Respected sir/madam,

Subject: Requisition for conduction of certification course and approval from Governing Council.

With respect to the Academic committee members meeting was held for analyzing department curriculum/syllabus for the academic year 2021-22. The committee members identified few gaps after analyzing the syllabus and feedback from the stakeholders. To bridge the gaps identified in the curriculum, the committee members decided to conduct a certification course on "Auto CAD" from 06/10/2022 to 11/10/2022 for the academic year 2022-23. So, I request you to forward and get the approval from the governing council for the same.

Thanking You,

Certificate Course Report

Department of mechanical Engineering conducted Certificate Course on 3D printing.

Guest Speaker: Prof. Anil Kumar, Asst Professor, SCE Bengaluru

Duration of the course: five days from 06/10/2022 to 11/10/2022

Course detail

Objective of the Course: The five day course made the students to be familiar with the Auto CAD which is a main platform for their career. Certificate Course became the vital step to improve the knowledge of students

Certificate course made them comfortable with the Knowledge on engineering management. Learning style adopted by students, which eventually is developed into a skill of their forte. Through this course, an ecstatic learning background paved way to a positive learning environment in the class where active participation was seen from every end. Faculty took the onus of interacting with the students personally to navigate them for the academic transition by becoming the guides by their side.

11/10/2022 Tuesday	Advance Surface Modeling	Advance Surface Modeling

Conclusion: The optimistic learning environment prompted motivation in the learning of the students. They felt bonhomie after the course they took. A sense of satisfaction was also seen. Faculty members were also equally benefited with the course. They felt more expedient while delivering the lectures as the margin was erased between these students and others. A structured environment was created. This helped in the smooth flow of academic lesson plan by adhering to the timelines.
