Objective of the Workshop

- ✓ Learn and acquire the art of Android Programming.
- ✓ Understand and implement Android's user interface functions.
- ✓ Inspect different methods of sharing data using services..

Contents of the Workshop

Workshop covers all the lab programs of the Mobile Application Development laboratory (18CSMP68)
The softcopy will be provided to the participants.

Outcomes of the Workshop

- ✓ Create, test and debug Android application by setting up Android development environment.
- ✓ Able to apply the knowledge of creating an android application using different packages and resources.
- ✓ Design an android application for a given requirement.
- ✓ Infer the role of permissions and security for Android applications.
