The blood donation camp started with guidelines and rules to donate blood, then the activity of blood donation was started by few of the faculties of the college and volunteers of the NSS UNIT, thereafter other donors joined the event. There was an overwhelming response from students around 260 registered and a total of 172 units (123 units to Red Cross and 49 units for SIMS&RC) were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp.

Student donating blood

The event was successful with the effective working of the trained doctors and nurses, complete support by the volunteers and cooperation by the donors. In order to encourage and appreciate the donors, a Certificate of appreciation, donation card, and refreshments (cake, banana, juice, water bottle and mask by Red cross and biscuits, banana and juice by SIMS &RC) was given to each donor and for volunteers.
