SAPTHAGIRI COLLEGE OF ENGINEERING

Drug Awareness Program

The global drug problem presents a multifaceted challenge that touches the lives of millions worldwide. From individuals struggling with substance use disorders to communities grappling with the consequences of drug trafficking and organized crime, the impact of drugs is far-reaching and complex. Central to addressing this challenge is the imperative to adopt a scientific evidence-based approach that prioritizes prevention and treatment.

The International Day against Drug Abuse and Illicit Trafficking, or **World Drug Day**, is marked on 26th June every year to strengthen action and cooperation in achieving a world free of drug abuse. This year's World Drug Day campaign recognizes that effective drug policies must be rooted in science, research, full respect for human rights, compassion, and a deep understanding of the social, economic, and health implications of drug use.

Together, let us amplify our efforts to combat the global drug problem, guided by the principles of science, compassion, and solidarity. Through collective action and a commitment to evidence-based solutions, we can create a world where individuals are empowered to lead healthy, fulfilling lives.

National Service Scheme (SWAYAM SEVA) NSS Unit of Sapthagiri College of Engineering and Health Club organized "Drug Awareness Program" on Wednesday, 26th June 2024. The program involved by pledge taking by the students in the presence of NSS Program officer Dr.Tulidas D Professor & Hod, Department of Mechanical Engineering and Professor of various departments along with non teaching Staff cordially supported by the management, Principal, SCE, Bengaluru.
