What is Super Numerary Quota (SNQ)?

5% of the seats in each college and in each course will be reserved as Supernumerary Quota in all Engineering Colleges. This quota is over and above the seat matrix issued by the Government. For Example, if there are 120 seats in Computer Science in a particular college, the Supernumerary quota for Computer Science in that particular college will be 6 seats. Therefore the total intake in that college for computer science will be 126. The tuition fee prescribed by the Government in that particular college will be waived off. The candidate has to pay the other fees only. This Supernumerary quota is not available for Architecture Course. All candidates including General Merit are eligible for allotment of seats under Supernumerary quota.

How do I become eligible to give an option under Supernumerary Quota?

If the parental annual income is less than income prescribed by the Government for Supernumerary quota seats, then such candidate has to produce the Income Certificate issued by the jurisdictional Tahasildar which should be submitted at the time of verification of documents in order to become eligible for allotment of Supernumerary Quota seats. These seats will be allotted in the order of merit and options entered by the candidate.

Can I give option for both regular and Supernumerary Quota Seats?

There is no need to give separate options for Supernumerary quota seats. While allotting the seats the software will consider Supernumerary quota seats first for allotment if seats are available and if the candidate is eligible for it.

How is Supernumerary Quota seat allotted?

Seats up to maximum of 5% of sanctioned intake per course in each college approved by AICTE will be offered as Supernumerary seats. The software is designed in such a manner that while considering the options entered by the candidate for allotment, the priority in engineering options will be considered first against the Supernumerary Quota seats if seats are available in the order of merit as per candidate's eligibility.

As per Government Order No. ED 72 TEC 2013, Bangalore Dated 23-05-2014, the Supernumerary Quota Seats will be offered as detailed below:
