

## SAPTHAGIRI COLLEGE OF ENGINEERING

(Affiliated to Visvesvaraya Technological University, Belagavi & Approved by AICTE, New Delhi)  
Accredited by Naac 'A' grade, Accredited by NBA for ECE, CSE, ISE, ME, EEE  
An ISO 9001:2015 & ISO 14001:2015 Certified Institution)  
#14/5, Chikkasandra, Hesaraghatta Main Road, Bengaluru - 560057  
Phone: 080-28372800/1/2 www.sapthagiri.edu.in Fax: 080-28372797

### Strategic Perspective Plan of Sapthagiri College of Engineering for the year 2022-2023

Sl. No.	Dept. / Committee	Chronology	Plan	Description	Strategy	Funds/Budget	Remarks Status
1	IQAC	From August 2022	Collection and review of Monthly Activity Reports	To review and record monthly activities conducted by departments.	To guide the departments to organize activities involving students	Available facility in the college is used.	Completed
		December 2022	Preparation of AQAR - 2022-23	Review and submission of annual report to NAAC	Preparation of Annual reports as per the NAAC format an upload in the NAAC website	Available facility in the college is used.	Completed
		July 2023	Preparation of Mandatory Disclosures	Preparation and submission of Mandatory disclosure to AICTE	To prepare the mandatory disclosures as per the AICTE requirements and submit the report	Available facility in the college is used.	Completed
		August 2022 to July 2023	Review of Daily Class Taken Report	Monitor the attendance of students	To improve the students attendance, Encourage students to be regular to classes	Available facility in the college is used.	Completed
		Second week of April 2023	Organizing Faculty Development Program	Update the faculties on latest tools / techniques used in teaching -learning process	To provide the information on latest tools / trends in teching-learning	Available facility in the college is used.	Completed
		Second Week of July 2023	Organizing ICGCP-2023	Providing an opportunity for students and Research scholars to present their research work.	Encourage research scholars to write research proposals and involve in research work	Available facility in the college is used.	Completed
		1 week of February 2023	Review and submission of KSCST Project Proposals	Provide guidelines for students to prepare proposal and submit for funds.	Encourage students to write research proposals and involve in research work	Available facility in the college is used.	Completed
		Second week of May 2023	Review and submission of VGST Project Proposals	Providing an opportunity for faculty to submit their proposals for funding	Motivate faculty on writing proposals related to their research work.	Available facility in the college is used.	Completed
		Second week of June 2023	Collection and review of Activity Points Reports	Consolidation of activity points reports from final year students	Encourage students to participate in extension / social service activities	Available facility in the college is used.	Completed
		First week of March 2023	Collection and Review of CO-PO Mapping for 2022 courses	Course outcome and Program outcomes mapping for 2022 Course for first semester courses	Prepare mapping and include activities for strengthening Co-Po mapping	Available facility in the college is used.	Completed
		Third week of March 2022	Organizing a talk on, Entrepreneurship and IPR	Organizing a talk on, Entrepreneurship and IPR	Provide complete information and encourage faculties to make use of E-Resources	Available facility in the college is used.	Completed
		Second week of July 2023	Review and submission of VTU best projects	To prepare and submit the research proposals of students.	Encourage students to write research proposals and involve in research work	Available facility in the college is used.	Completed

Principal  
Sapthagiri College of Engineering  
14/5, Chikkasandra, Hesaraghatta Main Road  
Bengaluru - 560 057

2nd week of August 2022	Azadi ka amrit mahotsav - Quiz Competition	The Department of Biotechnology organized an "A Quiz Competition on "AZADI KA AMRIT MAHOTSAV" under the banner of The Institution of Engineers (India) Student chapter on 11-AUG-2022 from 03:00 Pm to 04:30 pm in association with Shristi Forum, BT, SCE.	Independence Day keeps the memories of the fighters' struggle for freedom alive in our minds. Also, it allows everyone to value our future, hard-attained freedom and communal harmony by each passing year	Available facility in the college is used.	Completed
3rd week of August 2022	Seminar on "Journey from Scientist to Entrepreneur"	Seminar was conducted for Students. The session was addressed by Dr. Purushottam M. Dewang Founder & MD, CropG1; Member Board of Research, KBC North Maharashtra University, Jalgaon Member of Scientific Advisory Board, Acharya & BMR College of Pharmacy, Bangalore	The motive of the Seminar was to encourage students about Journey of becoming an Entrepreneur; Pros and Cons of being an Entrepreneur and To guide them regarding the various strategies involved in developing a Startup and financial Aids	Collected from the Students 2796	Completed
3rd week of August 2022	Azadi ka amrit mahotsav -Debate Competition (The Voice of the Brain)	The main aim of arranging the Debate Competition is to encourage the students to promote the values of nationalism and patriotism among the students. Also to inspire students to take responsibility for the country and reform it in a way that we all can achieve the dream nation we desire.	To promote the values of nationalism and patriotism among the students	Available facility in the college is used.	Completed
3rd week of August 2022	Azadi ka amrit mahotsav - Essay Competition	The main aim of arranging the Essay Competition is to encourage the students to improve their writing analytical, and persuasive skills and also the competition was organized on account of 75th India Independence Day.	To enhance the knowledge about 75th India Independence Day among students To encourage the students to improve their writing analytical, and persuasive skills	Available facility in the college is used.	Completed
3rd week of September 2022	Virtual quiz - "Engineers Day"	The Virtual Quiz was conducted on the occasion of Engineers day. Engineers Day in India is celebrated on the birth anniversary of Sir Mokshagundam Vishveshwaraya, He was instrumental in designing and patenting a system of automatic weir floodgates in 1903. Sir M V was the architect of the Great Krishna Raja Sagara Dam in Mysuru. He designed a flood protection system for the city of Hyderabad by Musi River. The main aim of arranging the quiz is to know the contribution of Engineers in past and modern day technology and their role in future technology.	To provide knowledge about Role of Engineers in past, Current and Future Technology also highlighting Immense Contribution of Sir M Vishveshwaraya in various fields of Engineering	Available facility in the college is used.	Completed

4th week of October 2022	Webinar: Higher education, the time is now	The webinar was addressed by Mr. Fawad Yar Khan, Project Head at GATEFORUM, Mr. Pravin K, (AIR 28 IN GATE, BT Stream). The motive of the webinar was to provide information regarding importance of higher education and paths available to achieve that to students.	To guide the students regarding Pathways available for Higher education.	Available facility in the college is used.	Completed
4th week of October 2022	Pick and Speak: "World Students Day", Birth Anniversary of Dr A P J Abdul Kalam	The Department of Biotechnology organized an activity of pick and speak activity on the occasion of "World Students Day", Birth Anniversary of Dr A P J Abdul Kalam	The objective is to encourage the students and build stage courage among them. Different topics related to science were given for the activity. Students actively participated in the activity. It also had an interactive session where students have participated, learnt and benefited with information related to the topic. About 25 students participated in activity.	Available facility in the college is used.	Completed
1st week of November 2022	Industrial visit: "KRISHIMELA 2022"	Department of BT had organized one day visit to "Gandhi Krishi Vigyana Kendra" popularly known as GKVK, who had organized physical and virtual Krishimela from 31st Oct to 6th of November, 2022 for 5th sem students as part of curriculum studies.	Krishimela majorly focused on to showcase the latest agricultural technologies for the farmers, students various of discipline, entrepreneurs so that one can learn and implement new technologies in their work.	Available facility in the college is used.	Completed
3rd week of November 2022	Alumni Talk on "Career planning before graduating from college"	The Speakers were Proud alumni of BT Dept: Miss. Mahima Mahabaleswar Executive/Quality Control Department Biocon Biological Limited Bommasandra jigni Link Road, Electronic City ,Bangalore	The objective of this Alumni talk Information technology in Biotechnology	Available facility in the college is used.	Completed
4th week of November 2022	Hands on training workshop: "Animal cell culture and it's role in research and industry"	The resource persons for the Hands on workshop session was Dr. Gokul Kesavan, Co-founder & Chief Scientific Officer VOWELS.	The main objective of ethics in research publications are: • Day 1:- Cell culture techniques and explant from Zebrafish fin. • Day 2:- Thawing cells, seeding cells and Real time-Live Imaging using CytoSMART Lux2. • Day 3:- Observe seeded cells, Zebra fish primary cells observe and pre-prepared MSC differentiation to adipogenic lineage. Day 4&5:- Maintenance of cells.	Collected from the Students 23462	Completed
4th week of November 2022	Model Exhibition:	5th Sem Biotech Students	The outcome of the MODEL EXHIBITION was that students were able to show their project at higher level and the process boosted their confidence	Available facility in the college is used.	Completed

Principal  
Sapthagiri College of Engineering  
14/5, Chikka Sandra, Hesaraghatta Main Road  
Bengaluru - 560 057

1st week of December 2022	Chart exhibition: "Karnataka Culture and Heritage Tour"	The Department of Biotechnology organized chart exhibition on "Karnataka Culture and Heritage Tour" under the banner of The Institution of Engineers (India) Student chapter as a part of Social connect and Responsibility	The objective of the exhibition was to make understand and provide Cultural heritage of Karnataka and its potential to promote access to and enjoyment of cultural diversity. It can also enrich social capital and create a sense of individual and collective belonging, which helps to maintain social and territorial cohesion.	Available facility in the college is used.	Completed
2nd week of December 2022	BIO FEST: "BIOINVENTIA 2K22"	The Department of Biotechnology organized with Pride and Elegance BIOFEST - "BIOINVENTIA 2K22" under the banner of The Institution of Engineers (India) Student chapter on	The main objective of the event was to enhance the Technical skills and Co-curricular participation among the students. Events such as MIND'S EYE and CRIME SCENE were conducted to improve and test the memory capacity.	Available facility in the college is used.	Completed
2nd week of December 2022	BIO FEST: "ABHIVYAKTHI "	The Department of Biotechnology organized with Pride and Elegance BIOFEST - "ABHIVYAKTHI" under the banner of The Institution of Engineers (India) Student chapter	The main objective of the event was to uphold the Technical skills and Co-curricular participation. VOICE OF THE BRAIN and TREASURE HUNT for building the communicative skills and activities related to Non Academic.	Available facility in the college is used.	Completed
3rd week of December 2022	Expert Talk/ Seminar: Applications of Advance Techniques For Production of Plant Hybrids	The session was addressed by Dr. Shashidhara K.S., MSc (Bioinformatics), MSc (Agriculture), PhD., PDF (USA), Assistant Professor, Department of Genetics and Plant Breeding College of Agriculture, University of Agricultural Sciences (Bangalore).	The aim of the webinar was provide knowledge of Plant breeding process, Mutations in Plants and Apomixis and recent research and advancements in plant breeding. Speaker focused on various plant breeding techniques by taking wheat, sugarcane, maize as examples.	Collected from the Students 3000	Completed
3rd week of December 2022	Industrial visit: Gangagen Biotechnologies Pvt. Ltd.	The Department of Biotechnology organized Industrial Visit for Seventh to Gangagen Biotechnologies Pvt. Ltd. No 12, 5th Cross, Raghavendra Layout, Tumkur Rd, opposite to MEI Ltd, Yeswanthpur, Bengaluru, Karnataka 560022. On 16th December 2022 at 1:30am to 4:00pm. Miss Madhavi HN, Senior research associate delivered the lecture related to the research work carried out in company for 30 minutes.	The aim of visit is to bridge the gap between theory and practical and to provide a platform for the students to Known how the process of research take place in the company. A discussion was arranged at the end of the visit to clarify the doubts. The student interact with the research associates to clarify their doubts	Available facility in the college is used.	Completed

4th week of December 2022	Industrial Visit: Forensic Lab, SIMS, Sapthagiri Institute of Medical Sciences	Department of BT had organized one day visit to "Forensic Museum" at Sapthagiri Institute of Medical Sciences on 21st December, 2022 for 7th Sem BT students along with ME, CV, EEE, EC as part of curriculum studies.	Bridge the gap between theory and Practical Importance of Forensic Biotechnology in medical field	Available facility in the college is used.	Completed
1st week of January 2023	Alumini Talk: Programming languages for jobs and Future	The Speaker was Proud alumni of BT Dept: Ms. Pooja Singh Ad operations and analyst executive, Genisys Group, Hoodi Village, Whitefield, Thigalarapalya, Krishnarajapura Bangalore-560048	Major objective of organizing this seminar was in order to remain relevant in the job market it is important for professionals to learn new coding languages. The most essential skill to learn on today's scenario	Available facility in the college is used.	Completed
4th week of January 2023	Mini Project Exhibition III sem: Working Model Exhibition	The Department of Biotechnology organized model exhibition under the banner of The Institution of Engineers (India) Student chapter as a part of III semester academics on 18-01-2023 in association with Shristi Forum, BT, SCE.	The main purpose is to provide students an opportunity to showcase their ideas so that creativity can be nurtured well. It is to engage the students in thinking out of box and learning new facts.	Available facility in the college is used.	Completed
3rd week of February 2023	Industrial Visit: Jindal Nature Care Institute, Tumkur Main Road, JINI Rd, Jindal Nagar, Maruti Layout, Aanchepalya Village, Bengaluru, Karnataka 560073	The Department of Biotechnology organized Industrial Visit for third semester students to Jindal Nature Cure Institute On 15/02/2023 at 10.00am to 1:00pm. Mr Sridhar Hegde, Water Treatment Plant incharge explained about RO unit of the institute. The complete information of working of RO unit and water supply to different sections of institute was given. Later the students were allowed to observe	Bridge the gap between theory and Practical Techniques of organic farming, sewage treatment process	Available facility in the college is used.	Completed
4th week of February 2023	Webinar: National Education Day: Changing Course, Transforming education	The session was addressed by Dr Farhan Zameer, Chief Scientific Officer, Pathogutomic Laboratory, ATMA Research Centre, Alva's Ayurveda Medical College, Moodubidire, Karanataka	Webinar was conducted to celebrate, the National Education Day theme is "Changing Course, Transforming Education." The theme is set this year to highlight the urgent need to reform the Indian education system as per the current requirements for all the Students of Department of Biotechnology	Available facility in the college is used.	Completed
4th week of February 2023	Expert Talk: Entrepreneurship Skills, Attitude And Behavior Development	The Department of Biotechnology organized a workshop on "Entrepreneurship Skill, Attitude & Behaviour Development". The guest speaker of the event was Professor Dr. Shruthi, Founder and Scientist, Bioedge solutions, Bangalore.	This workshop aimed to spark the entrepreneurial spirit in the budding innovators by guiding them on how to convert their Innovative Ideas and emerge as successful Entrepreneurs. Becoming an entrepreneur is an important career decision, and to plunge into this domain requires the right skill set, attitude, and behaviour.	Collected from the Students 3000	Completed

1st week of March 2023	"Food Walk": "Social Connect and Responsibility"	The Department of Biotechnology organized Food Walk as a part of III semester Social Connect and Responsibility subject academics on 04-03-2023 in association with other departments EEE, Civil and Mechanical Engineering, SCE.	The main purpose is to provide students an opportunity to showcase famous food items of Karnataka. It is to engage the students in thinking out of box and learning new facts.	Available facility in the college is used.	Completed
1st week of April 2023	Alumini talk: Skill Set and Career Opportunity in Biotech Industry	The talk was delivered by proud alumni student Ms. Debika Chakrabarty, Research Associate, Phyx44 Labs Private Ltd..	The objective of organizing this Alumini talk was in order to remain relevant in the job market it is important for professionals to learn new skill set for the current industry exposure.	Available facility in the college is used.	Completed
3rd week of April 2023	Faculty Development Program: Biology for engineers	The Department of Biotechnology, SCE organized the Faculty Development Program (FDP) programme on "Biology of Engineers" for a period of 5 days from 17th-21th April 2023 by offline mode. the Speakers were faculties of Sapthagiri collge of Engineering Dr Veena S More, Professor & Head Department of Biotechnology Dr. Soumya C, Assistant Professor Department of Biotechnology.	The overall effort of this FDP is to convey the message that technology is upgrading very fast in day to day life. For success of an academician, researcher or for the society engineering programme have to work together i.e., they have to become interdisciplinary which will lead to great innovation	Available facility in the college is used.	Completed
1st week of May 2023	Expert talk: Downstream processing involved in biotechnology industry	The talk was delivered by speaker Ms. Debika Chakrabarty, Research Associate, Phyx44 Labs Private Ltd..	The outcome of the seminar was that students were able to learn Downstream processing involved in biotechnology industry.	Available facility in the college is used.	Completed

  
 Principal  
 Sapthagiri College of Engineering  
 14/5, Chikkasandra, Hesaraghatta Main Road  
 Bengaluru - 560 057

3rd week of May 2023	Alumini Talk: "A Look in to Catastrophe at Kodagu- IMPACT"	The Department of Biotechnology conducted a alumni talk for Students under the banner of The Institution of Engineers (India), NDLI (National Digital Library of India), Student chapter and Shrishti BT forum on 11th May 2023 from 10.30AM-11.30AM. Talk was delivered by Mr. Koushik P M, Project Assistant Department of CES, Indian Institute of Science, Bangalore.	The main aim of arranging the seminar is to give all the students an idea about the general view about highlights the loss, causes and the methods for conservation of biodiversity with the help of biotechnology.	Available facility in the college is used.	Completed
3rd week of May 2023	Project Exhibition: Project Exhibition Department of Biotechnology, 8th Sem Students	Department of Biotechnology arranged project exhibition. The alumina Mr Akash , Miss Neehiarika, Innovation management and Digital Business Professional, Miss Srilekha, Food technologist and Marketing Lead, Lyurved was invited to address the significance of the exhibition and their uses when they approach for work. They also judge the work carried out by the student.	The objective of the exhibition was to showcase the work they had carried during their project. The exhibition allow them to do poster presentation and display of their work. It promote them for individual / team work, Improve presentation, communication and leadership skills. Eleven batches were participated in the exhibition.	Available facility in the college is used.	Completed
3rd week of May 2023	Hands on training workshop: "CRISPR/CAS Gene Editing: potential Tool in Therapy and Diagnostics"	The Department of Biotechnology organized a Hands-on Workshop on "CRISPR/CAS Gene Editing: potential Tool in Therapy and Diagnostics" under the banner of The Institution of Engineers (India) Student chapter on 15th May to 19th Nov 2023 from 1:00 pm to 4:00 pm in association with Shristi Forum, BT, SCE.	The main objective of ethics in research publications are: 1. Day 1: - Topic 1- Fundamentals of CRISPR/Cas9; Topic 2- Edit out HIV. 2. Day 2: - discussion and troubleshooting mini project 3. Day 3: - Design PCR primers to validate gene editing (mini project 2). 4. Day 4: - CRISPR based diagnoses (cas12 and cas 13). Day 5: - Applications of CRISPR in modern medicine.	Available facility in the college is used.	Completed
3rd week of May 2023	Industrial Visit: Patent Cell, IISc, Bangalore	The Department of Biotechnology organized Industrial Visit Dr. U T Vijay, Executive Secretary, Patent Cell, Karnataka State Council For Science and Technology, Bangalore. Explained about Patentability of Biotechnological; Patent can issued to Utility, Design, Plan and Provision; Patent Filing; Patent offices	A Visit was conducted to with theme of Protecting Your Intellectual Property. The theme is to highlight about Patent, Patent is a legal document granted by the government giving an inventor the exclusive right to make, use, and sell an invention for a specified number of years.	Available facility in the college is used.	Completed

  
 Principal

 14/5, Chikkasandra, Hesaraghatta Main Road  
 Bengaluru - 560 057

3rd week of June 2023	Quiz: "World Blood Donor Day"	The Department of Biotechnology organized Quiz: on account of "World Blood Donor Day"	The Main objective of organizing this Quiz was to create awareness among youngsters regarding the importance of blood donation. Furthermore, there is a constant need for a regular supply of blood because it can be stored only for a limited period of time before use. Regular blood donation by a sufficient number of healthy people is needed to ensure that blood will always be available whenever and wherever it is needed. Also, the donated blood is separated into its components such as: red cells, platelets and plasma – which can be used individually for patients with specific conditions.	Available facility in the college is used.	Completed
3rd week of July 2023	Webinar: "CAREERS IN BIOTECHNOLOGY"	The Department of Biotechnology conducted a webinar for 4th, 6th, Semester Students under the banner of The Institution of Engineers(India) Student chapter and Shrishti BT forum, on "CAREERS IN BIOTECHNOLOGY", 13th JULY 2023 at 11:00 AM to 12:00 PM. The session was addressed by Mrs. Akshatha M (Ex GENPACT; S R DATA SCIENTIST), Mr. Prashant M (Project Manager; JUZZ-IT), Mr. Karthik DV (JUZZ-IT).	To guide the students regarding Pathways available for Careers in Biotechnology .	Available facility in the college is used.	Completed
3rd week of July 2023	Group Discussion: "World Youth skills day: Transforming youth skills for the future"	The Department of Biotechnology conducted a Group discussion for 4th Semester Students under the banner of The Institution of Engineers(India) Student chapter and Shrishti BT forum, on account of "World Youth skills day: Transforming youth skills for the future",	To Encourage students for inculcating their skills and mindset to focus on futuristic problem solving ability. To Develop their communication skills	Available facility in the college is used.	Completed
4th week of August 2022	Mini Project Exhibition	Mini project exhibition was conducted for "4th Sem students"	Importance of science and technology in education as they are closely associated with humans in all aspects <ul style="list-style-type: none"> <li>• Practical exposure to students, on science based models and experiments</li> <li>• Helps in communication skill and team work</li> <li>• Recent technologies in the field of biotechnology</li> </ul>	Available facility in the college is used.	Sucessfully Conducted
2nd week of October 2022	Visit to Sewage treatment plant- Mailsandra	An Industrial visit was organized by Department Of Civil Engineering for 7 th Semester Students at BWSSB- 75 MLD sewage treatment plant Mailsandra, Bangalore on 13 th Oct 2022.	To enhance the knowledge of construction and working of Domestic waste water treatment plant for students. This fulfilled event witnessed enthusiastic participation. The main aim of this event was to encourage and develop the social skills and interaction among the students.	Available facility in the college is used.(Transportation service)	Sucessfully Conducted

1st week of November 2022	Visit to Precast Yard	An Industrial visit was organized by Department Of Civil Engineering for 7th Semester Students at BMRCL Precast Yard , Hennur, Bangalore on 04th Nov 2022.	To enhance the knowledge of students in construction of precast structures which is used for metro construction	Available facility in the college is used.(Transportation service)	Successfully Conducted
2nd week of November 2022	JAL SHAKTI ABHIYAN	An account of this JAL SHAKTI ABHIYAN , Sathagiri college of engineering, Department of civil engineering conducted WALKTHON between stretch of Sathagiri college of engineering to MEI ground on 8/11/2022 Tuesday.	To create awareness in the public to conserve water	Available facility in the college is used.	Successfully Conducted
2nd week of November 2022	Site visit C block Sathagiri NPS University.	An Industrial visit was organized by department of civil engineering for 7th Semester Students at Sathagiri college of Engineering construction site, Bangalore on 8th November 2022..	To enhance the knowledge of construction of reinforced concrete structures on site for students	Available facility in the college is used.	Successfully Conducted
2nd week of November 2022	Exposure visit of BIS Bangalore for 5th sem Students	Department of Civil Engineering was invited for an exposure visit at BIS Office and an industrial visit was organized by BIS @ Bureau of Indian Standards Opp. Jalahalli Metro, Peenya Industrial Area 1st Stage, Tumkur Rd, Vivekananda Nagar, Peenya, Bengaluru, Karnataka 560058 for 3rd-year students (39 in number) on 10th of November 2022.	To enhance the knowledge of is code and standard testing methods and issuing of bis certificates etc.	Available facility in the college is used.(Transportation service)	Successfully Conducted
3rd week of November 2022	Social Connect & Responsibility (Poster Presentation) for 3rd sem Students	Poster Presentation has been organised to 3rd semester Civil Engineering students on 19.11.2022.	To create an awareness about body language, team work, communication, societal interactions and responsibilities	Available facility in the college is used.	Successfully Conducted
3rd week of November 2022	Visit to Construction site	An Industrial visit was organized by Department of Civil Engineering for 4th Semester Students at Sathagiri college of Engineering construction site, Bangalore on 23 Nov 2022.	To enhance the knowledge of construction of reinforced concrete Framed structures on site for students.	Available facility in the college is used.	Successfully Conducted

Principal  
Sathagiri College of Engineering  
14/5, Chikkasandra, Hosaraghatta Main Road  
Bengaluru - 560 057

3rd week of November 2022	Heritage Tour	Heritage Tour has been organised to 3rd semester Civil Engineering students on 24.11.2022.	To communicated with artists who put up stalls in the event and also purchased few master piece to encourage handmade small business	Available facility in the college is used. (Transportation service)	Sucessfully Conducted
1st week of December 2022	National Pollution Control Day	Poster Presentation has been organised to 3rd, 5th, 7th semester Civil Engineering students on 02.12.2022 under the guidance of Faculty Coordinators.	Gathering an information about types pollution and its control methods, basic knowledge, an awareness about body language, team work, communication, societal interactions and responsibilities.	Available facility in the college is used.	Sucessfully Conducted
1st week of December 2022	Dam site visit	As a part of curriculum industrial visit has been organised to 3rd and 5th semester Civil Engineering students on 05/12/2022 under the guidance of Faculty Coordinators	1) Understand the different forces acting on a dam. 2) Understand the Considerations engineers must make when designing a dam.	Available facility in the college is used.(Transportation service)	Sucessfully Conducted
2nd week of December 2022	Webinar on Health and Wellness	Department of Civil Engineering, Sapthagiri College of Engineering, Bengaluru has Organized 'Workshop on Design thinking and Innovations' on 14/12/2022.	1) Communication 2) Problem solving methods 3) Innovative Ideas to start a business 4) Presenting information about current affairs	Available facility in the college is used.	Sucessfully Conducted
1st week of Jan 2023	Fire station visit	Fire station visit has been organised for 3rdsemester Civil Engineering students on 12.1.2023under the guidance of respective faculty	This site visit involves in gathering an information about types of emergencies and its safety methods, control methods, basic knowledge, an awareness about emergency, time sense, team work, communication, societal interactions and responsibilities.	Available facility in the college is used.(Transportation service)	Sucessfully Conducted
1st week of Mar 2023	Food Walk	Food Walk has been organised for 3rd semester students of Civil Engineering, Biotechnology, Mechanical Engineering, Electricals, and electronics Engineering on 04.03.2023 under the guidance of Co Ordinators.	Students get to know about team work, confidence about teamwork, communication, societal interactions and responsibilities	Available facility in the college is used.	Sucessfully Conducted
2nd week of March 2023	Mini Project Exhibition	Mini project exhibition was conducted for "3rd Sem students"	1. The main object of this event is to present their sustainable mini-projects. 2. To show materials, tested blocks, and methodology followed in their respective projects. 3. To motivate and encourage junior students to conduct interesting projects and events in future	Available facility in the college is used.	Sucessfully Conducted

2nd week of March 2023	K & C Valley Site Visit	Koramangala and Challaghatta (K&C) Valley Sewage treatment Plant visit has been organised for 3rd semester Civil Engineering students on 09.03.2023 under the guidance of respective faculty.	To enhance the knowledge of construction and working of Primary and Secondary units	Available facility in the college is used. (Transportation service)	Successfully Conducted
3rd week of March 2023	Workshop on New Technology in AI in Traffic Studies	Workshop on New Technology in AI in Traffic Studies has been organised for 6th semester Civil Engineering students on 16/3/2023	The Workshop was aimed to enlighten the Application of AI Based	Available facility in the college is used.	Successfully Conducted
3rd week of March 2023	Faculty Development Programme on Total Station	The Department of Civil Engineering had conducted a 3 day training program during the period 16.03.2023 to 19.03.2023 in various sessions for the faculties with objective of imparting adequate working knowledge on survey using total station.	Imparting adequate working knowledge on survey using total station.	Available facility in the college is used.	Successfully Conducted
1st week of April 2023 to 2nd week of April 2023	Extensive Survey Camp	Extensive Survey (18CVP68) Project was conducted for the 6th Semester Students as per VTU Curriculum. The Camp was held at Melkote from 6th April to 15th April 2023..	1) To restore or enhancing the capacity of the existing reservoir which has lost its original capacity due to desilting or damages to original Construction and to propose for any rise in height of bund and waste weir etc. 2) To identify the Storage Capacity of New Tank 3) To identify the Alignment of the Road and planning for future development and anticipated traffic needs for a specific design period.	collected 6500 from students	Successfully Conducted
2nd week of April 2023	Swachh Bharath Abhiyana	The Department of Civil Engineering had conducted a awareness program during the period 14.04.2023 in Melkote .	1) To eliminate or reduce open defecation. 2) To keep villages clean, solid and liquid waste management will be ensured through Gram Panchayat. 3) To lay water pipelines in villages, ensuring water supply to all households.	Available facility in the college is used.	Successfully Conducted
4th week of April 2023	JAL SHAKTHI ABHIYAN	The event was successfully completed and organised for 6th and 8th sem students SCE, Bangalore.	To create awareness about the exploitation of water as well as to make them to understand the necessity of protection and preservation of water.	Available facility in the college is used.	Successfully Conducted

2nd week of May 2023	Major Project Exhibition-2023	Project exhibition-2023 conducted based on final year projects. Different 14 batches participated in the exhibition with posters, models, tested blocks, materials. Presentation conducted and explained to guests, faculties and juniors. To encourage other students to participate in future events. Individual projects are evaluated by alumni of civil department	<ol style="list-style-type: none"> <li>1. The main object of this event is presenting their final year projects.</li> <li>2. To show materials, tested blocks and methodology followed in their respective projects.</li> <li>3. To motivate and encourage junior students to conduct interesting projects and events in future</li> </ol>	Available facility in the college is used.	Successfully Conducted
3rd week of May 2023	"Design of Highway Alignment using AutoCAD Civil 3D"	Sapthagiri College of Engineering, Bengaluru conducted Workshop on "Design of Highway Alignment using AutoCAD Civil 3D" on 18.05.2023.	<ol style="list-style-type: none"> <li>1) To create base map.</li> <li>2) To design alignment.</li> <li>3) To generate existing ground profile and design grades.</li> </ol>	Available facility in the college is used.	Successfully Conducted
4th week of May 2023	Talk on "PATIENCE AND PERVERANCE".	A Alumni talk on "Patience and Perseverance" was organized to Civil Engineering students through google meet on 22/05/2021 under the guidance of Faculty Coordinator Promod K A.	<ol style="list-style-type: none"> <li>1. To provide an opportunity to students to explore their theoretical knowledge in field of Engineering.</li> <li>2. To provide an opportunity for students to learn practical things by sending them for internship during the semester time.</li> <li>3. To create an awareness about social well being, safety and societal interactions.</li> <li>4. To create an awareness about professional ethics and responsibilities.</li> </ol>	Available facility in the college is used.	Successfully Conducted
5th week of May 2023	"Industry Expectations from Young Engineers"	Sapthagiri College of Engineering, Bengaluru conducted Webinar on "Industry Expectations from Young Engineers" on 30.05.2023..	<ol style="list-style-type: none"> <li>1) To make students to understand about construction sector in India.</li> <li>2) To make students to realize the employment potential in construction.</li> <li>3) To make students to understand industry perception about the young engineers passing out from college.</li> </ol>	Available facility in the college is used.	Successfully Conducted
3rd week of June 2023	Sir M.V Rain Water Harvesting Theme Park Visit	The Department of Civil Engineering has arranged site visit to visvesvaraya theme park located at jayanagara 4 th block Bangalore for 4 th semester students on 23-06-2023.	The objectives of this was to educate the students about RWH and its benefits.	Available facility in the college is used.(Transportation service)	Successfully Conducted
3rd week of June 2023	"BEST OUT OF WASTE"	The Department of Civil Engineering has arranged hands on activity by using used empty plastic water bottles for 4th semester students on 26/05/2023.	<ul style="list-style-type: none"> <li>· To create awareness on pollution of plastic waste.</li> <li>· To Explore student ideas in reuse of plastic waste</li> <li>· To encourage students to take up social responsibility to protect earth and to keep our environmental clean.</li> </ul>	Available facility in the college is used.	Successfully Conducted

	17-09-2022	Placement Preparation	Alumini Talk conducted for the benefits of enhancing and improving the knowledge how to prepare for the interview with industrial perspective for the 7th semester students.	To enhance the knowledge on how to prepare for the interview.		Successfully Conducted
	21-09-2022	Hands on session on C Programming	Placement training session on C programming to enhance the programming knowledge as per the industry standard.	To enhance the knowledge in C programming as per the industry standards.		Successfully Conducted
	06-09-2021	SPRING AND Hibernate	CERTIFICATION COURSE on SPRING and HIBERNET provides platform for the career of the students. Certification Course became the vital step to improve the knowledge of students in the area of JAVA.	To enhance the knowledge on JAVA and Spring framework.		Successfully Conducted
	10/10/2022 - 15/10/2022	CERTIFICATION COURSE Advanced JAVA	CERTIFICATION COURSE on Advanced JAVA provides idea about JAVA programming as per the industry standard. Hands on session help full to improve the practice knowledge.	To enhance the knowledge in Java programming as per the industry standard.		Successfully Conducted
	13-10-2022	Hands on session on C Programming	Placement training session on C programming to enhance the Structure and Unions knowledge as per the industry standard for higher semester students.	To enhance the knowledge in C programming as per the industry standards.		Successfully Conducted
	14-10-2022	IBM Skill Building	Skill enhancement program conducted for improving communication skills and presentation skills for the 3rd semester students.	To develop effective communication skills and presentation skills.		Successfully Conducted

15-10-2022	Extract Transfer Load Using Talend Tool	Technical Talk on Extract Transfer Load Using Talend Tool gives an idea about database knowledge as per the industry standards.	To enhance knowledge in computer society as per the industry standard.		Successfully Conducted
15-10-2022	Karunadu Technologies Private Limited	The skill enhancement program on internet of things provides an idea about concepts based on IoT as per industry standards.	To develop effective Technical skills.		Successfully Conducted
17/10/2022 to 21/10/22	FDP on Python Programming	Infosys team thought python programming through online and issued certification by taking assessments.	To enhance and improve students knowledge in python programming as per the industry standard.		Successfully Conducted
19-10-2022	Hands on session on Python Programming language	Placement training session on Python programming to enhance the knowledge on python as per the industry standard for higher semester students.	To enhance the knowledge in Python programming as per the industry standards.		Successfully Conducted
22-10-2022	Technical skill Development by Ampershand Technologies	Skill enhancement program conducted for improving Technical skills on data analytics and Development skills for the 7th semester students.	To develop effective Technical skills and Development skills.		Successfully Conducted
31/10/2022 - 05/11/2022	Certification Course on Introduction to OOC and Basic Java	The Placement Training Session on OOC and Java Programming was organized for 3rd semester students to give an idea about OOC and Java programming as per industry standards.	To enhance knowledge in Java programming as per industry standards.		Successfully Conducted
03/11/2022, To 04/11/2022	Hands on session on C++ Programming	The Placement Training Session on C++ Programming was organized for higher semester students of Sapthagiri College of Engineering to give an idea about C++ programming concepts like structures, unions as per industry standards.	To enhance knowledge in C++ programming as per industry standards.		Successfully Conducted
18-11-2022	INTRODUCTION TO WEB 3.0	Technical talk for 3rd semester students to give idea about block chain and the emerging web3 space and introduction to new technology called context aware compute.	To enhance the knowledge on WEB 3.0		Successfully Conducted

24-11-2022	Poster Presentation	Poster Presentation conducted for the benefits of enhancing and improving the knowledge of students on various trending technologies with industry perspective for the 3rd Semester Students.	To enhance the knowledge of students on various trending technologies		Successfully Conducted
02-12-2022	Hackathon	Hackathon was organized by Dr.Vimuktha E Salis.Hackathon is an event where group of students engaged in rapid and collaborative engineering over short period of time, to come up with solutions for the given problems in various domains.	To formulate solutions on the given problem statement in various domains		Successfully Conducted
13-12-2022	Cooking without Fire & Regional Food Exhibition	Food Walk was organized as part with the Social Connect & Responsibility. Students of 3rd Semester Actively participated. All Students Exhibited cooking without fire and Regional foods of their choice.	To Know the different religious Foods.		Successfully Conducted
14-12-2022	Placement training activity	The Mock Test on Programming and aptitude organized for higher semester students to test technical and aptitude ability as per industry standards.	To test knowledge programming, Aptitude as per industry standards.		Successfully Conducted
16-12-2022	Preparation required for Abroad studies	Seminar organized by Mr. Ajaz Ahmed for the benefits of enhancing and improving the knowledge how to prepare for studying in Abroad, its procedures, application and visa for the 7th Semester Students.	To possess knowledge about studying Abroad		Successfully Conducted
20-12-2022	Industrial Visit to URSC	Industrial Visit conducted for the benefits of enhancing and improving the knowledge of students on various Real time Scenarios and trending technologies with industry perspective for the 3 RD Semester Students.	To enhance the knowledge of students on real world scenario and trending technologies		Successfully Conducted
26/12/2022 27/12/2022	COMPUNET	CSE FEST organized for students of all the 3rd,5th and 7th semester students. COMPUNET given a platform to showcase their talent.	To showcase the talent.		Successfully Conducted
06-01-2023	5G TECHNOLOGY	Technical talk was conducted for the benefits of enhancing and improving the knowledge of 5G TECHNOLOGY with industry perspective for all the Students.	To enhance the knowledge on 5G TECHNOLOGY		Successfully Conducted

10-01-2023	Mock Test	The Mock Test on Programming and aptitude was organized for 5th semester students to test the technical and aptitude ability as per industry standards.	To test knowledge in programming, Aptitude as per industry standards.		Successfully Conducted
11-01-2023	Mock Interview and Group Discussion	The Mock Interview and Group Discussion on Programming and aptitude was organized for 5th semester students to test the students knowledge in Programming, their Attitude and Communication skill as per industry standards.	To test knowledge in Programming, Attitude, Communication skill as per industry standards.		Successfully Conducted
19-01-2023	Infosys Campus Connect Briefing Session	Infosys Campus Connect Briefing Session was organized for the benefits of enhancing and improving the knowledge of students on various Online Certification Courses with industry perspective for the 3rd and 5thSemester Students.	To enhance the knowledge of students on real world scenario and get practical exposure on various subjects.		Successfully Conducted
28-01-2023	DBMS MINIPROJECTEXHIBITION	MINI PROJECT EXHIBITION conducted for 5th sem students to show their project at higher level backend programming and to provide an opportunity for the students to demonstrate their learning experiences.	The main objective of the exhibition was to provide the students a platform to unleash their potentials and to provide an opportunity for the students to demonstrate their learning experiences.		Successfully Conducted
16-02-2023	Internship training activity	Technical talk was organized by Mrs, Ranjana Chakrasali , Alniteck Solution Pvt limited for the 3rd sem students.	To educate the 3rd sem students regarding EON X R tool		Successfully Conducted
17-02-2023	MiniProjectExhibition	Mini Project Exhibition was conducted for the benefits of enhancing and improving the knowledge of students on various Real time Scenarios and trending technologies with industry perspective for the 3RDSemester Students .	To enhance the knowledge of students on real world scenario and trending technologies		Successfully Conducted
23-02-2023	Mock Interview	The Mock Interview and Group Discussion on Programming and aptitude was organized by Dept of CSE for 3rd semester students.In this Mock Interview student's knowledge in Programming, their Attitude, Communication skill was tested as per industry standards.	To test knowledge in Programming, Attitude, Communication skill as per industry standards.		Successfully Conducted

25-02-2023	Talk on facing company interviews	Alumni talk was conducted for the benefits of enhancing and improving the knowledge of students on how to prepare for the technical round and face the interview confidently with industry perspective for 3rd semester students.	To give exposure on facing technical round and company interviews.		Successfully Conducted
27-02-2023	ISROURSC Industrial visit	The Industrial Visit gives a great benefit for the students to directly understand about the various concepts of satellite and space missions done by ISRO.	The objective of the visit was to provide a Technical Exposure to the students about Space Technology and advancements in Technology.		Successfully Conducted
11-03-2023	Introduction to spring Boot and React	Online Webinar conducted on Introduction to Spring Boot and React for the benefits of enhancing the important and improving the knowledge of students on Spring Boot and React for the real world Environment for 8th semester students.	To share the Knowledge on Spring Boot and React in present real time environment.		Successfully Conducted
29-03-2023	Higher Education in Abroad	Career guidance for Higher Education in Abroad by Mrs. Debasmita, Assistant Branch head at AECC study abroad Consultants. Career guidance for the benefits of enhancing and improving the knowledge towards higher education.	Gain insight on higher education.		Successfully Conducted
31-03-2023	Placement training activity	Mock Test on Programming and aptitude higher semester to test the students technical and aptitude ability as per industry standards.	To test knowledge programming, Aptitude as per industry standards.		Successfully Conducted
20/3/23 to 25/3/23	Python Programming	CERTIFICATION COURSE on Python Programming provides platform for the career of the students. Certification Course became the vital step to improve the knowledge of students in the area of Python.	To enhance the knowledge on PYTHON.		Successfully Conducted
19-04-2023	Introduction to Capstone Project	Technical talk conducted for the benefits of enhancing and improving the knowledge of doing Project with industry perspective for all the 6th semester Students.	To enhance the knowledge of doing Project.		Successfully Conducted
20-04-2023	Placement Training program on Algorithms	Placement Training program on Algorithms gives algorithm knowledge required for placement activities. Discussed various algorithms and techniques with examples.	To enhance the knowledge of doing Project.		Successfully Conducted

27-04-2023	ISROURSC Industrialvisit	The Industrial Visit gives a great benefit for the students to directly understand about the various concepts of satellite and spacemissions doneby ISRO.	The objective of the visit was to provide a Technical Exposure to the studentsabout Space Technology and advancements in Technology.		Sucessfully Conducted
13-05-2023	Project Exhibition	To provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning experience.	To enhance the knowledge of doing and exhibiting Project.		Sucessfully Conducted
23-06-2023	ISROURSC Industrialvisit	The Industrial Visit gives a great benefit for the students to directly understand about the various concepts of satellite and spacemissions doneby ISRO.	The objective of the visit was to provide a Technical Exposure to the students about Space Technology and advancements in Technology		Sucessfully Conducted
10-06-2023	Communication skills	Guest Lecture on Communication Skills by Mr. Kunal S .The topics on verbal communication, Non verbal communication and also brief about how to Communicate with confidence during interviews. and given some tips on writing skills.	To enhance Communication Skills of the students.		Sucessfully Conducted
21-07-2023	CG Mini Project Exhibition	Mini Project Exhibition was conducted for the benefits of enhancing and improving the knowledge of students on various Real time Scenarios and trending technologies with industry perspective for the 3RDSemester Students .	To provide the students a platform to unleash their potentials.		Sucessfully Conducted
26-27/7/23	Workshop on Innovation and Design Thinking.	Workshop on Innovative Design and Thinking for the benefits of enhancing and improving the knowledge of Innovation and design thinking in IT for all the 2nd semester Students .	To enhance the Innovative thinking knowledge of the students		Sucessfully Conducted
28-07-2023	Scrum and Sprint in Agile Software Development	Alumni talk on the benefits of enhancing and improving the knowledge of students on trending technologies with industry perspective for 4th semester students.	To give exposure on scrum and sprint in agile software development.		Sucessfully Conducted
26/08/2022	Online Workshop On IPR	Workshop for Faculties and students	To select the innovative projects To demonstrate the project foe the junior student To explore the Technical capacity of Students		completed

16/09/2022 to 17/09/2022	Technical training	VLSI & JAVA Training	To educate students about VLSI and JAVA for skilled professionals in the job market		
11/10/2022 to 31/10/2022	Industry Interaction Training	Soft skill training for 1st year students	To educate student about Present Market Scenario for JOB Opportunity and Discussion on AI Analytics and the New Machine Age.		completed
15/10/2022	Technical talk	Technical talk on upcoming technologies in Electrical Engineering by Mr.Kiran	To motivate the students about the scope and opportunities for Electrical Engineers.		completed
4/11/2022 to 02/12/2022	Technical training	C++ training for 7th sem and 5th sem students	To give Knowledge about industrial applications in the subject		completed
4/11/2022 to 02/12/2022	Technical training	C++ Training for faculties	To motivate the students about the importance of team work. and to provide students for knowledge of Electronics Components and soldering techniques and its package information for electronics circuit design.		completed
18/11/2022-19/11/2022	Industrial Visit	Substation visit to the 5th semester students	To create awareness among the students about various core career opportunities.		completed
21/11/2022 to 25/11/2022	Certificaton course	Basic JAVA for 3rd semester students	Create awareness among the students on need for proper career planning and to motivate students to go for higher studies and profile building		completed
24/011/2022 to 25/11/2022	EEE Club Inauguration	for all EEE students	Create new idea among the students on need for innovation thinking		completed
26/22/2022	Seminar on my Story	This is for Faculties and students of SCE	To motivate the students about the importance of team work. and to provide students for knowledge of Electronics Components and soldering techniques and its package information for electronics circuit design.		completed
03/12/2022	Guest Lecture	Roles and responsibility of Mentor	To create awareness among the students about various core career opportunities.		completed
09/12/2022 to 23/12/2022	Technical training	Online Basic of JAVA Training Programme	Create awareness among the students on need for proper career planning and to motivate students to go for higher studies and profile building		completed

Principal

EEE	23/12/2022 to 24/12/2022	Industrial Visit	Vidyuth Spoorthy.	Create new idea among the students on need for innovation thinking	completed
	24/12/2023 to 26/12/2022	synchron	Department fest	to improve skill and social connectivity of students by participating in various events	completed
	24/3/2023	Placement training	Mock Test on Programming and aptitude higher semester to test the students technical and aptitude ability as per industry standards .	To educate students about VLSI and JAVA for skilled professionals in the job market	completed
	5/5/2023-7/5/2023	International conferene	Project Papers are published and prented by all the final year students in international conference	To motivate the students about the importance of presentation	completed
	11/5/2023-12/5/2023	Hands on training	Placement training session on Python programming to enhance the knowledge on python as per the industry standard for higher semester students.	To motivate the students about the importance of team work. and to provide students for knowledge of Electronics Components and soldering techniques and its package information for electronics circuit design.	completed
	20/5/2023	Industrial visit	To provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning experience.	To create awareness among the students about various core career opportunities.	completed
	10/6/2023	Placement technical trianing(6th sem)	Mock Test on Programming and aptitude higher semester to test the students technical and aptitude ability as per industry standards .	To motivate the students about the importance of team work. and to provide students for knowledge of Electronics Components and soldering techniques and its package information for electronics circuit design.	completed
	17/6/2023	Food Walk	Food Walk has been organised for 3rd semester students of Civil Engineering, Biotechnology, Mechanical Engineering, Electricals, and electronics Engineering on 04.03.2023 under the guidance of Co Ordinators.	to improve social connectivity of students by participating in various events	completed
	3/7/2023	Mini Project Exhibition(6th Sem)	Mini Project Exhibition was conducted for the benefits of enhancing and improving the knowledge of students on various Real time Scenarios and trending technologies with industry perspective for the 3RDSemester Students .	To enhance the knowledge of doing and exhibiting Project.	completed
	22/7/2023	Technical Talk	VLSI & JAVA Training	career planning and to motivate students to go for higher studies and profile building	completed

ISE

February 3rd week 2023	Organizing Innovation and Entrepreneurship Outreach Program in Schools	To showcase the talent nurtured among the students in the early stage in their degree program towards the development of Healthy society.	To gain practical knowledge of how to educate the rural India and Help the Children.	Available facility in the college are used.	completed
February 3rd week 2023	Expert Talk on IOT	Expert Talk/ Seminar on Recent Trends and Industry upskill in IOT can be arranged for the 8th semester students.	-Domain Experts would be invited & target audience were students of 8th semester.	Funded Rs:1500/- by the Management	completed
March 1st week 2023	Mini Project- Aavishkar	To showcase the talent nurtured among the students in the early stage in their degree program.	Mini Project Exhibition can be arranged and projects are subjects to evaluation by Juries.	Available facility in the college are used.	completed
March 3rd week 2023	Bridge Course on C++ & JAVA Programming	To upgrade programming skills in C++ and JAVA to the students.	An Interaction with alumni specifically the one who works on the domain can be invited.	Available facility in the college are used.	completed
March 4th week 2023	Introduction to cloud computing & MS-AZURE	An Expert talk can be organised to upskill knowledge in MS-AZURE.	To create awareness among the students in Machine Learning	Available facility in the college are used.	completed
1st week of April 2023	Lecture on MOOC	An Alumni Talk on NPTEL MOOC to create awareness among the students to Upskill.	To create awareness the students among the students about NPTEL MOOC.	Available facility in the college are used.	completed
3rd week of April 2023	Alumni Talk	Alumni Talk on Recent Trends in AI & ML -IT Opportunities.	To create awareness the students among the students about Recent Trends in AI & ML -IT Opportunities.	Available facility in the college are used.	completed
4th week of May 2023	Maahitya-2023 National Level Technical Symposium.	To showcase the talent nurtured among the students an National Level Technical Symposium arranged.	An Interaction with alumni specifically the one who works on the domain can be invited.	Available facility in the college are used.	completed
3rd week of May 2023	ICGCP-2023	The main objective of organizing Conference is to make aware of recent technologies and innovation to other researchers.	To select the innovative projects To demonstrate the project for the junior student		completed
3rd week of May 2024	Introduction to Patent Filing.	Enhancing the Patent Filing abilities of the students	To create awareness the students among the students about Patent Filing conducted through IIC Committee	Available facility in the college are used.	completed
4th week of July 2023	Workshop on Innovative Design Thinking	To educate & upgrade students in Innovation and Design Thinking.	The main objective of organizing Conference is to make aware of recent technologies and innovation to other researchers.	Available facility in the college are used.	completed
4th week of Aug 2023	Alumni Talk-Career Guidance in Cloud Computing & Bigdata.	An Alumni Talk on educate & upgrade students in Cloud Computing & Bigdata..	To create awareness among the students in Machine Learning Domain.	Available facility in the college are used.	completed

Principal  
Sapthagiri College of Engineering  
14/5, Chikkasandra, Hesaraghatta Main Road  
Bengaluru - 560 057

	4th week of Aug 2023	Mini Project- Aavishkar 2023	To showcase the talent nurtured among the students in the early stage in their degree program.	Mini Project Exhibition can be arranged and projects are subjects to evaluation by Juries.	Available facility in the college are used.	completed
	First week of September 2022	Project work Exhibition	1. To provide an opportunity for students to exhibit their projects. 2. To provide an opportunity interact with peers and visitors. 3. To provide an opportunity to develop communication / presentation skills	1. To motivate students to participate in project exhibitions and demonstrate the working presentation and to interact 2. To motivate students to organize 3. Develop Presentation/ communication and Leadership skills.	Available facility in the college are used.	Completed
	Second week of September 2022	CMTI- Innovative Idea Competition	1. To provide an opportunity for students to participate in the state level contest. 2. To encourage students to present their idea / solution to the challenges of the competition.	1. To encourage innovative thinking / critical thinking in students 2. Motivate students to develop new products.	Available facility in the college are used.	Completed
	Third week of September 2022	Orientation Program for 3rd Sem ME students	1. Orient the students on Courses in Mechanical Engineering 2. Introduce the faculty of Mechanical Engineering department. 3. Provide general guidelines, discipline to be followed	1. Provide students complete information about the theory / laboratories of Mechanical Engineering dept. 2. To give instructions / guidelines to be followed to maintain discipline. 3. To make the students aware of the faculty / staff in the department.	Available facility in the college are used.	Completed
	Third week of September 2022	Visit to Eta Technologies Pvt.Ltd.	1. To orient faculty on industrial practices 2. To Provide an opportunity for faculty to update the technology / trends used in industry.	1. To gain practical knowledge and utilize the same in teaching-learning 2. Keep the faculty updated about the latest trends/ techniques in industry.	Available resources of Institution ( Transportation service)	Completed
	Third week of September 2022	Orientation on Activity points for 5th Semester ME students	1. To provide information on type of activity / execution etc. 2. To clear the doubts on conducting activity points	1. To motivate students to complete activity points 2. To motivate students to involve in social service to create awareness in schools / villages	Available resources of Institution ( Transportation service)	Completed
	Third week of September 2022	Engineers Day Celebration	1. To encourage the students to participate in Quiz / aptitude tests. 2. Create awareness on professional ethics / responsibilities of Engineers in the society	1. To provide an opportunity for students to organize competitions. 2. To create awareness on Professional ethics in students.	Available resources of Institution ( On-line Quiz)	Completed
	Second week of October 2022	5 Days Hands on Workshop 5th Sem students on AutoCAD	1. To provide fundamental knowledge on CAD Package 2. To provide hands on training on the CAD Package 3. To make the students well versed with Assembly drawings.	1. To Provide opportunity for students to learn CAD Drafting package 2. To provide hands on training on assembly of Mechanical Components	In house facilities are used and Few students having knowledge of AutoCAD provide the training to others.	Completed
	Fourth week of October 2022	Motivational Talk, on Materials for Aerospace Structure and Aero Engines	1. To motivate the students on career opportunities in Design Engineering 2. To create awareness on the pre requisites for a Design Engineer	1. To develop design related skills in students. 2. To develop interest in students to become good design engineers.	Available facility in the college are used.	Completed

Fourth week of October 2022	MOU with CADD MAXX Pvt. Ltd.	1. To plan for students internships in industries 2. To arrange technical talks 3. Invite resource persons for	1. To create opportunities for internships / Projects 2. To arrange industrial visits for students 3. To promote institution / Industry interaction	Available facility in the college are used.	Completed
Second week of November 2022	Motivational talk on Career Opportunities for Mechanical Engineering Students	1. To orient the students on hybrid vehicles and their functioning 2. Provide complete information related to construction and working of Hybrid vehicles.	1. To encourage students to study Hybrid vehicles 2. To provide an opportunity for students to interact / clarify doubts related to hybrid vehicles.	Available facility in the college are used.	Completed
Third week of November 2022	Motivational talk on Entrepreneurial Opportunities for Mechanical Engineering Students	1. To create awareness on Industrial robots / applications. 2. To orient students on the opportunities in the area of Robotics	1 To provide opportunity for students to know about Robots / Industrial Automation. 2. To motivate students to choose career in the field of Robotics.	Available facility in the college are used.	Completed
Third week of November 2022	Industrial Visit to Di-Facto Robotics & Automation	1. To create awareness in students on industry level activities 2. To provide opportunity for students to update knowledge on trends / technologies used in industries.	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportation service)	Completed
Fourth week of November 2022	Technical Talk Career Opportunities –Mechanical Engineering students	1. To create awareness on Industrial robots / applications/Industrial automation 2. To orient students on the opportunities in the area of Robotics	1 To provide opportunity for students to know about Robots / Industrial Automation. 2. To motivate students to choose career in the field of Robotics.	Available facility in the college are used.	Completed
First week of December 2022	Industrial Visit to Central Manufacturing Technology Institute (CMTI)	1. To create awareness on Latest Trends in Manufacturing. 2. To orient students on the opportunities in the manufacturing sector	1 To provide opportunity for students to know about opportunities in manufacturing industries 2. To motivate students to choose career in the field of manufacturing / fabrication.	Available facility in the college are used.	Completed
Second week of December 2022	Motivational Talk Innovation in Electric Vehicle Technology & Entrepreneurial Opportunities	1. To create awareness on opportunities for Entrepreneurs. 2. To orient students on the schemes / funds available to become entrepreneur	1. To encourage students to take up entrepreneurship as career. 2. To motivate students to develop skills needed to become successful entrepreneur.	Available facility in the college are used.	Completed
Second week of December 2022	Parent Teacher Meet	1. To provide an opportunity for parents to know about the performance / progress of their son / daughter / ward. 2. To provide an opportunity for parents to give feedback.	1. To create an opportunity for interaction between faculty and Parents. 2. To gather feedback to improve teaching learning process.	Available facility in the college are used.	Completed
Third week of December 2022	Alumni Talk Career Opportunities for Mechanical Engineering Students	1. To create awareness on the career opportunities. 2. To orient students on the need of developing skills.	1 To provide opportunity for students to know about Career opportunities. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	Completed
First week of January 2023	Technical Talk Applications of CFD in Thermal / Flow analysis using FLOWNEX	1. To orient the students on Solar / Electric vehicles and their functioning 2. Provide complete information related to construction and working of Solar /Electric vehicles.	1. To encourage students to study Electric vehicles 2. To provide an opportunity for students to interact / clarify doubts related to electric vehicles.	Available facility in the college are used.	Completed

Third week of January 2023	Visit to Volvo Constructions Ltd.	1. To create awareness on the career opportunities in the area of coding / programming 2. To orient students on the need of developing programming / coding skills.	1 To provide opportunity for students to know about Career opportunities in coding. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	Completed
Fourth week of January 2023	Mini-Project Exhibition	1. To provide an opportunity for students to exhibit their projects.2. To provide an opportunity interact with peers and visitors. 3.To provide an opportunity to develop communication / presentation skills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation / communication and Leadership skills	Available facility in the college are used.	Completed
First week of March 2023	Motivational Talk	1. To create awareness on the career opportunities. 2. To orient students on the need of developing skills.	1 To provide opportunity for students to know about Career opportunities. 2. To motivate students to choose develop the required skills for placement.	Available facility in the college are used.	Completed
Fourth week of March 2023	Visit to Visvesvaraya Technological Museum	1. To create awareness in students on working of mechanism / machines 2. To provide opportunity for students to update knowledge on various technologies	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportation service)	Completed
First week of April 2023	Mini-Project Exhibition	1. To provide an opportunity for students to exhibit their projects.2. To provide an opportunity interact with peers and visitors. 3.To provide an opportunity to develop communication / presentation skills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation / communication and Leadership skills	Available facilities in the college are used.	Completed
Second week of April 2023	3 Days FDP	1. To create awareness to faculty on latest trends / techniques / tools used in teaching learning 2. To create awareness on the need of employing new tools in teaching learning.	1. To empower the faculty with new tools / techniques in teaching learning. 2. To motivate students to adopt new techniques in teaching learning	Available facilities in the college are used.	Completed
Fourth week of April 2023	Mile's Day Celebration	1. To provide an opportunity for students to participate in various events related to Value engineering. 2. To create awareness on the basics of value engineering and its scope.	1. To promote functional thinking in students. 2. To encourage students to present their ideas on value Engineering concepts.	Available facilities in the college are used.	Completed
May Second Week 2023	Industrial Visit to BIS	1. To create awareness in students on industry level activities 2. To provide opportunity for students to update knowledge on trends / technologies used in industries.	1. To make the students understand concepts related to working of machines / mechanisms 2. To motivate students to interact with industry experts and gain knowledge.	Available resources of Institution (Transportation service)	Completed
May Third Week 2023	One day Workshop 3D Printing	1. To orient the students on functioning of 3D Printers and technology. 2. Provide complete information related to construction and working of Solar /Electric vehicles.	1. To encourage students to study Electric vehicles 2. To provide an opportunity for students to interact / clarify doubts related to electric vehicles.	Available facility in the college are used.	Completed
Third week of June 2023	International Conference ICGCP-2023	1. To provide an opportunity for students to present their papers on project work done. 2. To create awareness on preparing research papers	1. To develop presentation / communication skills research related activities 2. To promote	Available facilities in the college are used.	Completed

		Second week of July 2023	Project Exhibition	1. To provide an opportunity for students to exhibit their projects. 2. To provide an opportunity interact with peers and visitors. 3. To provide an opportunity to develop communication / presentation skills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation / communication and Leadership skills	Available facility in the college are used.	Completed
		Second week of July 2023	Mini Project Exhibition	1. To provide an opportunity for students to exhibit their projects. 2. To provide an opportunity interact with peers and visitors. 3. To provide an opportunity to develop communication / presentation skills	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To motivate students to organize presentation and to interact 3. Develop Presentation / communication and Leadership skills	Available facility in the college are used.	Completed
		Fourth week of July 2023	Technical Talk Fluid Properties & Applications	1. To orient the students on advanced materials used in aerospace vehicles 2. Provide complete information related to materials used in aeroengines.	1. To encourage students to study advanced materials 2. To provide an opportunity for students to interact / clarify doubts related to aerospace materials.	Available facility in the college are used.	Completed
							Completed
9	PHY & CHEM	01.12.2022 to 10.12.2021	Induction Programme-Phase-I	To be Conducted for all First year students	1. To invite experts from various areas 2. Coordinating and arrangement of event	Management provided fund for the event	Completed
		January 2022	Skill Development	To be Conducted for First year P-Cycle students	1. To investigate students understanding of problem-solving through scientific calculator 2. Coordinating and arrangement of event	Management provided fund for the event	Completed
		January 2022	Quiz	To be Conducted for First year P-Cycle students	Coordinating the event	NA	Completed
		28.02.2022	Mini Project Exhibition	To be Conducted for First year P-Cycle students	Coordination and arrangement of event	N A	Completed
		12.02.2022	Parent-Teacher's meeting	To be Conducted for all First year students	1. Inviting the Parents to communicate with teacher's to know about their ward 2. Coordination and arrangement of event	NA	Completed
		25.5.2023-6.6.2023	IPR Challenges and Limitations	To be Conducted for Faculties	1. To invite experts from various areas 2. Coordinating and arrangement of event	Funded Rs:3000/- by the Management	Completed
		May 25, 2023-June 6, 2023	Induction Programme-Phase-II	To be Conducted for all First year students	1. To invite experts from various areas 2. Coordinating and arrangement of event	Management provided fund for the event	Completed
		August 2022	Quiz	To be Conducted for First year P-Cycle students	Coordinating the event	NA	Completed
		29.07.2022	Mini Project Exhibition Day	To be Conducted for First year P-Cycle students	Coordination and arrangement of event	N A	Completed
		16.07.2022	Parent-Teacher's meeting	will be Organised for all First year students	1. Inviting the Parents to communicate with teacher's to know about their ward 2. Coordination and arrangement of event	NA	Completed
