

Department of Civil Engineering

Monthly Activity Report of March 2023-2024

1) Food Walk

Type of event or Activity	Food Walk
Name/Title of the event / Activity	Food Walk
Date of Organization	02.03.2024
Venue	ALH 411, Department of Civil Engineering, Sapthagiri College of Engineering
Organized by	Department of Civil Engineering
Objectives of Events / activity	Students get to know about team work, confidence about teamwork, communication, societal interactions and responsibilities
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	41

Event Description

Food Walk has been organised for 3rd semester students of Civil Engineering, Mechanical Engineering, on 03.03.2024 under the guidance of Co Ordinators Nandini I V.

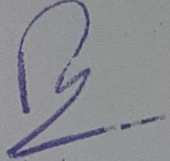

Students were informed to prepare "cooking without" activity within specific duration. Students are well prepared and actively participated in cooking and serving food dishes to everyone. They even communicated with staffs and explained about their cooking skills and arrangements. These activities gave students confidence about teamwork, communication, societal interactions and responsibilities
