Dear Rekha Ma'am,

We invite Sapthagiri College of Engineering, Bangalore to collaborate with us for a **70-hour certification-linked placement program** that aims to enhance the skillset of the students. The program aims to deliver the following components with the student's beneficiaries:

1. **40 hours of module on Data Analytics & Cloud Computing**
2. **20 hours of Employability Skills**
3. **10 hours of Capstone Projects**

The orientation invite is in the email for your reference.

We are sharing zoom meeting link to connect with your students to orient them on the program. The orientation is scheduled for 3<sup>rd</sup> March, 2023 at 2:30 pm via ZOOM. Please ensure all you students have access to ZOOM to join on time.

- Topic: Next Gen Employability Program: Sapthagiri College of Engineering
- Time: Mar 3, 2023 02:15 PM India
- Join Zoom Meeting  
<https://us02web.zoom.us/j/81833192538>
- Meeting ID: 818 3319 2538

Please reach out to us if any concerns.

Thanks and Regards,

Namra

Dear Rekha Mam,

Thanks for your time today to discuss the areas for EY volunteer engagement with the students of Sapthagiri College. I request you to please propose 2-3 date and time slots for the EY volunteer engagement to facilitate the following activities with the students:

- Content delivery on Employability Skills with the students:
  - All 400 students to be divided in 20 groups of 20 students each to deliver sessions on topics like resume building, LinkedIn profiling & Interview Skills
  - 1 dedicated EY volunteer to be mapped to each student group to facilitate a 3 hour in-person session in Sapthagiri campus
  - Availability of 20 smart classroom with projector where EY Volunteers can deliver sessions with the students
  - **Action: Propose dates and time for the session in campus. Preferably in the last week of May**
- EY Office Visit for Corporate Mentorship:
  - Select ~50 students from Sapthagiri College to visit EY Office located in Whitefield to understand the functioning of the corporate offices
  - This would be a half day visit when all the 50 students will together commute to EY office for the corporate mentorship
  - **Action: Propose dates and time for the EY office visit. Preferably in the first week of June**

Request you to please share the dates with us by tomorrow EOD. Ensure there are no academic engagement clashes on the proposed dates.

Thanks for your support.

Regards,

Namra

Dear Rekha Mam,

I am glad to share the confirmed dates for student engagement with the EY Volunteers with you. The schedule is as follows:

- **EY Volunteer Engagement Sessions for Content Delivery with 400 students in Sapthagiri Premises**

- Date: 8<sup>th</sup> June
  - Time: 09:30 am to 01:00 pm
  - Requirements: Confirm the number of classrooms available with the projector that can be used for students interaction on 8<sup>th</sup>. Nominate the names of 3-4 faculty who would support you in the coordination of the event.

- **EY Office Visit for Corporate Mentorship by 50-60 students from Sapthagiri College**

- Date: 15<sup>th</sup> June
  - Time: EY to propose
  - Requirements: Edunet will share the visit agenda and timings in the early next week along with the names of the selected students.

As requested, I have enclosed the batch-wise date of students along with their attendance and assessment details. Let us know if any queries.

Dear Rekha Mam,

Please refer to the revised schedule for the EY Volunteers visits.

◦ **EY Volunteer Engagement Sessions for Content Delivery with 400 students in Sapthagiri Premises**

- Date: 9<sup>th</sup> June, Friday
- Time: 01:15 am to 04:30 pm. The students should be settled in the classrooms by 01:00 pm.
- Requirements:
  - 8 classrooms with projectors
  - Students divided into 8 groups of 50 students
  - Nominate the names of 4 faculty who would support in the coordination of the event

My colleagues, Ritika and Shashank will visit your college on 8<sup>th</sup> June to support in ensuring the readiness of the infrastructure and to orient the students for 30 minutes on the relevance of these sessions.

Thanks for your continued support. ~35-40 selected students from Sapthagiri will visit EY office on 26<sup>th</sup> July. Let me know if any concerns.

## Edunet -EY

Edunet Foundation, in collaboration with EY GDS, invites you to join the implementation of the **Next Gen Employability Program** to propel & augment the future skill ecosystem to democratize education for youth **from Telangana, Tamil Nadu, and Karnataka** towards technology careers. The program aims to impart IR 4.0 skills in the domain of Data Analytics & Cloud Computing to create a future-ready workforce in tier-II / III towns across the geographies.

### Program overview:

Next Gen Employability Program enables the students to bolster themselves by acquiring skills that enhance their employability in the dynamic tech industry. The program aims to strengthen the overall education ecosystem by imparting certificate-linked training initiatives for the following segments:

- **70 hours of training for students** from engineering & non-engineering courses from the pre-final and final year (preferably female students)
- **15-20 hours of the faculty development program** for faculty from a technical background

The current pilot phase of the initiative aims to deliver capacity-building training in a blended mode of learning (preferably instructor-led classroom sessions) to garner technical skills in the areas of **Cloud Computing, Data Analytics, and Power Bi, along with employability skills**. The students will get opportunities to participate in coursework workshops, bootcamps, expert talks, and project-based learning to innovate solutions for real-world tech problems.

### Program outcomes:

- Promoting **hands-on learning** experience among students and faculty
- Free **certification to the students and faculty** under the training initiative
- **Placement support** to the eligible students

**About Us:** Edunet Foundation (EF) is a leading Indian NGO focused on education, skilling, employment, and entrepreneurship. Edunet is **GuideStar certified** and has a Special Consultative Status with the Economic and Social Council (ECOSOC) at the **United Nations**. With a national footprint and association with regulators, state skill development missions, schools and higher education institutions, EF's programs have impacted more than 2,00,000 learners in the last year. We are closely associated with corporates like **IBM, Microsoft, SAP, EY, Vodafone Idea, Aditya Birla, etc.** to implement their CSR initiatives on skill development and enhance the skills of our future workforce.

## Annexure 1:

### Program Brief:

India has one of the largest as well as the youngest workforce in the world. This is potentially one of the most integral factors that can make the country a global economic giant. But the current gap between skills required by the industry and the skill level of the incoming/existing workforce is making the situation that could potentially head towards disaster with a rise in unemployment despite availability of jobs as well as steady enrollment in higher studies.

To mitigate this, the proposed program aims to bridge the skill gap by providing students from tier 2/3 institutes, typically from underserved communities, with future skills that bring up their employability index. The program proposes to impart future skills such as cognitive thinking, problem-solving, effective communication, teamwork, etc. along with IR 4.0 skills centered around Data Analytics and Cloud Computing ensuring current career readiness along with future readiness. The program also aims to drive the capacity building of teachers to achieve a ripple effect to broaden the reach of the program. The program will be deployed in a blended format with experiential learning elements such as expert talks, bootcamps, and project-based learning

### Program Implementation:

Duration: February 2023 to July 2023

Target number of learners: In the state of Telangana, Tamil Nadu & Karnataka the program aims to train 1500 students from Engineering and /or Sciences background

Student training will be a structured and exhaustive engagement program for the pre-final and final year students, with a strong focus on helping them develop the relevant digital technology skills through a project-based learning methodology. The program will enable the students to

- build strong foundational and industry relevant skills in the respective technology vertical through hands-on experiences
- learn complimentary skills through self-paced learning opportunities and modular engagements like expert talks, bootcamps, etc.
- reinforce their learning through mandatory project work aimed at building technical solutions for real-world cases under mentorship of master trainers/industry experts.
- Enhance their overall employability and provide with opportunities for internships/ jobs/micro-entrepreneurship.

Student training to be divided into two cohorts –

- Cohort 1 for students from engineering colleges to train them program content and provide access to employment opportunities through jobs/internships to eligible students
- Cohort 2 for learners from non-engineering institutions to build their capacity on fundamentals and provide access to employment opportunities through jobs/internships to eligible students

## The center of innovation and placement cell

### EY TRAINING REPORT

The center of innovation and placement cell organized a training program for pre-final year and final year students from 3-5-2023 to 16-5-2023. The training was based on data analytics and cloud computing. The training was inaugurated by Dr. Ramakrishna and the trainers of the training program. The training was organized for 11 days which includes technical skills in the areas of **Cloud Computing, Data Analytics, and Power Bi, along with employability skills.**

Inauguration of EY Training

The training topics includes Introduction to Cloud, Definition, Why Cloud Computing, Cloud Computing Basics, Types of Cloud, Types of Cloud Computing Services, Advantages of Using Cloud, Cloud Architecture, Cloud Computing Application, Market Trends of Cloud Computing. Cloud Terminology, Characteristics of Cloud Computing, OnPremise Vs. Cloud, Advantages. Different types of Cloud Computing Deployment Models, Cloud Services Delivery Models, Difference between IaaS, PaaS, SaaS. What is Microsoft Azure, Why Microsoft Azure, what can you do with Microsoft Azure, what is Azure Portal, what is Azure

Principal

Bangalore-560057

Marketplace, Azure Command Line Tool, What is Azure Cloud Global Infrastructure, what is Microsoft Global WAN. Azure PowerShell Azure CLI, what is Azure CLI, Installation steps on Azure CLI on windows, Getting Started with Azure Cloud Platform. What is Azure Resource Manager, Azure Resource Manager Terminology, Benefits of Resource Manager, Scope at different levels of Azure, Create and Manage Resource group in Azure Regions, Concepts of Azure Active Directory, Insights into Azure Cloud Environment, Microsoft Azure Core Services- Compute.

Introduction to Virtual Machines, how virtualization works, Advantages and benefits of Virtual Machines, use case of Virtual Machines, Remote access RDP & SSH, Remote access using SSH, Creating your first Windows VM in Azure Cloud, Connect to Virtual Machine, Clean up resources, Creating your first Linux VM in Azure cloud, Connect to Virtual Machine, Availability options for Azure Virtual Machine, Create and Deploy Virtual Machines in availability set using Azure Portal. How Data Warehouse Works?, Types of Data Warehouse, Data Warehouse Architecture, Data Warehouse Components. Creating Azure Storage, Account (Blob Storage).

Basic SQL commands, SELECT ALL Statement, SELECT Single or Multiple Column, DISTINCT Statement, COUNT and COUNT(DISTINCT), WHERE Statement, AND Statement, OR Statement, NOT Statement, Update Statement, DELETE Statement, INSERT INTO Statement, Why Join Datasets (Overview), SQL Joins, SUM Function, AVG Function, Extreme Value Calculation and Sorting Data, Grouping and Filtering in Groups. Create and Setup Azure SQL Database, Azure SQL DB Firewall Settings, Installing the SQL Server Management Studio, Introduction to Data Analytics on Microsoft Azure Cloud.

What is ETL, ETL Process in Data Warehouse, ETL Tools, Create Data Factory in Azure, Create Pipeline in Azure Data Factory, Create linked Service for Blob Storage, Create Linked Service for SQL Database, Create COPY Activity and run the pipeline, Dealing with Multiple Datasets, Creating Tables for Multiple Datasets in SQL DB, Creating Linked Service for Multiple dataset in Blob, Creating linked service for multiple data load to SQL DB, COPY Activity for multiple dataset load to SQL DB, Upload movies dataset for ETL transformation, Create ADF Dataflow and Load Movies dataset, Apply Filter in ADF Data Flow, Average-Aggregation Function in ADF, Sink Transformed Dataset to Blob Storage.

Create EventHub Namespace and Events, Configure TelecoGenerator App, Create Azure Stream Analytics Job, Create Input Job, Create Output Job, Realtime Data Upload to Blob Storage. Import Dataset from Blob Storage, Import Dataset from SQL Database in Azure, Import Dataset from Excel File, Cards in Power BI, Bar Charts and Column Charts, Line and Area Charts, Line and Column Charts, Waterfall and Funnel Charts, Pie and Donut Chart, Tables in Power BI, Matrix Tables, Decomposition Tree. What is SAP", ERP systems, Evolution of SAP, SAP Layered Architecture, Getting access to SAP, Log in to SAP, SAP

Tables in Power BI, Matrix Tables, Decomposition Tree. What is SAP", ERP systems, Evolution of SAP, SAP Layered Architecture, Getting access to SAP, Log in to SAP, SAP

menu, transactions, and Navigations, SAP configuration, Material creation, and Customer creation, Order to Cash (OTC) process, Sales and distribution flow, SAP ERP tools, SAP ERP Architecture, Technical requirements of SAP HANA, SAP applications on SAP HANA, Introducing SAP business technology platform (BTP). All the 8 days of technical training, it is observed that the students are very much improved in the programming skills.

After 8 days the technical training, the employability skill training has conducted. There are 4 trainers exclusively for employability skill training. It is observed that the students of all the branches were improved in communication and employability skills. The training was very much effective with respect to all the aspects.

Valedictory function was arranged at the end day. The students were expressed their sincere gratitude through oral feedback. And the trainers expressed the talents of Sapthagiri students with respect to the activity conducted. In the valedictory function the benefit of conducting this program was briefly explained by Dr. H. Ramakrishna and also, he has given a special appreciation to trainers for made the students to a better status than earlier with respect to technical skill.

The Group HR and Head Ms. Suma Vishwanath was also appreciated the trainers and students for the excellent cooperation extended for 11 days. And also, she has given a special thanks to trainers for the excellent training and opportunities. It is also mentioned that the many more training activities will be conducted in future.

The training team was leading by Mr. Shashank Shekhar from Edunet foundation. The technical master trainers are Dr. Ashish Gupta , Mr.Eluri Narendra, Mr. Mayank Srivastav, Mr. Yogesh Raje, Mr. Guruprasad, Mr. Poovaraghavan and Mr. Mahesh Kurhe.

The employability training team was leading by Ms. Rashmi and the trainers are Ms. Alaisha, Mr. Ramesh and Ms. Archana.

All trainers expressed the happiness towards the hospitality provided by the college and also special appreciation has given to the placement coordinators and students for their excellent cooperation.

The program was concluded with the photo session of each branch and trainers. Some of the photographs included herewith.
