*Type of event/activity	E-Quiz on C Programming
Name/Title of the Activity/Event	C PROGRAMMING
Date of Organization	12-07-2021
Venue (with address)	VIRTUAL PLATFORM GOOGLE FORM
Objectives of the event/activity	Objective of CSI is to facilitate research, **knowledge** sharing, learning and career enhancement for all categories of IT Professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. Enhance the C programming skills amongst students
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	149 students
Mention organized /participated/attended	PROF.RASHMI H C, PROF. PRAKRUTHI C

Event Description:

C programming is considered as the base for other programming languages, that is why it is known as mother language. C is a powerful general-purpose programming language. It can be used to develop software like operating systems, databases, compilers, and so on. So the Department of CSE decided to conduct E-Quiz on C Programming.

With the support of Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE, we coordinator Prof. Rashmi H C and Prof. Prakruthi C prepared C programming basics questions. We covered almost all the topics in C Programming using Virtual Platform Google Form. We posted the Google Form Link in respective 2nd Sem students WhatsApp group.

The students of 2nd sem responded very well by attending C Programming quiz. Around 149 students participated and scored good marks in C Programming quiz. Finally Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE thanked everyone for their participation and also thanked coordinators for organizing this C Programming quiz.

SEMINAR ON "INTERPERSONAL SKILLS"

Dr. H R Ranganatha, HOD, Dept. of ISE welcomed Ms. Rakshitha, KS, formally offline. The session was held for 7th semester students of the department. Totally 80% of the students were present in this session. Seminar on **"Interpersonal Skills"** was arranged on 29/11/2021. In order to upgrade the knowledge of students of 7th semesters in the Interpersonal and Communication skills in the area of IT this would really help students to enhance their cognitive skills. About 80 students took part in his Offline session and expressed satisfaction about the event. In her talk she gave comprehensive picture about Personality development and related concepts that could impact on the career. She has urged software professional students like ISE students what exactly to be done to the society. The talk has been arranged for the students of 7th semester to bring in the awareness about Corporate Professionalism and its impact on the society also to address Job security pertaining to Career Growth. Ms. Rakshitha, KS in her talk gave general picture about Emerging Trends in Technology. So that students of ISE can understand subsequences of Job Opportunity and Interpersonal Skills.

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON

Session on "Out of the box thinking for problem solving"

Under Ministry of Education's Innovation Cell, AICTE

MIC driven activity for the (Q3+Q4), IIC4.0:
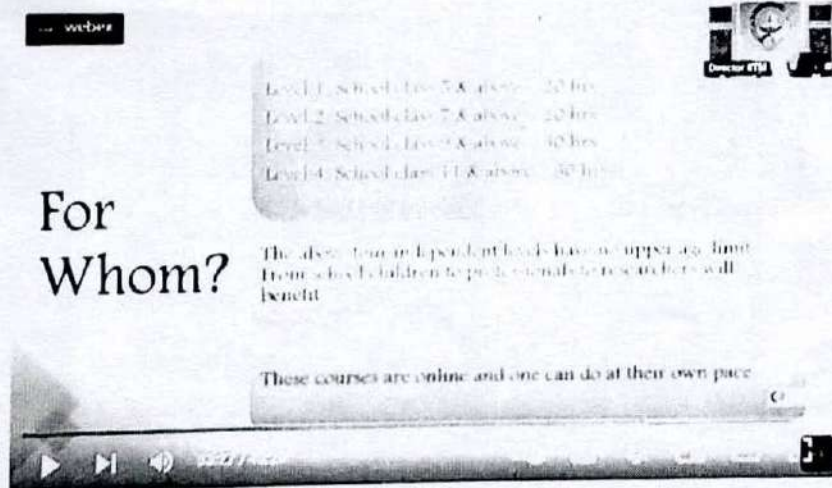

Speaker: Prof. V. Kamakoti, Director, IIT Madras

1. About the Seminar

IICs is a faculty-experts-student council which takes on multiple activities to promote Innovation and Entrepreneurship round the year. IIC's objective is to prepare the students with skills like critical thinking, Design Thinking, Innovative thought process and Entrepreneurial mindset.

The speaker Prof.V. Kamakoti stressed on cultivating a way to think differently to bring change in society and give more effective and affordable solutions for societal problems.

MIC (MoE's Innovative cell) has introduced a 4-level course which is free for all and the courses starts from July 13th on out of the box thinking.

The speaker shared the knowledge about out of the box thinking through mathematics, he emphasized on training the brain to be creative by thinking in unconventional way. He also shared some situations/ examples were out of the box thinking was used without using any formulas.
