# Monthly Event Report for the month of: Feb- 2024

**DEPARTMENT OF: Information science and Engineering**

| | |
|---|---|
| *Type of Event/Activity | 1. Expert Talk on Full Stack development |
| Name/Title of the Event / Activity | 1. Full Stack development :JAVA & CSS Expert Talk |
| Date of Organization | 1. 09-02-2024 |
| Venue (with address) | 1. ISE-SEMINAR HALL |
| Organized by | Department of Information Science of Engineering |
| Objectives of the event/activity | 1. To educate about Full Stack and JAVA. |
| Participants (Please attach list of participants, if it is organized/conducted in the dept.)) | 1. 110 participants |
| Mention organized /participated/attended | Department of ISE, Sapthagiri College of Engineering |

**Event Description:**

1. Department of ISE has organized a "Expert Talk on Full Stack development :JAVA & CSS" under the banner of ISE forum. The talk was organized by the department of Information Science and Engineering. This Event was conducted to educate the students about Full Stack and JAVA by the Department of Information Science and Engineering, on 09th February, 2024 at ISE SEMINAR HALL.

To enhance the ability of the students specifically about Full Stack Development focusing on Java and CSS provided a comprehensive overview of the essential skills and technologies required for modern web development. The session covered the importance of Java for back-end development, highlighting key frameworks like Spring and Hibernate, and advanced CSS techniques for front-end design, including Flexbox and Grid. The talk also emphasized the seamless integration of Java and CSS, showcasing real-world applications and best practices. An interactive Q&A session allowed participants to engage with the speaker, gaining practical advice and personalized guidance.

After every event, please take feedback (online/offline).
