### *Anti Terrorism Day Pledge*

Anti-Terrorism Day is observed on May 21 in India every year. The objective behind the observance of this day is to wean away from the youth from terrorism and the cult of violence by highlighting the suffering of common people and showing how it is prejudicial to the national interest. Anti-Terrorism Day is observed every year on 21 May, on the death anniversary of former Prime Minister Rajiv Gandhi. He was assassinated on May 21, 1991, by the LTTE terrorists while campaigning for the Congress Party at Sriperumbudur in Tamil Nadu. Rajiv Gandhi became India's youngest PM when he was sworn in at 40.

Anti-Terrorism Day is celebrated to promote peace and harmony. Terrorists feel the need to inflict disaster on innocent people either because they are brain-washed because they believe it is their religious purpose or simply because they don't have a conscience. Whatever be their motivation, there's no denying the fact that their activities are immoral.

The day also helps us remember the sacrifices made by thousands of soldiers and policemen who fought against terrorism to protect their country and their people.

**National Service Scheme** (SWAYAM SEVA) NSS UNIT of Sapthagiri College of Engineering organized "Anti Terrorism Day Pledge" on 21<sup>st</sup> May 2022, Saturday in MINI seminar hall. The program involved by pledge taking by the students in the presence of NSS Coordinator Dr. Tulsidas D along with HOD-Mechanical Engineering and the staffs of different branches, cordially supported by the management, Principal Dr. H Ramakrishna, SCE, Bengaluru.

**MATHRU BHASHA DIVAS**

“Mathru Bhasha Divas” was conducted on 21/02/2022 in Sapthagiri College of Engineering.

The first language a baby learns from birth is called the mother language, and therefore plays a crucial role in our lives for various reasons. Studies have shown that cognitive development and intellectual development are comparatively faster in fluent in their mother tongue. The educational success in their mother tongue is higher than someone taught in a language other than their mother tongue. Languages are the primary means of keeping our culture alive. Often, the direct translation of one language into another cannot convey the same essence as in the source language. Therefore, the best way to know a culture thoroughly is to understand the language.

The mother tongue helps us stay connected to our traditional, cultural values and our roots. If a child reads in their mother tongue from an early age, they will have more substantial reading and writing skills in other languages. Knowing your mother tongue to communicate with your local customers if you want to become an entrepreneur is beneficial. It enriches one's confidence and creates awareness in one's mind while also connecting with his cultural identity. Mother's tongue has a tremendous positive impact on an individual's personality; however, the medium of education, usually English, also encourages parents to speak to their children in the second language. This leads to confusion in the children's minds and, hence, difficulties mastering first and second languages.

The following are the details of the activities and respective faculty coordinators, performed on the occasion of Mathru Bhasha Divas.

The blood donation camp started with guidelines and rules to donate blood, then the activity of blood donation was started by few of the faculties of the college and volunteers of the NSS UNIT, thereafter other donors joined the event. There was an overwhelming response from students around 260 registered and a total of 172 units (123 units to Red Cross and 49 units for SIMS&RC) were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp.

#### Student donating blood

The event was successful with the effective working of the trained doctors and nurses, complete support by the volunteers and cooperation by the donors. In order to encourage and appreciate the donors, a Certificate of appreciation, donation card, and refreshments (cake, banana, juice, water bottle and mask by Red cross and biscuits, banana and juice by SIMS &RC) was given to each donor and for volunteers.

## **Student Induction Program (SIP) Phase-I Report** **for the Academic Year 2021-22**

### **Introduction:**

The student induction program (SIP) is mainly intended to make the freshly joined Engineering students to feel happy, comfortable in their course of engineering graduation and to sensitize them towards strengthening their academic activities and interests. Also, SIP make students i) to work for omnipotence, ii) it promotes good bonding between themselves, iii) to build better relationships with teachers, iv) to give a greater view of life in building of good character.

It's very essential to educate newly joined students, when they enter in to a new institution. So to make them to adjust to the new atmosphere and inculcate the attitude of the institution with a awareness of a larger drive since they come from different ideas and several backgrounds. Therefore a long term induction program for the first-year students has been introduced in the institution as per the AICTE & VTU direction.

The purpose of the induction program is to make the newly joined students feel comfortable in the institution and set a healthy daily routine, enhance awareness regarding social and human values, and establish a better bonding.

Student Induction Program Phase-I was conducted through online mode (Cisco WebEx Platform) for first-year odd Semester students for the AY 2021-22 from 13/12/2021 to 24/12/2021 (11days).

### Report on Tribute to Puneeth Rajkumar

A heartfelt tribute and a prayer meet for the demised soul- Puneeth Rajakumar, who was one of the finest actor of the Indian cinema with a National award for acting, was organized by the cultural committee on 29<sup>th</sup> November 2021 at 3PM. This program was presided by the principal, HOD's of all the departments, faculty and students. The program was conducted with all the precautions taken with respect to the Covid pandemic.

Although in disbelief at our hearts about his demise, the crowd gathered in a huge number to pray for his soul and to pay him tribute. The program started with a tributary dance for the legend of dance by a team of dancers from BT department. They danced on all the songs that were a major part of his cinematic career. The dance tribute was also dramatically planned portraying how he will be remembered for many coming years. At the end of the dance, a large banner of him was dropped hanging from the top floor of the civil block.

Followed by the dance tribute was lighting of the lamps by the principal and the HOD's of all the department. Then the program was continued with a condolences speech by the principal, Dr.H.Ramakrishna. He not only did mention his success as an actor but also talked about Puneeth Rajkumar as a person and how he had a great impact on the society with his social works in his speech. He also did sing a tributary song for Puneeth Rajkumar. The gathering also paid respect and condolences to the soul by maintaining one minute of silence. And the program was ended with another tributary song by one of the faculties Mr. Girish.

The program had a great participation number of students and faculties. This was not a happy event but it was definitely one which will be remembered, remembered for the greatness of the life he lived.

### **REPORT ON HOMBELAKU-2021**

Diwali is one of the most beautiful festivals of Hindus. It is celebrated with great enthusiasm throughout the length and breadth of India. It's the festival of lights. On this occasion the cultural Team (KALARAVA) of our college organized the event 'HOMBELAKKU' on 4-11-2021. This event was conducted to build up, improve the unity among the students from various departments of the college. This also paved way for all other cultural events to be conducted in the college and what better way to start than by lighting diyas. Students from various classes and backgrounds took part in this event which showed a great unity among them. All the students were asked to bring diyas and the students showed great enthusiasm and actively participated, more than 1000 diyas were collected and lit by the students, the academic block was decorated with diyas and a few students made a rangoli which was eye catching and we offered our prayers to the Saraswati idol situated in the academic block of our college. The whole college enthusiastically took part in this event and it turned out to be a great, successful and a beautiful event filled with lights.

The event was started by lighting of diyas by the Principal and HODS's of all departments then later by the students. Puja for the idol was performed by Mr. Thejas MS, faculty of MECH. A devotional song was sung by the students of BT. Prasadham was distributed at the end of the puja. Cultural dance was performed by the students at the end of the event. The event was concluded with vote of thanks by Mr. Tejas P.

### PLASTIC FREE AREA

On the eve of India's 75<sup>th</sup> year of Independence and Mahatma Gandhi's 152<sup>nd</sup> birth anniversary, the government launched an innovative month-long campaign to collect and remove 75 lakh kilograms of single-use plastic waste from across the country. Announcing the "Clean India Campaign", Minister of Youth Affairs and Sports, said the programme will begin tomorrow - the eve of Gandhi Jayanti.

In this regard, self-help groups, clubs, organisations, individuals, and institutions have to join us from October 1 to 31 in this Clean India programme to make India free of plastic waste. Earlier Prime Minister Narendra Modi has regularly urged people to join the Swachh Bharat Mission. The post also carried a quote by Mahatma Gandhi - "Sanitation is more important than independence."

There is a need for educational institutions to actively contribute to the effort of banning the use of single use plastics. The awareness encourage universities to adopt policies and practices towards cleaner and plastic free campuses. Students and faculty must work towards this in mission mode. Students may not be permitted to bring non-bio- degradable plastic items to the institution.

**National Service Scheme (NSS Unit)** of Sapthagiri College of Engineering in association with ECO club and Health club organized a Plastic Awareness Campaign on 25<sup>th</sup> October 2021. The campaign started at 10.30 am by our beloved Principal Dr. Ramakrishna H, in the presence of conveners of health club and ECO club, NSS Program Officer Dr.Tulsidas D, with NSS volunteers of Sapthagiri College of Engineering, Bangalore. Firstly our Principal addressed the volunteers about the health and environmental issues in using the plastics in the daily life. Also highlighted on social service activity points. Ensure presence of alternative solutions like cloth bags etc., to plastic bottles, covers and other goods on campuses. The volunteers collected the plastics near the college in three different areas like Chikkasandra, Kirloskar layout and Hesarghatta Main road. 110 students were present for this activity.

#### Report on Navaratri Festival-2021

Navaratri is a festival which is celebrated with great pomp and splendour in India. The festival is so called as it encompasses celebrations over a period of nine nights. In *Karnataka*, Hindu temples and prominent sites are all lit up during Navratri. Mysuru Dasara is a popular celebration during this time, and it is marked by a royal procession. On the ninth day of Navratri, Hindus celebrate Ayudha Puja, wherein tools of livelihood and vehicles are not used. Prayers are offered to the goddesses to protect the one who wields the tool. Another popular event is the decoration of homes with art dolls known as Gombe. In a nutshell, the festival depicts the universal theme of the victory of good over evil.

In Sapthagiri College of Engineering Navaratri festival is celebrated from 07-10-2021 to 13-10-2021. Nine days of Navarathri Celebration is divided among the different departments. Saraswathi Pooja is performed in the library and Ayudha pooja was conducted in their respective departments. We also had a Dandiya performance in the campus. Students participated in the festival whole heartedly. The celebration included decorations by the students and faculty, pooja and distribution of prasadam.

**Azadi ka Amrit Mahotsav**

Our country is celebrating the 75th anniversary of India's independence. To celebrate this, a series of events have been planned by the Government of India under the Azadi ka Amrit Mahotsav from which Sapthagiri College of Engineering organised two events from which one is Cycle rallies in and outside the campus and visit to a place for organizing an activity.

Azadi Ka Amrit Mahotsav is a series of events to be organised by the Government of India to commemorate the 75<sup>th</sup> Anniversary of India's Independence. The Mahotsav will be celebrated as a Jan-Utsav in the spirit of Jan-Bhagidari. Addressing the gathering at Sabarmati Ashram, the Prime Minister noted the launch of the 'Azadi ka Amrit Mahotsav' 75 weeks before 15 August 2020 which will continue till 15 August, 2023.

The Prime Minister reiterated five pillars i.e. Freedom Struggle, Ideas at 75, Achievements at 75, Actions at 75 and Resolves at 75 as guiding force for moving forward keeping dreams and duties as inspiration.

**National Service Scheme (SWAYAM SEVA)** NSS UNIT of Sapthagiri College of Engineering in association with ECO club, Health club and Department of Physical Education organized Cycle rally on 18<sup>th</sup> August 2021 from SCE campus to Hesarghatta and identified a place to carry out the Swachh Bharat Abhiyan near Hesarghatta called Hesarghatta Lake which provides drinking water to Bangalore city. The program started with welcome speech by NSS Coordinator Dr. Tulsidas D. and also highlighted about the Azadi ka Amrit Mahotsav. The cycle rally started by flag off by our beloved Principal. The faculties and students took part in cycle rally event which was cordially supported by the management, Principal Dr. H Ramakrishna, and various heads of the departments, SCE, Bengaluru. Eco club convener Prof. Prashanth Kumar H P, Health Club convener Dr. Ragavendra G and Physical Education Director Mr. Ashok took part in this event to make a grand success.

The poster is for a program titled "CYCLE RALLY & CLEANING OF LAKE" organized by the NSS UNIT, ECO CLUB & DEPARTMENT OF PHYSICAL EDUCATION at Sapthagiri College of Engineering. The event is scheduled for 18/08/2021 at 9am. It is part of the Azadi Ka Amrit Mahotsav celebrations. The poster features the college logo, a NAAC A grade accreditation badge, the Indian national flag, and the 75th Independence Day logo. It also lists the names and titles of the Principal, Executive Director, and Chairman.
