INTERNSHIP CERTIFICATE

Date: 26.09.2023

This is to Certify that **Mr. ASHWIN R** has visited our factory and undergone training from 14.09.2023 to 26.09.2023 in various fields like Fitting, Welding, Gas cutting, Grinding, Drilling, and General Engineering works.

Our Company, M/s Swamith Fab Engineers, situated in Peenya, Bangalore is a Mechanical Engineering company and is Manufacturers of Chemical and Pharmaceutical Process Equipments like Reactors, Pressure Vessels, Heat Exchangers, Storage Tank etc made out Carbon Steel and Staineless Steel, supplying to all major Chemical and Pharmaceuticals Industries in South India.

His main role during our stay here has been observation, study and understanding the various works and activities involved during various processes. It was very much beneficial to him as he got exposure to many practical things going around in an Industry. Since this is a Manufacturing concern, he could study all minute details like how the whole process goes in a manufacturing company right from beginning to completion of the job.

We found lot of enthusiasm in him in learning so many aspects of practical things in an Industry and we hope with such huge potential, he will gain lot of success in his future career.

His performance has been Satisfactory.
