be regular to classes	–	
		Second week of April	Organizing Faculty Development Program	Update the faculties on latest tools / techniques used in teaching -learning process	To provide the information on letest tools / trends in teching-learning		
		Second Week of July 2021	Organizing ICGCP-2022	Providing an oppartunity for students and Research scholors to present their research work.	Encourage research scholars to write reearch proposals and involve in research work	–	
		I week of February 2022	Reviw and submission of KSCST Project Proposals	Provide guidelines for students to prepare proposal and submit for funds.	Encourage students to write reearch proposals and involve in research work		
		Second week of May 2022	Reviw and submission of VGST Project Proposals	Providing an oppartunity for faculty to submit their proposals for funding	Motivate faculty on writing proposals related to their research work.		
		Second week of June	Collection and review of Activity Points Reports	Consildation of activity points reports from final year students	Encourage students to participate in extension / social service activities		
		First week of March 2022	Collection and Review of CO-PO Mapping for 2021 courses	Course outcome and Program outcomes mapping for 2021 Course for first semeser courses	Prepare mapping and include activities for stregthening Co-Po mapping		
		Third week of March 2022	Talk on ' E- Resources for Academic and Research Excellence in Engineering and Technology'	Talk on various E-Resources vailable for carrying out academic research work	Provide complete information and encourage faculties to make use of E-Resources		
		Seoncd week of July	Review and submission of VTU best projects	To prepare and submit the research proposals of students.	Encourage students to write reearch proposals and involve in research work		
		4th week of August 2021	Hands on traning on Missing link of Computational Biology in Wet lab research	Hands on training conducted by resource person Mr. Abhishek B. Vaidya, Doctoral student, Icahn School of Medicine, Mount Sinai, USA	Students were able to understand the importance of analyzing wet lab research data. Students were able to understand and use softwares to interpreate huge biological data		
		4th week of September 202	Workshop on "Agribusiness Entrepreneurshi	Workshop was conducted for Faculties The session was addressed by Mr. Khoushik and Mr. Srikanth, NAAVIC, ICAR.	The motive of the workshop was to encourage and provide the faculty on resent advances in Agri research. In this direction the speakers addressed how to write the proposal for the project, what are the key points to be addressed, significant sectors of research, IPR and many more.		

Sapthagiri College of Engineerin
14/5, Chikkasandra, Hesaraghatta Main Ro
Bengaluru - 560 057

4th week of September 2021	Faculty Development Program: Recent Advanced Technologies for The Development Of Biosensors And Their Applications	Resource personal were invited from reputed institutes Day 1: 27th Sep 2021 (Monday) Dr. Rajmohan B. PhD (IITK), Professor NITK Dr. PrasannaKumar S Mural. PhD (IISc), Assistant Professor, NITC Day 2: 28th Sep 2021 (Tuesday) Dr. P. E. Jagadeesh Babu. PhD, Professor, NITK Dr. T. K. Jagannathan. PhD (IITM), Associate Professor, NITK Day 3: 29th Sep 2021 (Wednesday) Dr. Simranjeet Singh, Post doc fellow, ICWaR Dr. Alex Joseph. PhD (IISc), Assistant Professor of Chemistry, Newman College Day 4: 29th Sep 2021 (Thursday) Dr. Indu Pandey Tiwary. PhD (IIT, BHU), Assistant Professor, Dayanand Sagar University Dr. J S S Allwin Ebinesar. PhD (IISc), Associate Professor, SCE Day 5: 01st Oct 2021 (Friday)	Faculty Development Program (FDP) programme was conducted, participants were faculties and young researchers. To upgrade the skills & knowledge in their fields to know the advances in research. Apart from imparting knowledge & skills to the stakeholders, engineering institutions have the responsibility of developing new & novel technologies useful for mankind. Also to introduce the participants to know the current & emerging research areas in the field of biosensor and give an insight into how and where it can be applied.		
2nd week of October 2021	Cultural Event	The Department of Biotechnology on the occasion of NAVARATRI conducted few events (Rangoli and Photography) for Students under the banner of Shrishti BT forum on 13-10-2021.	Rangoli is a traditional form that brightens up an occasion and is believed to be harbinger of good luck. This fulfilled event witnessed enthusiastic participation. The main aim of this event was to encourage and develop the social skills and interaction among the students.		
4th week of October 2021	Sports Event	Intra Department Cricket Tournament	The Department of Biotechnology in collaboration with Shristi Forum group organized a Cricket Tournament. The matches were played between the four groups named accordingly – Sushrutha, VS Ramachandran, CN Rao, Charaka. The Groups consists of students from all the semesters. One team per group was formed by the coordinators of the respective groups. Each team consisted of 15 players.		
2nd week of November 2021	Industrial Visit	7th semester students visited KRISHIMELA 2021 GKVK, Bangalore.	The main motive of industrial visit is to showcase students about the latest agricultural technologies that farmers can use, students were exposed to various disciples of agriculture to inculcate entrepreneurship skills among themselves so that one can learn and implement new technologies in their work.		
2nd week of November 2021	Virtual Quiz	Virtual Quiz on the account of world Diabetes Day.	The main aim of arranging the quiz is to know the importance of world diabetes day and to impart knowledge about diabetes at undergraduate level and E-certificate was provided for all the participants.		

2nd week of November 2021	Webinar on Plant Breeding, Heterosis and Apomixis in crop improvement	Webinar was conducted for Seventh semester Students The session was addressed by Dr. Shashidhara K.S., MSc (Bioinf)., MSc (Agri)., PhD., PDF (USA), Assistant Professor, Department of Genetics and Plant Breeding College of Agriculture, University of Agricultural Sciences (Bangalore)	The motive of the webinar was provide knowledge of plant breeding process, hetrosis and apomixis and recent research in plant breeding. Speaker highlighted about different techniques of plant breeding taking wheat, sugarcane, maize as an examples		
4th week of November 2021	Alumni Talk on "Career Opportunities in Biotechnology "	The Speakers were Proud alumni's of BT Dept Mr. Sagar S, Scientist at Skanda life science ltd . Ms Pooja Singh, Ad operations and analyst exheceutive Genisys Group, b'lore; Ms Harshitha G, Entrepreneur, Dev Agro Farma, b'lore	The main aim of organizing this event is to give exposure to significance of biotechnology field for 1st year students.		
2nd week of December 2021	Industrial Visit	One day industrial visit was organized to Biotechnology Centre located in Hulimvu, Bangalore – 560076, on 10th December 2021 for Seventh Sem students	The main motive of the industrial visit was provide knowledge about various techniques involved in Agricultural Biotechnology such as plant tissue culture, Mushroom cultivation and Vermicomposting.		
3rd week of December 2021	Symposium on Exploring the applications of IPR in Academics	The Symposium was conducted in two session at 10 am to 11am & 2pm to 3pm on 16/12/2021. The session was addressed by Mr. B Vivek Anand Sagar Consultant & IP Attorney, KSCST and Mr. Nagarjun M G Project Associate, KSCST.	The motive of the Symposium was provide knowledge of IPR and patent filing.		
4th week of December 2021	Tribute Program and Silent Prayers	The event was conducted in the presence of the principal. This gathering was to mourn for the departed souls from the tragic helicopter crash which took place on 8th December, 2021	• To pay our respects and mourn for the departed souls who died in the recent Helicopter crash at Conoor, Tamil Nadu • To pay tribute and learn about the contributions of General Bipin Rawat to the armed forces.		
4th week of January 2022	Webinar on Entrepreneurship opportunities in Biotechnology	The session was addressed by Mr Baburao Vikram, Director, Pharecxel Consultants	To explore Entrepreneurship opportunities in different sectors of Biotechnology and understand the working of Regulatory affairs in companies		
4th week of January 2022	Online Quiz	World Leprosy Eradication Day 2022	• To create general awareness about Leprosy • Role and importance of eradicating Leprosy		
2nd week of Febuary 2022	Webinar on The Importance and Role of Intellectual Property rights in our day to day life	Webinar was conducted by Mrs. Sridevi. N, B.A,LLB (Robert Gordon University, Aberdeen, Scotland), Legal Associate: Surana and Surana International Attorneys Cobra Legal Solutions, Chennai HSB Partners & Advocates, Chennai.	The main objective of IPR is to create public awareness about the benefits of Intellectual property among all sections of society. While stimulate the creation and growth of intellectual property by undertaking relevant measures.		
4th week of Febuary 2022	Online Quiz	National Science Day 2022	• General awareness about National Science Day • Role and importance of Science and technology		

2	**BT**	1st week of March 2022	Webinar on Health and Wellness	Webinar on Health and Wellness was conducted on the account of "National Obesity day" The session was addressed by Dr. Deepak Deginal, Yogakshema clinic, Bangalore	The main aim of arranging the webinar is to know the importance of World obesity Day and to impart knowledge about Health and wellness at undergraduate level and to manage stress	
		1st week of March 2022	Hands on training	PCR & its Variants	To understand and provide training regarding –"Working with PCR machine"	
		2nd week of March 2022	Debate Competition	The Voice of the Brain, Debate Competition was held for 3rd Sem students	• General awareness about Science and technology and its importance and limitations among society • An opportunity for students to actively participate in debate competition and share their thought	
		2nd week of March 2022	Mini project exhibition	Mini project exhibition was conducted for "3th Sem students"	Importance of science and technology in education as they are closely associated with humans in all aspects • Practical exposure to students, on science based models and experiments • Helps in communication skill and team work • Recent technologies in the field of biotechnology	
		3rd week of March 2022	Mini project exhibition	Mini project exhibition "5th Sem students"	• Helps a student to manage the project in multidisciplinary aspects • Design and documentation of report, effective presentation and solution in society and environmental contest and sustainable management. • Helps in communication skill and team work • Recent technologies in the field of biotechnology	
		3rd week of April 2022	Webinar: Comprehensive Masters Program and career Development in Biotechnology and Biomedical Engineering.	The session was addressed by Mr. Abhijith Yenikekaluva, Senior Career Advisor, Skill lync, Bangalore	• How Biomedical tools and equipments are useful • Role of Biotechnology and Biomedicine in future trend • Career Development in Biotechnology and Biomedicine	
		3rd week of April 2022	Plantation drive Hebbetageri village	The event was successfully completed and coordinated by Mr. Kaushik P M, 8th sem, SCE, Bangalore.	The main aim of arranging the drive was to plant trees in flood affected areas of Kodagu. A total of 10 members participated in the drive.	
		4th week of April 2022	Importance of Mental Health among Youth and Yoga for better Mental Health	Dr. Sudhir Hebbar, Prof and Head, Dept of Psychiatry, SIMS and RC, Bengaluru	• General awareness about Health • Yoga and Dhyana for Stress management	
		4th week of April 2022	World Health Day Quiz	The Quiz Inter departmental. A total of 6 teams each consisting of 4 members of other departments successfully participated in the quiz. The departments participated in the Quiz competation was BT, EEE, CIVIL and MECHANICAL	The main aim of arranging this quiz is to know the importance of health and impart knowledge about health care and prevent getting exposed to anything that can halter our health conditions as the saying goes "Prevention is better than cure".	

4th week of April 2022	Quiz	Quiz was conducted for 6th Sem students on the account of World DNA Day 2022	The main aim of arranging the quiz is to know the importance of World DNA Day and to impart knowledge about Genetics at undergraduate level. A total of 32 members successfully participated in the quiz.			
2nd week of May 2022	National Technology Day 2022	Inter department competition was conducted on account of National Technology Day literary events like speech, debate, and essay writing were organised with topics related to Technology so as to educate the students regarding the same.	• To Create awareness among people about the importance of technology, its utility for the overall development of the country. • To Learn, recall and celebrate the achievements of Indian scientist and engineers. • To acknowledge India's technical advancement. • To promote the development of technology in various sector.			
4th week of May 2022	Guest Lecture: Importance of ethics in research publications	Resource Person: Dr. Govindappa M, Professor, Department of Studies in Botany, Davangere University, Shivagangothri, Davangere-577 007.	The main objective of ethics in research publications are: • Protecting human participants; • Ensuring that research is done in a manner which serves the interests of people, groups or society; • Examining research projects and activities for their ethical standards, checking for things like risk management, safeguarding of confidentiality and the procedure of informed consent.			
4th week of May 2022	Workshop on Handling Fluorescent and Dark field microscopes	Resource Person: Dr. Hemavathi, Professor, Department of Microboiology, Sapthagiri Institute of Medical sciences, Bangalore 57	To understand about and working of the Dynamic 3D imaging of various cellular level dynamics			
4th week of May 2022	Seminar on Successful career planning, Higher Education and Technical Profile building	Seminar was delivered by Mr. Abhishek Guptha, Founding members career lab, Ex Accenture consultant GMAT, Higher Education Partner AICTE.	• To guide us regarding the various career and study opportunities after Bachelor's course • Pros and Cons of the various Study opportunities for Masters in abroad and India			
2nd week of June 2022	Industrial Visit:	"Doddabele Waste Water Treatment" Industrial Visit: Doddabele Sewage Treatment Plant at Doddabele, Kengeri	To understand how waste water is being treated in different stages; Advantages of having Sewage Treatment Plant (STP); Implementation of STP in various place.			
3rd week of June 2022	Quiz	Quiz was conducted on the account of Environment and its Protection	The objective of the quiz is to create awareness about Environment, Ecology and Biodiversity. Environmental protection is the practice of protecting the natural environment by individuals, organizations and governments. Its objectives are to conserve natural resources and the existing natural environment and, where possible, to repair damage and reverse trends.			

Date	Event	Description	Objective	Facility
4th week of June 2022	Project Exhibition	Project Exhibition was conducted for 8th Sem Students	Major objective of organizing this exhibition was to provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning	
3rd week of July 2022	Seminar	One Day Seminar: "Post Transcriptional Regulation Of Molecules Involved In Secondary Signalling Pathway In Neurons" Speaker: Mr. JAGANNATH J (M.Tech, IIT Kanpur), Research Assistant, Department of Neuroscience, IISc, Bangalore	To impart Knowledge about signaling pathway	
3rd week of July 2022	Mini Project Exhibition	"Mini Project Exhibition-2022 for 6th Sem Students"	• Main Objective of organizing this event is to provide the platform and unleash the potential of the students by showcasing their innovativeness and creativity. This provides opportunity for the students to demonstrate their learning experience.	
4th week of July 2022	Industrial Visit	Industrial Visit to IIHR for 4th Sem Students	To understand the techniques of Tissue culture and Mushroom Culture.	
4th week of July 2022	Seminar	One Day Seminar: Routes To Higher Education Speaker: Mr. JAGANNATH J (M.Tech, IIT Kanpur), Research Assistant, Department of Neuroscience, IISc, Bangalore	To guide the students regarding Pathways available for Higher education.	
26/10/2021	Seminar on Need for Industry readiness and higher education abroad	Delivered by 1st session Er. Ashok Kumar Founder & CEO, CMTI, 2nd session Er. nagaraj MD, Infinity PMC, 3rd session Mr Raghu, High Tech Constructions, 4th Session Mr. Kunal Shah Consultant, Stencil	To train the Students for getting jobs in Construction Create awareness among the students on need for proper career planning and to motivate students to go for higher studies and profile building	Available facility in the college are used.
11/11/2021 to 13/11/2021	Induction Programme on Artificial Intelligence in Civil Engineering	Technical Talk by External Resource Person	To train the Participants to actively takeup new thrust emerging areas. Advance course on AI for Civil Engineering in Design, Construction, maintenance and disaster Management	Available facility in the college are used.
6/12/20121 to 10/12/2021	Five Days Hands on Training on Revit Archi	Hands on Training on Revit by external resource person	To train the students to Setup a project and transfer standards between projects. Representation of models in architectural model, and work with elevation, section and 3D views. And also Describe building information modelling methodology and its benefits.	Collected from the Students Rs 9250/-

Date	Event	Description	Objective	Funding	
12/3/2022	Mini Project Exhibition	Mini Project Exhibition for 3rd Semester Students	The main object is to get knowledge about current topics in Civil engineering. To improve skills in model making, presentation and explanation. To motivate themselves and others to conduct major projects and events in future.	Available facility in the college are used.	
11/4/2022 to 21/4/2022	Extensive Survey Camp	Project guided by faculties to Students	To restore or enhancing the capacity of the existing reservoir which has lost its original capacity due to desilting or damages to original Construction and to propose for any rise in height of bund and waste weir etc. To identify the Storage Capacity of New Tank. To identify the Alignment of the Road and planning for future development and anticipated traffic needs for a specific design period. Understand the practical applications of surveying and use of Total station and other measuring equipment's and work in teams and learn time management, communication and presentation skills.	Collected from the Students Rs 3,57,500 /-	
13/4/2022	Medical Camp on account of World Health Day	Medical awareness programme by Dr. M Mahendra, Senior Physician, Bowring and Lady Curzon Hospital, Bengaluru	To screen the patients in village at their door step and to give health related awareness, distribute medicines to treat common diseases and refer as the case may be for surgery/treatment.		
20/4/2022	Swachh Bharath Abhiyana	Students and faculties of Sapthagiri engineering college in Melkote	1) To eliminate or reduce open defecation. 2) To keep villages clean, solid and liquid waste management will be ensured through Gram Panchayats. 3)To lay water pipelines invillages, ensuring water supply to all households.		
20/4/2022	AICTE Activity Points	Awareness Programme for the people of Melkote by Students and faculties of Sapthagiri engineering college	To expose students to real time life challenges, to provide the opportunity to gather data, analyse data, propose solutions and implement solutions.		
30/4/2022	Miles Day	1. To provide an oppartunity for students to participate in various events ralated to Value engineering. 2. To create awareness on the basics of value engineering and its scope.	1. To promote functional thinking in students. 2. To encourage students to present their ideas on value Engineering concepts.	Available facility in the college are used.	
5/5/2022	World Water Day	Presentation by Dr H K Ramaraju	1) World water Day mainly focuses on increasing awareness of the importance of water. 2) To influence everyone in the world to know the importance of water.	Funded Rs:3000/- by the Management	

3	CV	30/5/2022	Career Opportunities in Construction Industry	Career Guidance talk by External resource person	The seminar gave the students information Indian Economy with construction industry, construction job profiles and companies, Future of Construction Industry and also Technology used in current construction field.	Available facility in the college are used.	
		27/5/2022 to 4/6/2022	Five Days Hands on Training on Revit Architecture	Hands on training on Revit Architecture by external resource person	To train the students to Setup a project and transfer standards between projects. Representation of models in architectural model, and work with elevation, section and 3D views. And also Describe building information modelling methodology and its benefits.	Collected from the Students Rs 55000/-	
		27/6/2022	Seminar on Abroad Studies	Technical talk by External resource person	To indentify Cost effective travelling and accomadation and to identify industry trendsand subject selection based on skill parameters	Available facility in the college are used.	
		01/07/2022	Major Project Exhibition-2022	Conducted for Final year students	The main Object of this event is presenting thier final year projects. To show materials,tested blocks and methodology followed in thier respective projects. To motivate and encourage junior students to conduct interesting projects and events in future.	Available facility in the college are used.	
		07/07/2022	Seminar on Ready Mixed Concrete	Technical talk by External resource person	The main object of this event is to know about RMC Plant, working process in site. To know assembly of component parts of RMC, control panel and operation room/server room building To understand batching, and transportation of concrete to site.	Available facility in the college are used.	
		07/07/2022	Site visit to RMC Plant	RMC Plant from 6th semester students	The main object of this event is to know about RMC Plant, working process in site. To know assembly of component parts of RMC, control panel and operation room/server room building To understand batching, and transportation of concrete to site.	Available facility in the college are used.	
		11/07/2022	Technical Talk on Geographic Information System	Technical talk by External resource person	To know the necessity of GIS. To create shape files for point,lines and polygon features with a map reference. Conducted hands on sessions for the same topic and create decision maps for specific purposes.	Funded Rs:3000/- by the Management	

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

Date	Event	Description	Objective	Funding/Facility	
12/07/2022	World Environmental Day with Mini Project Exhibition	Conducted for 6th Semester students	The main Object of this event is presenting thier final year projects. To show materials,tested blocks and methodology followed in thier respective projects. To motivate and encourage junior students to conduct interesting projects and events in future.	Available facility in the college are used.	
15/07/2022	Site Visit C Block Sapthagiri NPS University	Students of 6th Semester visit to C Block Sapthagiri NPS University	To enhance the Knowledge of Construction of reinforced concrete Structures on Site for Students.	Available facility in the college are used.	
26/07/2022	Sewage Treatment Plant Visit, Yelahanka	Sewage Plant visit for 4th Semester Students	To enhance the Knowledge of Construction and working of Domestic waste water treatment plant for students	Funded Rs:415/- by the Managemen	
29/07/2022	Construction Site visit	Construction site visit from 4th Semester Students	To enhance the Knowledge of Construction of reinforced concrete Framed Structures on Site for Students.	Available facility in the college are used.	
29/8/2022	Mini Project Exhibition	Conducted for 4th Semester students	The main object is to get knowledge about current topics in Civil engineering. To improve skills in model making, presentation and explanation. To motivate themselves and others to conduct major projects and events in future.	Available facility in the college are used.	
12-07-2021	Equiz on C programming	Organized E-Quiz on C Programming "C Programming" for first year students	To enhance c programming knowledge in first year students		
13-07-2021	Webinar on Opportunities in Indian Air force	Webinar was conducted to students in order to have awareness about Indian defence especially Indian air force.	Webinar was conducted to students in order to have awareness about Indian defence.		
06-09-2021	Technical Talk	webinar on "building careers through internship programs".	to educated final year students on building careers through internship programs.		
29-09-2021	Online C Coding and Debugging	E-Quiz on C Coding and Debugging was organised using virtual platform Google form.	The main purpose of the competition to develop interest in subject areas.		
27-09-2021 to 1-10-2021	Bridge Course on ADVANCED JAVA	by Mr. Abhishek K L, Assistant Professor, MSRIT for 5th semester CSE students.	Certification course on Advanced Java was conducted as bridge course.		
13-11-2021	Alumni Talk on CHALLENGES OF ENTERPRENEURSHIP	by Mr. Narahari Rao, founder & director, Chintamoney	To Inspire and nurture new entrants into the industry.		
27-11-2021	Webinar on FUTURE OF THE PROGRAMMING -	Resourse person Chethan Kumar S K, Senior Software Engineer DevTest Micro Focus	to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT Professionals		

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Roa
Bengaluru - 560 057

4	CSE	18-11-2021	Webinar on Benefits & Career Opportunities of GATE Exams	by Mr.DEEPANSHU BANSAL, The GATE Academy	To enhance the knowledge of Gate Exams for career opportunities for students		
		07-12-2021	Webinar on International Education reimagined by AECC Global	by Mr. Joel Norohno, Head of Operations, Karnataka and Kerala	To give an insight into Overseas education.		
		17-12-2021	Alumni Talk on Hyper-converged infrastructure of Cloud Computing Technology	by Resource Person Ms. Sharon Leo	To enhance the knowledge on infrastructure of Cloud Computing Technology		
		21-12-2021	Ph. D viva voce as R&D activity(online)	On the research work titled "Predictive Modeling for Non-Linear datain Bioinformatics".	Objective of R&D is to encourage and sustain excellence in Research and Innovation.		
		30-12-2021	Technical Talk on Why Masters in Abroad & Admission Process with Scholarship	Why Masters in Abroad & Admission Process with Scholarship by resource person Mr. Harish Kumar, Faculty Quant, Manya The Princeton Review	To enhance the knowledge of doing Masters in Abroad for career opportunities for students		
		05-01-2022	Technical Talk on Awareness of Microsoft Certifications on ML and AI using Python	Awareness of MS Certifications on ML and AI using Python by Mr. Manish Kumar, Head, Institutional collaboration , ATS	Learning solutions	To create Awareness of MS Certifications on ML and AI using Python.		
		27-01-2022	Webinar on Data engineering	The webinar on Data engineering by AECC Global by Mr. Abhishekh Verma , Big Data Engineer at ZS Associates	To Educate regarding Data Engineering and its Applications.		
		24-02-2022	Equiz to Test Your C Programming Skills	To evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions.	The main purpose of the competition to develop interest in subject areas.		
		25-02-2022	Webinar on Intelligent Automation	The webinar on Intelligent Automation by Dylan Saldanha , Senior Software Engineer LTI	To Educate regarding Intelligent Automation		
		08-03-2022	Mini Project Exhibition(3rd Semester)	MINI PROJECT EXHIBITION by 3rd sem students	to provide the students a platform to unleash their potentials.		
		17-03-2022	Equiz on Test Your C Programming Skills series 2	"Test Your C Programming Skills series 2" through virtual platform	The main purpose of the competition to develop interest in competitive aspects.		
		18-03-2022	Mini Project Exhibition(5th & 7th Semester)	DBMS MINI PROJECT EXHIBITION in FARADY BLOCK –LAB NO -301/1, 301/2	to provide the students a platform to unleash their potentials.		
		31-03-2022	Make-A-Thon 2.0(hackathon)	"Smart India Hackathon"	The main purpose of the competition to develop the technical and innovative skills.		
		23-04-2022	Webinar	Mean Stack Technology	To enhance the knowledge on Mean Stack Technology		
		30-04-2022	Webinar	webinar Introduction to Innovative and design thinking by Resource Person: Dr. Parkavi A Associate Professor, Dept of CS&E Ramaiah Institute of Technology, Bangalore	To enhance the knowledge on Innovative and design thinking in daily life with industry		
		20-05-2022	Seminar	Recent trends in Software Test Automation by Mr. Mahesh Manjunath	To enhance the knowledge on Recent Trends in Software Test Automation		
		27-05-2022	Seminar	"Successful Career Planning,Higher Education & Technical Profile Building" by Resource Persons: Mr. Nitin Ravi ,Mr. P N Santosh	To direct how to set the career goals,how to select higher educations and how		
		23-06-2022	Alumni Talk	IP Multimedia Subsystem by Resource Person: MS.Deepa .R.M	To enhance the knowledge on IP Multimedia Subsystem		

|		Date	Event	Details	Objective		
		26-06-2022	PROJECT EXHIBITION	by 8th Semester CSE students at 301-1/301-2, SCE, Bangalore	To provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning experience.		
		24-6-2022 to 25-6-2022	International Conference ICGCP-22	To evaluate the Research knowledge of the participants within academics as well as beyond academics and to share their research outcomes with other participants.	The main objective of organizing Conference is to make aware of recent technologies and innovation to other researchers.		
		18-07-2022	COMPUTER GRAPHICS MINI PROJECT EXHIBITION	by 6th Semester CSE students at 301-1, SCE, Bangalore	To provide the platform and unleash the potential of the students by showcasing their innovative projects and provide an opportunity for the students to demonstrate their learning experience.		
		04/08/2021	Project Exhibition	The exhibition started by external person	To select the innovative projects To demonstrate the project foe the junior student To explore the Technical capacity of Students		
		22/11/2021 to 26/11/2021	A Five-Day Hands-On Workshop "PCB Design and IoT"	Hands on decision by external resource person	To educate students about Digital System Design and Analog Electronics Circuits on Internet of Things and need of skilled professionals in the job market		
		13/11/2021	Technical Talk on "Present Market Scenario for JOB Opportunity and Discussion on AI Analytics and the New Machine Age"	Technical talk by External resource person	To educate student about Present Market Scenario for JOB Opportunity and Discussion on AI Analytics and the New Machine Age.		
		20/12/2021	"First Year Induction Program"	Alumni Talk	To motivate the students about the scope and opportunities for Electrical Engineers.		
		03/01/2022	Technical Talk on "SOLAR ELECTRIC VEHICLES"	Technical talk by External resource person	To give Knowledge about industrial applications in the subject		
		12/03/2022	" Mini Projects Exhibition"	Vidyuth Spoorthy	To motivate the students about the importance of team work. and to provide students for knowledge of Electronics Components and soldering techniques and its package information for electronics circuit design.		
5	EEE	14/03/2022	Technical Talk on "Career Opportunities For Engineers In Public Sector Undertakings With A Special Focus On Oil & Gas Industry"	Technical talk by External resource person	To create awareness among the students about various core career opportunities.		

Date	Event	Details	Objective		
01/06/2022	Career Guidance talk on "Successful Career Planning, Higher Education & Technical Profile Building"	Career Guidance talk by External resource person	Create awareness among the students on need for proper career planning and to motivate students to go for higher studies and profile building		
12 /07/2022	"Mini Projects Exhibition"	Vidyuth Spoorthy.	Create new idea among the students on need for innovation thinking

		15/12/2021	Data Analytics for Engineers	An Alumni talk can be organised to upskill Data analytics for engineers	To create awareness among the students Data analytics to choose as career.		

7	ISE	8/1/2022	Design Flow & Imapct Engineers in Semi co	An Expert talk can be organised to upskill Imapct Engineers in Semi conductor Indusrty(SOC)	To create awareness among the students Imapct Engineers in Semi conductor Indusrty(SOC)		
		12/2/2022	Software Engineers in Today's Age	To upgarde an interaction session on recent development & Trends in Software Engineering is planned	An Interaction with alumni specifically the one who works on the domain can be invited.		
		24/03/2022	Mini Project Exhibition-Avishkar	To showcase the talent nurtured among the students in rthe early stage in their degree program.	Mini Project Exhibition can be arranged and projects are subjects to evaalution by Juries.		
		27-4-2022	Alumni Talk-Where is my data	To upgarde an interaction session on recent development on Data Analytics & its Impotance is planned	An Interaction with alumni specifically the one who works on the domain can be invited.		
		30-4-2022	Expert Talk- Machine Learning	An Expert talk can be organised to upskill knowledge in Machine Learing Domain..	To create awareness among the students in Machine Learing		
		07-05-2022	Seminar on Cyber Security	Seminar on Recent Trends can be araanged for the 6th semester students.	To create awareness the students among the students about Cyber security.		
		21-05-2022	National level Technical symposium-2k22	To Inclucate Innovation Ideas to Ignite Writing Skills & enhance soft skills . A National Level Technical Symposium is Planned.			
		31-05-2022	Seminar on SAP-ILM ARCHIEVING	To upgarde an interaction session on recent development & Trends in SAP is planned	An Interaction with alumni specifically the one who works on the domain can be invited.		
		23-06-2022	Seminar on SSIS- ETL TOOL	To upgarde an interaction session on recent development & Trends in is SSIS- ETL TOOL planned	To create awareness the students among the students about SSIS- ETL TOOL.		
		24-06-2022 to 26-06-2022	International Conference-ICGCP	To evaluate the Research knowledge of the participants with	The main objective of organizing Conference is to make aware of recent technologies and innovation to other researchers.		
		27-06-2022	Project Exhibition-2022	To explore the Technical capacity of Students	To select the innovative projects To demonstrate the project foe the junior student		
		13-07-2022	Security attacks and Risks in Cyber Security	To upgarde an interaction session on recent development & Trends in Security attacks and Risks in Cyber Security is planned	To create awareness the students among the students about development & Trends in Security attacks and Risks in Cyber Security.		
		18-08-2022	Mini Project Exhibition Avishkar-2K22	To showcase the talent nurtured among the students in rthe early stage in their degree program.	Mini Project Exhibition can be arranged and projects are subjects to evaalution by Juries.		
		First week of September 20	Project work Exhibition	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an oppartunity to develop communication /presenmtaionskills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation/ communication and Leadership skills.	Available facility in the college are used.	
		First week of September 20	CMTI- Competition	1. To provide an oppartunity for students to particiapte in the state level contest. 2 To encourage students to presents their idea / solution to the challenges of the competition.	1.To encourage innovative thinking / critical thinking in students 2. Motivate students to develop new products.	Available facility in the college are used.

Third week of September 20	Orientation Program for 3rd Sem ME studen	1. Orient the students on Courses in Mechanical Engineering 2. Introduce the faculty of Mechanical Engineeing department. 3. Provide general guidelines, discipline to be followed	1. Provide students complete information about the theory / laboratories of Mechanical Engineering dept. 2. To give instructions / guidelines to be followed to maintain discipline. 3. To make the students aware of the faculty / staff in the department.	Available facility in the college are used.	
Second week of September	Faculty visit to Industry	1. To orient faculty on industrial practices 2. To Provide an oppartunity for faculty to update the technology / trends used in industry.	1. To gain practical knlowledge and utilize the same in teaching-learning 2. Keep the faculty updated about the latest trends/ techniques in industry.	Available resources of Institution (Transportati on service)	
Third week of September 20	Orientation on Activity points for 5th Semester ME students	1. To provide information on type of activity / excecution etc. 2. To clear the doubts on conducting activity poins	1. To motivate students to complete activity points 2. To motivate students to involve in social service to create awareness in schools / villages	Available resources of Institution (Transportati on service)	
Third week of September 20	Quiz on the occasion of Engineers Day Celebration	1. To encourage the students to participate in Quiz / aptitude tests. 2. Create awareness on professional ethics / responsibilities of Engineers in the society	1. To provide an oppartunity for students to organize competitions. 2. To create awareness on Professional ethics in students.	Available resources of Institution (On-line Quiz)	
Second week of October 20	5 Days Hands on Workshop 5th Sem students on AutoCAD	1. To provide fundamental knowldge on CAD Package 2.To provide hands on training on the CAD Package 3. To make the students well versed with Assembly drawings.	1. To Provide oppartunity for students to learn CAD Drafting package 2. To provide hands on trianing on assembly of Mechanical Components	In house facilities are used and Few students having knowledge of AutoCAD provide the training to others.	
Fourth week of October 202	Motivational Talk	1. To motivate the students on career oppartunities in Design Engineering 2. To create awareness on the pre requisites for a Design Engineer	1. To develop design related skills in students. 2. To develop interest in students to become good design engineers.	Available facility in the college are used.	
Fourth week of October 202	MOU	1.To plan for students internships in industries 2. To arrange technical talks 3. Invite resource persons for technical talk/ Guest lectures	1. To create oppartunities for internships / Projects 2. To arrange induatrial visits for students 3. To promote institution /Industry interaction	Available facility in the college are used.	
Second week of November	Technical Talk	1. To orient the students on hybrid vehicles and their functioning 2. Provide complete information related to construction and working of Hybrid vehicles.	1. To encourage students to study Hybrid vehicles 2. To provide an oppartunity for students to interact / clarify doubts related to hybrid vehicles.	Available facility in the college are used.	
Third week of November 2	Technical Talk	1. To create awareness on Industrial robots / applications. 2. To orient students on the oppartunities in the area of Robotics	1 To provide oppartunity for students to know about Robots / Industrial Automation. 2. To motivate students to choose career in the field of Robotics.	Available facility in the college are used.

Third week of November 2	Industrial Visit	1. To create aeareness in students on industry level activities 2. To provide oppartunity for students to update knowledge on tends / technologies used in industries.	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportati on service)	
Fourth week of November 2	Technical Talk	1. To create awareness on Industrial robots / applications/Industrial automation 2. To orient students on the oppartunities in the area of Robotics	1 To provide oppartunity for students to know about Robots / Industrial Automation. 2. To motivate students to choose career in the field of Robotics.	Available facility in the college are used.	
First week of December 202	Technical Talk	1. To create awareness on Latest Trends in Manufacturing. 2. To orient students on the oppartunities in the manufacturing sector	1 To provide oppartunity for students to know about oppartunities in manufacturing industries 2. To motivate students to choose career in the field of manufacturing / fabrication.	Available facility in the college are used.	
Second week of December	Motivational Talk	1. To create awareness on oppartunities for Entrepreneurs. 2. To orient students on the schemes / funds available to become entrepreneur	1. To encourage students to take up entrpreneurship as career. 2. To motivate students to develop skills needed to become successful entrepreneur.	Available facility in the college are used.	
Second week of December	Parent Teacher Meet	1. To provide an oppartunity for parents to know about the performance / progress of their son / daughter / ward. 2. To provide an oppartunity for parents to give feedback.	1. To create an oppartunity for interaction between faculty and Parents. 2. To gather feedback to improve teaching learning process	Available facility in the college are used.	
Third week of December 20	Alumni Talk	1. To create awareness on the career oppartunities. 2. To orient students on the need of developing skills.	1 To provide oppartunity for students to know about Career oppartunities. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	
First week of January 2021	Technical Talk	1. To orient the students on Solar / Electric vehicles and their functioning 2. Provide complete information related to construction and working of Solar /Electric vehicles.	1. To encourage students to study Electric vehicles 2. To provide an oppartunity for students to interact / clarify doubts related toelectric vehicles.	Available facility in the college are used.	
Third week of January 2021	Motivational Talk	1. To create awareness on the caree oppartunities in the area of coding / programming 2. To orient students on the need of developing programming / coding skills.	1 To provide oppartunity for students to know about Career oppartunities in coding. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	
Fourth week of January 202	Mini-Project Exhibition	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an oppartunity to develop communication /presenmtaionskills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation/ communication and Leadership skills.	Available facility in the college are used.	
First week of March 2022	Motivational Talk	1. To create awareness on the career oppartunities. 2. To orient students on the need of developing skills.	1 To provide oppartunity for students to know about Career oppartunities. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	

(Row label at left: **8 ME**)

Fourth week of March 202	Visit to Museuam	1. To create aeareness in students on working of mechanism / machines 2. To provide oppartunity for students to update knowledge on various technologies	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportation service)	
First week of April 2022	Mini-Project Exhibition	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an oppartunity to develop communication /presenmtaionskills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation/ communication and Leadership skills.	Available facilities in the college are used.	
Second week of April 2022	3 Days FDP	1. To create awareness to to faculty on latest tends / techniques / tools used in teachnig learning 2. To crete awareness on the need of employing new tools in teaching learning.	1. To empower the faculty with new tools / techniques in teaching learning. 2. To motivate studes to adopt new techniques in teaching learning	Available facilities in the college are used.	
Fourth week of April 2022	Mile's Day Celebration	1. To provide an oppartunity for students to participate in various events ralated to Value engineering. 2. To create awareness on the basics of value engineering and its scope.	1. To promote functional thinking in students. 2. To encourage students to present their ideas on value Engineering concepts.	Available facilities in the college are used.	
May Second Week 2022	Indusatrial Visit	1. To create aeareness in students on industry level activities 2. To provide oppartunity for students to update knowledge on tends / technologies used in industries.	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportation service)	
May Third Week 2022	One day Workshop	1. To orient the students on functioning of 3D Printers and technology. 2. Provide complete information related to construction and working of Solar /Electric vehicles.	1. To encourage students to study Electric vehicles 2. To provide an oppartunity for students to interact / clarify doubts related toelectric vehicles.	Available facility in the college are used.	
Third week of June2022	International Conference ICGCP-2022	1. To provide an oppartunity for students to present their papers on project work done. 2. To create awareness on preparing research papers	1. To develop presentation / communication skills 2. To promote research related activities	Available facilities in the college are used.	
Second week of July 2022	Project Exhibtion	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an oppartunity to develop communication /presenmtaionskills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation/ communication and Leadership skills.	Available facility in the college are used.	
Second week of July 2022	Mini Project Exhibtion	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an oppartunity to develop communication /presenmtaionskills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation/ communication and Leadership skills.	Available facility in the college are used.	
Fourth week of July 2022	Technical Talk	1. To orient the students on advanced materials used in aerospace vehicles 2. Provide complete information related to materials used in aeroengines.	1. To encourage students to study advanced materials 2. To provide an oppartunity for students to interact / clarify doubts related to aerospace materials.	Available facility in the college are used.
