### Event Description:

The Department of Biotechnology conducted a Virtual Quiz for Students under the banner of The Institution of Engineers (India) Student chapter and Shrishti BT forum on 15<sup>th</sup> Sep-2022 at 3.15pm. The Virtual Quiz was conducted on the occasion of Engineers day. Engineers Day in India is celebrated on the birth anniversary of Sir Mokshagundam Vishveshwaraya, He was instrumental in designing and patenting a system of automatic weir floodgates in 1903. Sir M V was the architect of the Great Krishna Raja Sagara Dam in Mysuru. He designed a flood protection system for the city of Hyderabad by Musi River. The main aim of arranging the quiz is to know the contribution of Engineers in past and modern

#### Event Description:

The Department of Biotechnology organized chart exhibition on "Karnataka Culture and Heritage Tour" under the banner of The Institution of Engineers (India) Student chapter as a part of Social connect and Responsibility on 06-12-2022 in association with Shristi Forum, BT, SCE. The Chief guest of the event was Dr. Ramakrishna, Principal of SCE.

The objective of the exhibition was to make understand and provide Cultural heritage of Karnataka and its potential to promote access to and enjoyment of cultural diversity. It can also enrich social capital and create a sense of individual and collective belonging, which helps to maintain social and territorial cohesion.

Faculties and students of the BT department and other departments gained knowledge from the tour. The entire session was moderated by Dr. Gouri Mirji and Prof. Gowthami N V, program coordinators.

Name/Title of the Activity/Event	"BIOINVENTIA 2K22"
Date of Organization	08 <sup>th</sup> Dec 2022
Venue (with address)	Department of Biotechnology (SCE)
Organized by	Co-ordinator: Prof. Ramya D L, Dr. Gouri Mirji , Dr. Shobha G, Prof. Kavya, Dr. Chaitra, Dr. Soumya, Dr. Allwin Ebinesar and Student Co-ordinators
Objectives of the event/activity	<ul style="list-style-type: none"> <li>The main objective of the event was to enhance the Technical skills and Co-curricular participation among the students.</li> <li>Events such as MIND'S EYE and CRIME SCENE were conducted to improve and test the memory capacity.</li> </ul>
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	60+ participants
Mention organized /participated/attended	Organized

**Event Description:**

The Department of Biotechnology organized with Pride and Elegance BIOFEST - "BIOINVENTIA 2K22 " under the banner of The Institution of Engineers (India) Student chapter on 08<sup>th</sup> Dec 2022 & 09<sup>th</sup> Dec 2022 from 10:30 am to 4:00 pm in association with Shruti Forum, BT, SCE.

The session was open for the faculties and students of Biotechnology Department. The Event Hands on from the Inauguration by Dr. H Ramakrishna ,Principal, SCE and Dr. Veena S More, Head of the Department, Department of Biotechnology, SCE and the Motivational words given by them.

The objective of the BioFest is to Uphold the Communicative and Technical Skills of students and there

participating in Co Curricular Activities.

1. **MIND'S EYE** (Faculty CoOrdinators: Dr.Gouri Mirji, Dr.Shobha G Student CoOrdinators: Chethana R, Gayathri S) was an Interesting and Attractive Game which tested the Memory and Intel of the students thereby gave an cherishing introduction to the event with Entertainment. Both students and faculties were actively participated in it.
2. **THE SILENCED TRUTH** (Faculty CoOrdinator: Prof. Ramya D L, Student Coordinators: Yashas, Aastha, Darshan P) It was a Mysterious one based on Forensics. It included the crime scene where we need to find out the suspect with twistes and doubts. More than 50 participated in this event.

The BIOFEST had an interactive segment where students and faculties of Biotech department, SCE have participated, learnt and benefited with information related to the Subject. About 60+ participants participated in the activity. It was an enlightening and fruitful event. The event was ended with Vote of Thanks and expressing gratitude to all who were of greater support and stood as a backbone for making the Event a Successful One.

**Event Description:**

The Department of Biotechnology conducted a alumni talk for Students under the banner of The Institution of Engineers (India), NDLI (National Digital Library of India), Student chapter and Shrishti BT forum on 11th May 2023 from 10.30AM- 11.30AM. Talk was delivered by **Mr. Koushik M**, Project Assistant Department of CES, Indian Institute of Science, Bangalore.

The main aim of arranging the seminar is to give all the students an idea about the general view about highlights the loss, causes and the methods for conservation of biodiversity with the help of biotechnology. Kodagu is rich place of biodiversity with numerous endemic flora including 436 tree species and fauna diversity including 800 species and known for heavy rain with an average annual rainfall of 2903 mm. August 2018, 2019 and 2020 rain disaster resulted in flash floods and mudslides across Kodagu, where massive destruction and loss of biodiversity occurred. Biodiversity hotspot Kodagu had lost numerous indigenous species owing to human intervention such as deforestation, industrialization and urbanization along with natural calamities. Biotechnology plays crucial role in ex-situ conservation with in-vitro culture techniques. Plant tissue culture is commonly used method for regeneration of various plant species that are endemic, endangered, threatened and rare. The Event was organized by Dr. Soumya C, Assistant professors, Dept of Biotechnology, SCE, Bangalore-57
