CERTIFICATE OF INTERNSHIP

This is to certify that **Madhugowda Mh** whose USN is **1SG21EC059**, has completed their **Machine Learning With Python (Research Based)** Internship organised and handled by **Varcons Technologies Pvt. Ltd** from **27th October, 2023** to **1st December, 2023**.

The person to whom this certificate is addressed to has worked on a project titled **Machine Learning algorithms for predicting the risks of chronic diseases**. This project was aimed at creating fully-fledged functional **web template(s)** for a client of ours. As part of the project, they designed functional web pages, used databases to collect, store, and sort data, by understanding the design briefs and client specifications that were provided in the project proposal.

During the course of the internship, they demonstrated good design skills with a self-motivated attitude to learning new things. Their performance exceeded expectations and was able to complete the project successfully on time.

CERTIFICATE OF INTERNSHIP

This is to certify that **Prakruthi S Malnad** whose USN is **1SG21EC079**, has completed their **Machine Learning With Python (Research Based)** Internship organised and handled by **Varcons Technologies Pvt. Ltd** from **27th October, 2023 to 1st December, 2023**.

The person to whom this certificate is addressed to has worked on a project titled **Machine Learning algorithms for predicting the risks of chronic diseases**. This project was aimed at creating fully-fledged functional web template(s) for a client of ours. As part of the project, they designed functional web pages, used databases to collect, store, and sort data, by understanding the design briefs and client specifications that were provided in the project proposal.

During the course of the internship, they demonstrated good design skills with a self-motivated attitude to learning new things. Their performance exceeded expectations and was able to complete the project successfully on time.
