# SAPTHAGIRI COLLEGE OF ENGINEERING

(Affiliated to Visvesvaraya Technological University, Belagavi & Approved by AICTE, New Delhi.)

(Accredited by NAAC with 'A' Grade) (ISO 9001-

2015 & 14001-2015 Certified)

#14/5, Chikkasandra, Hesaraghatta Main Road, Bengaluru-560057.

**Department of Electronics and Communication Engineering**

**Accredited by NBA**

**Academic Year: 2023-2024**

*Type of event/activity	Guest Lecture
Name/Title of the Activity/Event	How to plan for startup and Legal & Ethical steps
Date of Organization	27 <sup>th</sup> May 2024
Venue (with address)	Room No:301
Organized by (Resource Person)	Department of Electronics and Communication Engineering.
Resource Person	Dr. Deepak Palaksha Co-Founder, Wattworker, Silicon Valley, California, USA
Objectives of the event/activity	To provide insights about the startup ecosystem and entrepreneurship to the students. To make the students to learn practical tips for planning and launching a startup venture. To understand legal and ethical considerations essential for startup success.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	128 students
Mention organized	Prof. Agalya P Prof. Prathibha P

Principal

Sapthagiri College of Engineering

### **Event Description:**

A talk on "How to plan for startup and Legal & Ethical steps" was organized by the department of Electronics and Communication engineering, Sapthagiri college of Engineering on 27<sup>th</sup> May 2024 for 6<sup>th</sup> semester students.

Dr. Deepak Palaksha, Co-Founder, Wattworker, Silicon Valley, California, USA, proud Alumni of our department delivered the talk. The speaker shared the best practices for planning and launching a startup while emphasizing the importance of adhering to legal and ethical guidelines. During the session the speaker conducted a workshop on how to plan for a startup right from identifying the customers problem till providing solution to the customers. The session was very much interactive and the speaker also covered various aspects like

- (i) understanding the startup ecosystem
- (ii) Identifying business opportunities and market research
- (iii) Developing a business plan and strategy
- (iv) Legal and ethical considerations for startups (e.g., business structure, intellectual property, contracts)

Respected Principal Sir, Dr. H. Ramakrishna also presided the talk and addressed the students about the importance and benefits of Entrepreneurship.

# Brochure

## About College

Sapthagiri College of Engineering was established in the year 2001 by Sri Srinivasa Educational and Charitable Trust with a vision to transform the students into competent, inspired and responsible professionals in technical field to fulfill needs of the society. SCE is well known for its academic excellence with well qualified faculty and state of art infrastructure and imbuing good moral values, ethical values, success in education and developing leadership qualities among the students.

## Vision

To be a Best Institution imparting quality engineering education to deal with community needs through learning and performance.

## Mission

- M1 - To implement path breaking student centric education methods
- M2 - To augment talent, nurture teamwork to transform to develop individual as responsible citizen.
- M3 - To educate the students and faculties about entrepreneurship to meet vibrant requirements of the society.
- M4 - To Strengthen Industry-Institute Interaction for knowledge sharing.

All the selected papers will be published in the conference proceedings with ISBN Number

## Registration Details

- Industry Delegates : INR 1000/-
- Academicians : INR 1000/-
- Research Scholars : INR 1000/-
- Students (Per Author) : INR 300/-
- International Participants : USD 100

Online Payment Details:  
Account Name :  
Sapthagiri college of engineering  
Bank Name: State Bank of India

Principles and Practices

## COMMITTEE

### Chief Patrons

Sri. Dayananda, G Chairman, SCE, Bengaluru.  
Sri. Manej, G.D Managing Director, SCE, Bengaluru.  
Dr. Vidyashankar, S Vice Chancellor, VTU, Belagavi, Karnataka.  
Dr. B.E. Rangaswamy Registrar, VTU, Belagavi, Karnataka.  
Dr. T.N. Sreenivasa Registrar (Evaluation), VTU, Belagavi

### Patrons

Dr. K.S. Venkateshappa Administrative Officer, SIMS, Bengaluru.  
Dr. H. Ramakrishna Principal, SCE, Bengaluru.

### Advisory Committee

Dr. B.R. Ravishankar,  
Chairman, IIIE,  
Director, CMTI,  
Dr. S.N. Sridhara,  
Vice Chancellor, Hindustan Institute of Technology & Science.  
Dr. M.H. Bala Subrahmanya,  
Professor, IISC, Bengaluru.  
Dr. Shashi Jain,  
Professor, IISC, Bengaluru.  
Dr. U. Dinesh Kumar,  
Professor, IIMB Chair of Excellence.  
Mr. Amith Kumar,  
Vice President & Business Unit Head,  
Schneider Electric India Pvt. Ltd.  
Dr. K.S. Jayanthi,  
Former Principal / Governing Council member, SCE.  
Dr. Anita Lukose,  
Secretary -INVEST South Zone Council.  
Mr. Vidyadhar Salimath,  
Former General Manager, ONGC, Mumbai.

### Conference Chair

Dr. H. Ramakrishna, Principal, SCE, Bengaluru.

### Conference Co - Chair

Dr. Harish R, Prof & Head, Physics Dept.  
Dr. Tulidas D, Prof & Head, Dept. of ME

### Organizing Committee

Dr. H R Ranganatha, Professor & Head, Dept. of ISE  
Dr. Kamalakshi Naganna, Professor & Head, Dept. of CSE  
Dr. Rekha S.N, Professor & Head, Dept. of EEE  
Dr. H C Sateesh Kumar, Professor & Head, Dept. of ECE  
Dr. Tulidas D, Professor & Head, Dept. of ME  
Dr. Rajeshwari R, Associate Professor & Head, Dept. of CV  
Dr. Veena S, More, Professor & Head, Dept. of BT  
Prof. Parwanath, Professor & Head, Dept. of Mathematics  
Dr. R. Harish, Prof. & Head Dept. of Physics & Chemistry

## About Conference

Present global scenario demands unprecedented actions and efforts across multiple convergences of social, economic and environment issues. Science, Technology and Innovations in the area of Internet of Things, Artificial Intelligence, Bio-Technology, Nano Materials and Renewable Energy must play a key role in achieving these goals. Also this is the era of start-ups, to achieve ambitious dream of Make in India concept. With this motive, Sapthagiri College of Engineering, Bengaluru is organizing an International Conference "Global Convergence in Technology, Entrepreneurship, Computing and Value Engineering: Principles and Practices" (ICGCP-2023).

## Sub Themes

- Computer Sciences ICGCP 1**
  - Emerging Technologies in AI & ML
  - IoT and Neural Networks
  - Graph theory in Big data analytics and
  - Knowledge Engineering
  - Virtual & Augmented reality
  - Artificial intelligence and reasoning

## ICGCP 2 Electrical Sciences

- Power system, control system and automation
- Next generation computing in electrical engineering
- Signal Processing
- Communication Engg and Artificial Intelligence
- VLSI and Embedded Systems
- Value Engineering

## ICGCP 3 Mechanical Sciences

- Composite Materials, Thermal science and CFD
- Finite Element Analysis
- Material Science
- Latest trends in Physics
- Nanotechnology/Nanomaterials
- Latest trends in Structural Design
- Construction management
- Advances in water, waste water
- Transportation technology
- Value Engineering

## Chemical Sciences ICGCP 4

- Drug design and computational biology
- Green Chemistry & Industrial biotechnology
- Material Science & Nanotechnology
- Plant & microbial secondary metabolites
- Value Engineering

## About the Speaker

### Speaker 1

**JAVIER MASINI, CYS, CSSB, CPCE**  
Value Analysis / Value Engineering (VA/VE) Study Facilitator  
Javier has more than 20 years of experience in value engineering (VE), lean design analysis, Lean Manufacturing, and Six Sigma for the manufacturing and construction industries. He has successfully led VE workshops across the globe for a range of products, specialized equipment and tools, processes and facilities. Since 2001, Javier has trained more than 2000 professional engineers in Lean Six Sigma systems and VE. He is currently an instructor for the Institute of Industrial and Systems Engineers (IISE) and SAVE International. He also designed the Lean and Six Sigma public training for the Jalisco State Government. He also created the first value engineering university course in Latin America that was granted official certification from SAVE International. Aside from being a professor in the Engineering Masters at Universidad Panamericana for almost two decades, he is the founding President of the Instituto de Ingenieros Industriales de Occidente, a (training) center at Secretaría del Trabajo y Previsión Social (Federal Labor Bureau in Mexico) and has been one of the 15 jurors for the Jalisco's Award to Quality (Premio Jalisco a la Calidad) seven times. Javier has presented at various conferences in the fields of industrial engineering, VE for manufacturing and construction, Lean manufacturing, computer simulation, and statistical process control, as well as collaboration skills for engineers in Mexico, Japan, the US, and Central and South America.

### Speaker 2

**Mr. Amit Kumar**  
Vice President and Business Unit Head, Metering and Protection Systems Division at Schneider Electric India Private Limited  
Mr. Amit Kumar is the Business Unit Head of Metering and Protection Systems Schneider Electric India, Mysuru (formerly it was part of Larsen & Toubro's Metering Business unit), the pioneer and market leader in the Metering industry in India. Mr. Amit Kumar has worked in the industry for more than 25 years. He has previously worked in the mining and electrical industry. He is an Electrical Engineer and holds a Post Graduate Diploma in Marketing Management. He has traveled widely and has delivered lectures in the domain in more than 12 countries. He is the present Chairman of Indian Value Engineering Society- South Zone (INVEST-SZC).

Chikkasandra, Hesarghatta Road,  
Bengaluru-560 057

International Conference ICGCP 2024 was organized from 27<sup>th</sup> to 29<sup>th</sup> April 2024 at Sapthagiri College of Engineering, Bengaluru. Chief Guests Mr. D K S N Murthy & Mr. P. Arjun Raj, Indian Value Engineering Society (INVEST) Southern Zonal Council Members were present. Principal Dr. H Ramakrishna and Administrative officer, Dr. K.S.Venkateshappa presided over the function. The inauguration commenced with lighting the lamps by dignitaries. More than 300 participants including faculties , Students & Research scholars form all over the state participated in the event.

  
Principal  
Sapthagiri College of Engineering  
Chikkasandra, Hesaraghatta Road,  
Bengaluru-560 057

Principal, Dr.H.Ramakrishna, in his presentation congratulated the department Heads and faculty for hosting the events and congratulated all the participants for their active participation in ICGCP-2024. He introduced the audience about the activities of INVEST and encouraged all the students to be a part of Value Engineering Society by conducting various activities related to product / service functions. He also briefed on the various initiatives of south zone council of INVEST in promoting value Engineering concepts. Also in his talk he highlighted on the activities of Indian Value Engineering Society and clarified that, Value Engineering is not about cost and not only for Engineers, but for every practicing professional. He invited more professionals to become Certified Value Engineers and he offered support in getting certification from south zone. He also expressed his concern on available funds and urged professionals to utilize funds to promote value Engineering. Also he insisted all the students and professionals to take pledge on the occasion to promote Value Engineering and urged to become Certified Value Engineers.

Mr. P. Arjun Raj, Indian Value Engineering Society (INVEST) Southern Zonal Council Executive Member, during his presentation highlighted on the industry requirements for skilled manpower and insisted the participants to acquire necessary skills by undergoing training in latest technologies. He also congratulated the participants of ICGCP 2024 for participating in the conference and insisted them to continue research work in future also. He also highlighted on the latest trends in the area manufacturing, Artificial intelligence and Internet of things and urged the participants to actively participate in learning and developing technologies related.

Principal  
Sapthagiri College of Engineering  
Chikkasandra, Hesaraghatta Road,  
Bengalore-560 057

In his presentation Mr. Javer Masini highlighted on the role of value engineering in new product development by taking real time examples and case studies. He also discussed in detail about Value methodology and its application in new product development. Also he discussed in details about the latest trends / techniques in Value Engineering. Later he highlighted on the case study of German VAVE / VM organization as an exemplary organization

Mr. Amit Kumar, Chairman of Indian value Engg. Society south zone branch in his talk highlighted on the activities of Indian Value Engineering Society and clarified that, Value Engineering is not about cost and not only for Engineers, but for every practicing professional. He invited more professionals to become Certified Value Engineers and he offered support in getting certification from south zone. He also expressed his concern on available funds and urged professionals to utilize funds to promote value Engineering. Also he insisted all the students and professionals to take pledge on the occasion to promote Value Engineering and urged to become Certified Value Engineers.

Principal  
Sapthagiri College of Engineering  
Chikkasandra, Hesaraghatta Road,  
Bengalore-560 057

Administrative officer, Dr. K.S.Venkateshappa during his address congratulated the research and scholars and faculty for actively participating in the conference by presenting their research work. Also he urged and faculty to pursue research work and publish papers in reputed peer reviewed journals and contribute towards self-growth and institution development. He encouraged the faculties and research scholars to make use of the available faculties and latest technologies to publish papers. He insisted the students to publish research papers which will help them in building confidence and resume. And he also congratulated the HOD's and faculty for guiding and encouraging students to prepare and present papers.

Mr. D K S N Murthy member Indian Value Engineering Society (INVEST) Southern Zonal Council introduced the audience about the activities of INVEST and encouraged all the students to be a part of Value Engineering Society by conducting various activities related product / service functions. He also briefed on the various initiatives of south zone council of INVEST in promoting value Engineering concepts. The Vice-chairman also congratulated students for participating in various events and Submitting their posters. He also congratulated the team of INVEST for their efforts in conducting various events and completing the evaluation of all the entries.
