**Event Description:**

On June 13, 2024, a talk was organized by IDP at SCE, attended by students of VI Sem, EEE dept. The session aimed to inform students about the opportunities and processes involved in studying abroad, facilitated by IDP's comprehensive services.

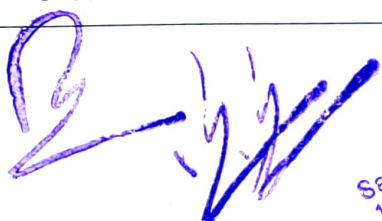

**Overview of IDP**

IDP (International Development Program) is a global leader in international education services, with partnerships with over 700 universities worldwide. It offers extensive support in course selection, application processes, and visa assistance.

**Key Points from the Talk:**

**Study Abroad Opportunities:** IDP collaborates with universities in Australia, Canada, New Zealand, the UK, the USA, and Ireland. Detailed information on selecting the right course and institution based on individual preferences and goals.

**Application Process:** Guidance on course selection, document preparation, and application submission. Importance of presenting a strong application to increase chances of admission.

**Event Description:**

Career Guidance talk "Career Guidance and Higher Education" was organized on 14/01/2023 for 5<sup>th</sup> semester studentsof EEE, Room no.406, Academic block, Sapthagiri College of Engineering of SCE, Bengaluru.

**Dr. K N Ravi**, Retired Joined Director of CPRI, Bengaluru was the speakers. They explained about the importance of Successful Career Planning, HVE fits into any Power Engineering. Careers are open with any electrical engineering industry as designer of insulation systems for the electrical equipment, particularly in high voltage machines. Openings also can be from high voltage instrumentation and condition monitoring of electrical equipment. Large industries with dedicated R&D would serve as apt avenues. Good insulation engineers with knowledge to apply software tools for insulation design are certainly needed by these industries/research institutions
