Academic Year: 2020- 2021

*Type of event/activity	ALUMNI TALK
Name/Title of the Activity/Event	CHALLENGES OF ENTREPRENEURSHIP
Date of Organization	13-11-2021
Venue (with address)	SEMINAR HALL
Objectives of the event/activity	Objective of CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT Professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. To enhance the knowledge of ENTREPRENEURSHIP
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	110 students
Mention organized /participated/attended	PROF. VINDHYA G B & PROF. RASHMI H C

Event Description:

- Entrepreneurship is the ability and readiness to develop, organize and run a business enterprise, along with any of its uncertainties in order to make a profit. The most prominent example of entrepreneurship is the starting of new businesses
- The entrepreneur is defined as someone who has the ability and desire to establish, administer and succeed in a startup venture along with risk entitled to it, to make profits. The best example of entrepreneurship is the starting of a new business venture. The entrepreneurs are often known as a source of new ideas or innovators, and bring new ideas in the market by replacing old with a new invention.
- So To provide the very basic knowledge of Entrepreneurship & the activity of setting up a business, this talk was organized by Department of CSE and was appreciated by all the students as they were able to add another feature in their technical skill set. The speaker Mr. NARAHARI RAO, FOUNDER & DIRECTOR, CHINTAMONEY has given the ability and readiness to develop, organize and run a business enterprise, along with any of its uncertainties in order to make a profit. The alumni talk gave the students information about the importance of ENTREPRENEURSHIP which motivated the students with his speech and explained that these kind of alumni talks are beneficial for their upcoming placements and technical knowledge.

Event Description:

The Webinar event started at 2.00 AM with welcome speech by Dr. Kamalakshi Naganna Professor & Head, Dept. of CSE thanked College Management, Principal Dr. Ramakrishna H, HOD's of all department for providing opportunity to organize this event and gave brief introduction of today's speaker Mr. Chethan Kumar S K .

The Speaker Chethan Kumar S K, Senior Software Engineer DevTest Micro Focus, Akamai gave brief introduction of The application of AI to develop programs that do human-like jobs and portray human skills is Machine Learning. Both Artificial Intelligence and Machine Learning are closely connected and are being used widely today. Haskell is also a very good programming language for AI.

Overview: Artificial intelligence is the simulation of human intelligence processes by machines, especially computer systems. Specific applications of AI include expert systems, natural language processing, speech recognition, and machine vision.

At the end, today's Convener Dr. Kamalakshi Naganna, Professor, Dept. of CSE presented vote of thanks to our College Management, today's Speaker Mr. Chethan Kumar S K, Principal Dr. Ramakrishna H, HOD's of all department, participants and Coordinators for successfully completing the event.

Report on the webinar on "DATA ENGINEERING"

The Department of Computer Science & Engineering organized webinar on "*Successful Career Planning, Higher Education & Technical Profile Building*" on 26th May 2022 for students of 6th semester of CSE department. The students attended the event.

- ✦ **Objective of the Webinar:** Seminar was regarding "*Successful Career Planning, Higher Education & Technical Profile Building*". This is conducted for the benefits of the students those who are going to attend the placement in forthcoming semester. The session begun by welcoming the resource person. Fourth semester students Aishwarya Singh and Chandana. V hosted the program followed by the session started. Students of 6th semester got enough guidance for planning their career. Students are interacted with resource persons. Some are interacted personally to sort out the things they are not understood.
- ✦ **Title of the event** : "*Successful Career Planning, Higher Education & Technical Profile Building*"
- ✦ **Resource Person:** Mr. Nitin Ravi and P N Santosh , Career Expert Lab
- ✦ **Webinar Date:** 27/05/2022
- ✦ **Participants:** 100

Overall the students felt that the session was informative and inspiring for them.

Name/Title of the Activity/Event	Online certification quiz on C Coding and Debugging
Date of Organization	29-09-2021
Venue (with address)	VIRTUAL PLATFORM GOOGLE FORM
Objectives of the event/activity	Objective of CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT Professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. Enhance the Coding skills amongst students
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	123 students
Mention organized /participated/attended	PROF.NANDA M B, PROF. PRAKRUTHI C

Event Description:

C programming is considered as the base for other programming languages, that is why it is known as mother language. C is a powerful general-purpose programming language. It can be used to develop software like operating systems, databases, compilers, and so on. So the Department of CSE decided to conduct E-Quiz on C Coding and Debugging.

With the support of Convener Dr. KamalakshiNaganna, Professor & Head, Department of CSE, we coordinator Prof. Nanda M B and Prof. Prakruthi C prepared C Coding and Debugging basics questions. We prepared the questions using Virtual Platform Google Form. We posted the Google Form Link in respective 2ndSem students Whatsapp group.

The students of 2ndsem responded very well by attending C Coding and Debugging quiz. Around 110 students participated and scored good marks in C Coding and Debugging quiz. Finally Convener Dr. KamalakshiNaganna, Professor & Head, Department of CSE thanked everyone for their participation and also thanked coordinators for organizing this C Coding and Debugging quiz.

*Type of event/activity	Webinar
Name/Title of the Activity/Event	The webinar on Data engineering by AECC Global
Date of Organization	27/01/2022
Venue (with address)	Department of Computer Science And Engineering
Organized by (Resource Person)	Mr. Abhishekh Verma, Big Data Engineer at ZS Associates
Objectives of the event/activity	Educate regarding Data Engineering and its Applications.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	3 rd Semester Students (110 Students)
Mention organized /participated/attended	Prof. Akshatha Kamath, Prof. Jayashree, Prof. Chaitra, Prof. Madhushree (Faculty Coordinators) Mr. Jayanth, Ms. Vindhya (Student Coordinators)

Event Description:

The webinar on Data engineering by AECC Global was organized by Dept of CSE for 3rd semester students of Sapthagiri College of Engineering, Bangalore on 27th January 2022. In this webinar the resource person Mr. Abhishekh Verma (business technology solution consultant, ZS associate) explained about data engineering and also gave a brief idea about how it is used in IT industries. He also mentioned about the resources to study the data engineering and certification courses to get the data engineering job easily in IT industries. Students were interacting throughout the session and obtained the enough knowledge about the topic by asking their doubts with the resource person.

Seminar on “Career Opportunities for Engineering Students”

The Department of ISE had organized a Seminar on “Career Opportunities for Engineering Students” by Mr. SUPREETH YS, CEO & CO Founder Tequed Labs.

Dr. H R Ranganatha, HOD, Dept. of ISE welcomed Mr. SUPREETH YS, formally Offline. The session was held for 7th semester students of the department. Totally 80% of the students were present in this session. Seminar on “Career Opportunities for Engineering Students” was arranged on 20/10/2021. In order to upgrade the knowledge of students of 7th semesters in the emerging areas of IT in the area of IT this would really help students to enhance their IT skills during this pandemic situation. About 80 students took part in his Offline session and expressed satisfaction about the event. In his talk he gave comprehensive picture about career Opportunity and related impact on the society. He has urged software professional like ISE students what exactly to be done to the society. The talk has been arranged for the students of 7th semester to bring in the awareness about Corporate Professionalism and its impact on the society also to address Job security pertaining to Career Growth. Mr. SUPREETH YS in his talk gave general picture about Emerging Trends in Technology so that students of ISE can understand subsequences of Job Opportunity and security.

Name/Title of the Activity/Event	Technical talk on " Current Trends in Mechanical & Manufacturing Industries "
Date of Organization	03/12/2021
Venue (with address)	College campus – Sapthagiri College of Engineering
Organized by	Department of Mechanical Engineering in association with Autodesk ATC CAD Centre.
<u>Objectives of the event/activity</u>	<ol style="list-style-type: none">1. Orient the students on the trends in Mechanical and Manufacturing industries.2. To motivate the students to develop skills needed for Mechanical & Manufacturing industries.3. To expose the students on the scope / opportunities in Mechanical and Manufacturing industries.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	104
Mention organized /participated/attended	62 Students of 7 th Semester Mechanical Engineering and 42 students from 5 th semester participated in the talk.

Event Description:

Department of Mechanical Engineering in association with Autodesk ATC CAD Centre organized a Technical talk on "**Current Trends in Mechanical & Manufacturing Industries**" on 03/12/2021. The speaker Mr. Vishwas K Vishwanathan, operations and Marketing Manager, Autodesk ATC CAD Centre, Oriented the students on the latest trends in Mechanical and Manufacturing industries and motivated the students to develop skills needed for Mechanical & Manufacturing industries. He also explained in detail the scope / opportunities in Mechanical and Manufacturing industries. The talk was attended by 62 Students of 7th Semester Mechanical Engineering and 42 students from 5th semester.

*Type of event/activity	Workshop for Students
Name/Title of the Activity/Event	Five Days Workshop on AutoCAD
Date of Organization	04/10/2021 to 08/10/2021
Venue (with address)	College campus – Sapthagiri College of Engineering
Organized by	Sapthagiri College of Engineering, Bengaluru
<u>Objectives of the event/activity</u>	<ol style="list-style-type: none">1. Provide an opportunity for students to develop skills in AutoCAD.2. Create opportunity for students to teach, discuss and learn about AutoCAD software.3. To provide an opportunity to students to develop drawings of Engineering components / Machines etc.4. To prepare assembly / 3D Models using AutoCAD software.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	19
Mention organized /participated/attended	19 Students of 5 th Semester Mechanical Engineering participated in workshop.

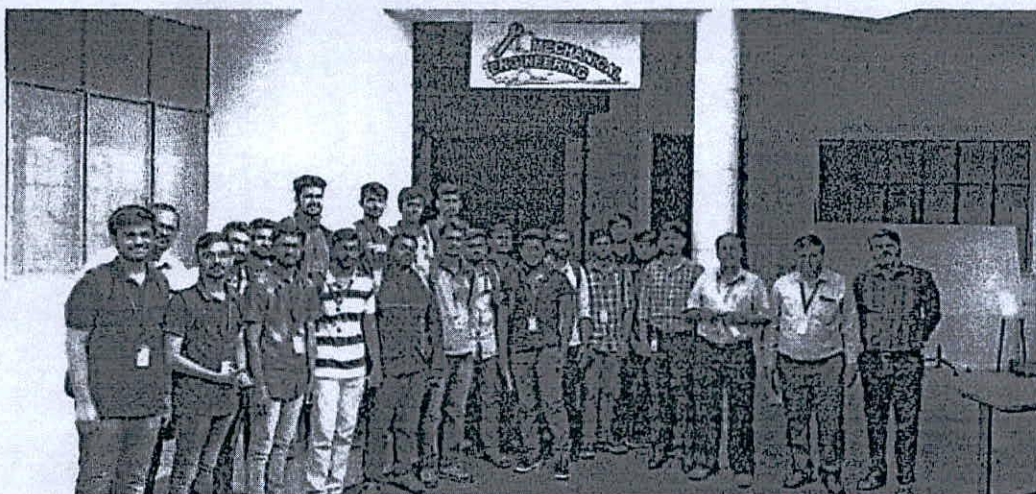

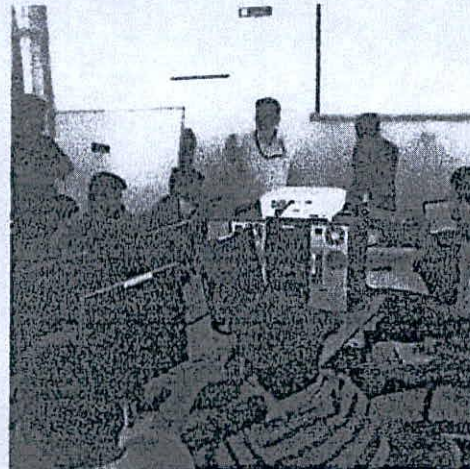

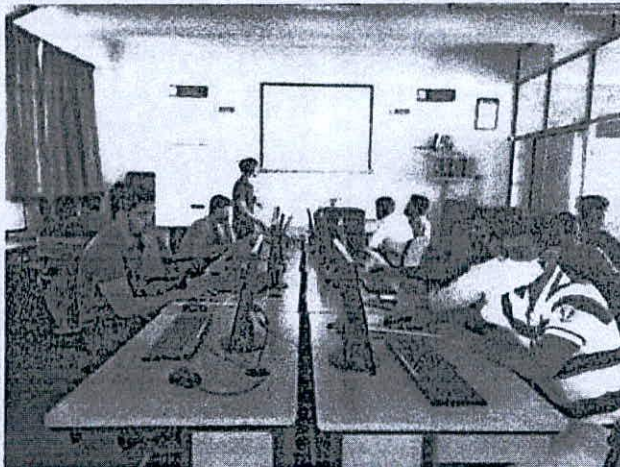

Event Description:

A five day workshop on AutoCAD was organized by department of Mechanical Engineering for 5th Semester students. Prateek and Nrupada Ramesh students of 5th Semester Mechanical Engineering who have done certification course in AutoCAD, were the instructors for the workshop. Mr.Promod S.V, Assistant Professor department of Mechanical Engineering also explained many concepts related to AutoCAD. The workshop was held for five days in computer aided machine drawing lab and all the participants were awarded with participation certificate.

*Type of event/activity	Training / Career Guidance
Name/Title of the Activity/Event	Training on Fundamentals - For Placement
Date of Organization	19/10/2021 to 21/10/2021
Venue (with address)	Class room Department of Mechanical Engineering Sapthagiri College of Engineering
Organized by	DEPARTMENT OF MECHANICAL ENGINEERING
Objectives of the event/activity	<ul style="list-style-type: none"> ➤ To prepare 7th Semester students for placement about fundamentals of Mechanical Engineering by teaching definitions, concepts, formula, units, brief explanations with simple sketches (RBT-L1) ➤ To develop confidence in students to face interviews. ➤ To provide an opportunity for students to interact / clarify doubts in fundamentals of Mechanical Engineering.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	75
Mention organized /participated/attended	75 students form 7 th Semester attended the classes.

Event Description:

Training on fundamentals of Mechanical Engineering was organized by the department of Mechanical Engineering from 19/10/2021 to 21/10/2021. The classes were conducted by the faculties of Mechanical Engineering based on their specialization. The training program was planned in such a way that, fundamentals in each stream like, thermal, design, Production and Material science were covered in detail. The 3 days sessions were attended by around 75 students of 7th Semester students.

GUEST LECTURE REPORT

With the vision of helping students with the best in class-education, Department of Electronics and Communication of Sapthagiri College of Engineering which is accredited by NBA conducted a guest lecture on 13/12/2021 on "Pathway to your career growth".

Mr. Sameer Tarhane (T.I.M.E Malleshwaram) was the speaker of the session. The objective of this guest lecture was to throw light on the opportunities available for students to pursue their studies in India and Abroad.

The session began with the introduction of speaker by Dr. Sateesh Kumar, Professor and HOD, Department of Electronics and Communication of SCE, Bangalore. The speaker gave a brief insight about T.I.M.E Malleshwaram, which is a leading education consultancy. He told about their network and the services like University Selection, Destination Selection, Accommodation support and Ethical Counselling that they offer.

The speaker of the session spoke about different job opportunities for an Electronics and Communication Engineer like Placements, Through Higher studies, MBA and Civil Services

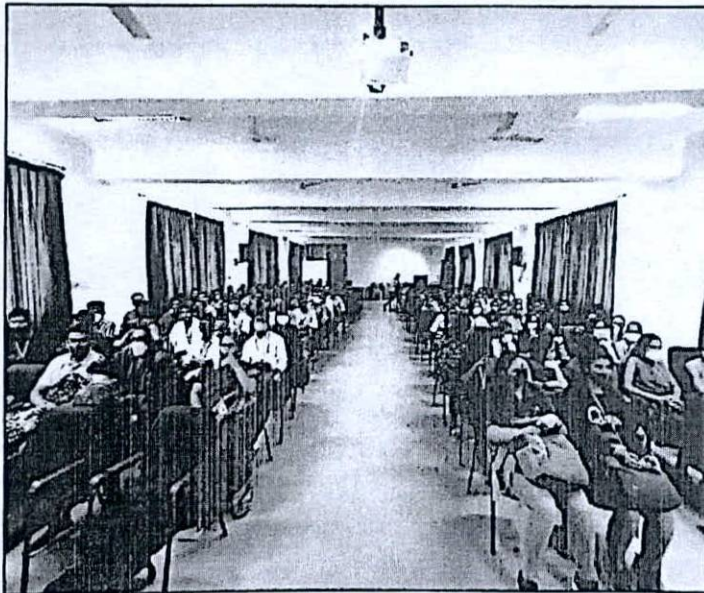

Welcome address by Dr. Sateesh Kumar H.C. Professor and Head

Principal
Sapthagiri College of Engineering
Chikkasandra, Hesaraghatta Road
Bangalore- 560 057

Address by the speaker

He emphasized the reasons for studying Abroad. He also shared information on facts about studying in Australia and USA. He also presented keynotes on studying in countries like UK, Canada, New Zealand. The seminar highlighted the various Opportunities in Higher Education. The speaker enlightened the students with the various opportunities of pursuing higher studies in the different countries and their requirements. He gave an overview of the exams to be undertaken and the factors to be considered to admission process. He also gave a glimpse of newer course programs and its future scope. He also told how to get Scholarship and the approximate estimation of cost of living and studying in other countries.

He gave an overview of the exams to be undertaken and the factors to be considered for MBA and gave information on CAT, XAT and GMAT exams. Highlighted the various Opportunities in Higher Education. He also presented keynotes on GATE exam. He gave information on the pattern of GATE exam and the abilities tested in that exam. He also enlightened the

students by giving success tips to TOP GATE and also the advantages of pursuing M.Tech. The speaker concluded the session by highlighting the myths and facts about GATE exam.

Vote of Thanks by Dr. Nagaraja A.N. Professor, Dept. of ECE

At the end of the session he also answered the questions put up by students. The session ended with vote of thanks by Dr. Nagaraja A.M. Professor, Department of ECE, SCE, Bangalore. Overall, it benefitted around **125** students of **5th and 7th** semester Electronics and Communication Engineering students.

Report on Technical talk

With the vision of helping students with the best in class-education, Department of Electronics and Communication of Sapthagiri College of Engineering hosted a talk on "Successful Career Planning, Higher studies and Technical profile building" on 01/06/2022 at seminar hall, Sapthagiri college of Engineering, Bengaluru.

Ms. Anna Mary from career labs was the speaker of the session. The objective of this talk was to throw light on the opportunities available for students to pursue their higher studies in India and Abroad, how to plan their career and technical profile building. The session began with the introduction of speaker by Prof. Kavitha R J, Assistant Professor, SCE, and Bangalore.

Principal
Sapthagiri College of Engineering
Chikkasandra, Hesaraghatta Road
Bangalore- 560 057

In the first session the speaker gave a brief insight about on profile building. The resource person talked about how a good profile is important for an engineer, how to improve skills, how to gain X-factor which plays a crucial role in placements.

Address by the speaker

Another resource person Mr. Vignesh gave a brief insight on placement activities like aptitude, verbal and interviews. He also spoke about how the certifications and internships act as profile boosters in placement process.

He emphasized the reasons for studying Abroad. He also shared information on facts about studying in Australia and USA. He also presented keynotes on studying in countries like UK, Canada, New Zealand. The seminar highlighted the various Opportunities in Higher Education. The speaker enlightened the students with the various opportunities of pursuing higher studies in the different countries and their requirements. He gave an overview of the exams to be undertaken and the factors to be considered to admission process. He also gave a glimpse of newer course programs and its future scope.

Bangalore-560 057

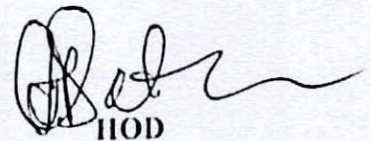

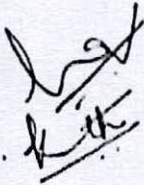

After this session, the students were divided into two groups based on their interest of placement or higher studies after graduation. Mr. Vignesh gave a brief idea on how to crack the entrance exam required for higher education in abroad.

At the end of the session he also answered the questions put up by students. The session ended with vote of thanks by Prof. Prathibha P, Assistant Professor, ECE, SCE, Bangalore. Overall, it benefitted around 104 students of 6th semester Electronics and Communication Engineering students.
