National level technical symposium has been organized on 21-5-2022 by the department of ISE. On this occasion event like HACKATHON have been organized. In this regard inauguration of INLTS 2022 started with invocation by miss Aishwarya L. On this occasion Dr Govindappa N delivered key note address and informed students about importance of research publications, type of publications, citation impact factor etc. In his key address he shared his experience in research and innovative design aspects. He also thrown light on achievers and their success story.

Principal in his presidential address informed student's importance of participation in such events like symposium, seminar, conference etc. and he was very particular about making students to be active in innovation and other design activities. He also urged every student should write a paper based on the project outcome and publish the same in conferences.

Convener of NLTS-2022 Dr. H R RANGANATH gave the glimpses of activities organized by the department and he explained the importance of various platform and opportunity for the students offered by the department and he advised students to come forward and take the active participation in these events.

A report on “Hands on training on Python programming”

Department of ISE in association with Addition technology Bengaluru has organized three day Hands on training workshop for the students of 5sem ISE. This training has been arranged to imbibe required information and upgrading knowledge in the domain of Engineering using Python programming. Being most versatile and user friendly programming language python is very much required for today scenario for various application. Department also found that there was a need of hands on training as it was not devised in the curriculum of the university. The training has begun with inaugural session where principal and HOD emphasized the need of training in the latest emerging area of the technology and sciences. On day1 resource person has covered Basics of python, day2 various topics like loops, functions, dictionary, Regular expression, on day3 python libraries were explained. On each day in the afternoon students were taken to the lab where resource person could give hands on demo on the scheduled topics.

Science Exhibition Report

The ALCHEM Club has arranged Mini Project Exhibition on Monday, 28th of February 2022 in Sapthagiri College of Engineering for First year students. The students of I SEM BE: ECE/ME/BT/CV have participated and presented their projects with innovative ideas. The arrangement was done in Ground floor of Sir MV Block between 2 PM to 4 PM. 47 teams have participated in the event. Students exhibited their talents in different aspects under the supervision of faculty members of the Chemistry department and also proctors from other departments. They exhibited their projects using models with reports to all the viewers.

The Topics related to their projects presented in the Projection exhibition are

ECE-A Section		ECE-B Section	
Sl. No.	Title of the Project	Sl. No.	Title of the Project
1	Plant Monitoring System	1	Steam Engine
2	Detecting insects on plants by sensors	2	Rain detector with alarm
3	Simple Clap switch Circuit	3	Generation of electricity from smoke stack
4	Wind Farm	4	Automatic sanitizer dispenser
5	Sterling engine	5	Hydro electric Power Plant
6	Drip Irrigation	6	Generation of Electricity through wind energy
7	Hydraulic Power System	7	DC motor Bidirectional Control
8	Rain Sensor Detector And Alarm	8	Hydraulic Power Plant
9	Automatic Street Lights	9	Sensor Activated Light system using LDR
10	Automated Irrigation system	10	LED control using IR Remote
11	Laser security alarm system	11	Applications of IR sensor
