Monthly Event Report for the month of NOVEMBER 2022

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Activity 1

Type of Event/Activity	Special Talk
Name/Title of the Event / Activity	Mentoring connecting with students
Date of Conduction	26/11/2022
Venue (with address)	Room no.406, Academic block, Sapthagiri College of Engineering, Bangalore.
Organized by	Department of EEE
Objectives of the event/activity	<ol style="list-style-type: none"> 1. To create awareness about mentoring process 2. To update the skill of the faculties required to mentor the students.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	110 Faculties

Event Description: The EEE department has organized programme for **Mentoring connecting with students**. Resource person was Dr H S Ganesha Bhatta, Former Principle M.E.S Teachers college. In his talk he conveyed Mentorship is a huge part of education. It goes further than teachers mentoring their students, though. Peer-to-peer mentorship schemes can provide students with extra support from people who've been in their situation. This can help to boost their confidence, improve their grades, and even help with their career prospects. After all, many great job opportunities come from networking.

Monthly Event Report for the month of December 2022

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report of "INDUSTRIAL AWARENESS PROGRAM"

Activity 1

Type of Event/Activity	Special Talk
Name/Title of the Event / Activity	"Industrial awareness program"
Date of Conduction	03/12/2022
Venue (with address)	Department of EEE-Room no. 406
Organized by	Department of EEE
Objectives of the event/activity	(i) The students must learn to understand overview of Industry . (ii) Its benefits to the industry to enhance business excellence. (iii) The Industrial Internet of Things.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	100 (5 th & 3 rd sem. EEE Students)

Event Description:

The EEE department has organized programme for creating awareness about the Industries to students. The resource person Mr. Anand T Visionary Founder and CEO of Swifterz Creative Services and President of ASSET Society. In his talk he has given the overview of automation and its importance to the students and provide them with a platform to work on in the near future. the knowledge of the role of instrumentation in an industry, how to join/apply for job in industry, importance of GATE, NET etc. in various fields, and opportunities for instrumentation engineers in and outside the state/country to the students. Industry awareness events include a chance to learn more about the industry, speak directly with employers and register for the Build Force programme which could lead to placement or even to full time employment.

Activity 2

Type of Event/Activity	Internship
Name/Title of the Event / Activity	"Communication Skills"
Date of Conduction	17 /05/2023 to 3/06/2023
Venue (with address)	Department of EEE-Room no. 406
Organized by	Department of EEE
Objectives of the event/activity	<ul style="list-style-type: none"> (i) The students must learn to understand overview of how to face challenges (ii) Its benefits to the students to enhance business communication skills. (iii) Digital foot print, Effective use of social media.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	24(3 rd sem. EEE Students)

Event Description:

The EEE department has organized internship Programme for creating awareness about communication skills of students. The resource person Ms. Pallavi TS Assistant Professor Sapthagiri College of Engineering Bangalore. In her talk communication skills are the abilities you use when giving and receiving different kinds of information. Some examples include communicating new ideas, feelings or even an update on your project. Communication skills involve listening, speaking, observing and empathizing. Communication skills may take a lifetime to master—if indeed anyone can ever claim to have mastered them. There are, however, many things that you can do fairly easily to improve your communication skills and ensure that you are able to transmit and receive information effectively. Developing your communication skills can help all aspects of your life, from your professional life to social gatherings and everything in between. In your personal life, good communication skills can improve your personal relationships by helping you to understand others, and to be understood. Communication skills can also ensure that you are able to manage interactions with businesses and organizations.

*Type of event/activity	Technical Talk
Name/Title of the Activity/Event	Technical Talk on, Innovation in Electric Vehicle Technology & Entrepreneurial Opportunities
Date of Organization	22/07/2023 11.00AM
Venue (with address)	CLH- 405, Sapthagiri College of Engineering, Bangalore.
Organized by	Department of Mechanical and Electrical & Electronics Engineering
Objectives of the event/activity	<ol style="list-style-type: none"> 1. Orient / Guide the students on opportunities in the field of Electrical Vehicles. 2. Motivate the students to develop projects and carry out research in the field of Electrical Vehicles and Solar Energy. 3. Orient the students on the initiatives related to environment protection and sustainability. 4. To provide an opportunity to interact and discuss about the future of Electrical Vehicles.
Participants	106 Students and 08 faculty members (List enclosed)
Mention organized /participated/attended	Organized by Department of Mechanical & Electrical and Electronics Dept.

Event Description:

Technical Talk on, **Innovation in Electric Vehicle Technology & Entrepreneurial Opportunities** was organized by the department of Mechanical and Electrical & Electronics Engineering on 31/07/2023 11.00AM. The resource person, **Mrs. Lalitha Anil**, The Co Founder and Director, Eko Vehicles Private Limited addressed the students of 4th Semester Mechanical and Electrical & Electronics Engineering and faculty members. During the session the resource person covered in detail about the concepts related to Electrical Vehicles and highlighted on the present scenario of Electrical vehicles in India and abroad. She also encouraged the students to contribute to the field of Electrical vehicles by continuing further study and research in the area. She also highlighted on the entrepreneurial opportunities for Mechanical and Electrical students in the field of Electrical vehicles. Students interacted with the resource person and clarified their doubts at the end of session.

Feedback by the Participants:

1. How do you rate the relevance of conducting Technical Talk in the present context?

30 responses

2. How do you rate the overall planning & execution of Technical Talk?

30 responses

3. How do you rate the value addition by speaker ?

30 responses

- Excellent
- Good
- Fair

4. To what extent the presentations & interactions motivate you to take-up further study / Research in the field of Electric Vehicles?

30 responses

- To a large extent
- To some extent
- Not much

5. How do you rate your overall experience related to Technical Talk on Electric Vehicle?

30 responses

- Excellent
- Very Good
- Average

6. Do you express your willingness to participate in more Technical Talks at Sapthagiri College of Engineering?

30 responses

7. Your valuable Comments / Suggestion for improvement in the event.

Nothing
Very good
Informative
It was good
Great event
More interesting personalities
Valuable technical talk
It was useful
Excellent
We would like to learn new things
The session was informative
The session was informative
Session was good
Session was curious and informative
Could have made it more interestingly
It was very useful
The tech talk was so expressed and I learnt many things from that
THE BEST EVENT
Good knowledge
Excellent impact
We can't hear when the Mike is off
The talk was well organized
GOOD JOB
