## 9. Yoga for women's health

The Women empowerment cell- SAMRTHINI of Sapthagiri College of Engineering conducted YOGA EVENTS for Girl students and Ladies staff of SCE at Sapthagiri College of Engineering, Bengaluru on 21/06/2024. An Old Testament Blessing We have been practicing yoga for many years. It was forgotten about for a while. But lately, this exercise has gained popularity both in India and beyond. The best part about it is that you can do it from any location, whether your office, home, or ashram. The fundamental idea is that it emphasizes self-awareness and the inner self. There are three types of yoga: savasana (resting period), asanas (yoga postures), and pranayama (breathing exercises). Regular yoga practice has been shown to enhance blood circulation, boost mindfulness, improve digestion and metabolism, and promote mental calm in addition to aiding in weight loss. Whether they are homemakers or career-focused, women are always overburdened with obligations. It would have seemed impossible if they hadn't been multitasking

on so many levels. They are constantly preoccupied with some aspect of life. This is when yoga is a godsend. Women can relax and behave more elegantly and effectively by practicing basic breathing techniques. It harmonizes the soul and body. Yoga has so many advantages that it is recommended to treat it as a daily task rather than a recreational activity.

### *Drug Awareness Program*

The global drug problem presents a multifaceted challenge that touches the lives of millions worldwide. From individuals struggling with substance use disorders to communities grappling with the consequences of drug trafficking and organized crime, the impact of drugs is far-reaching and complex. Central to addressing this challenge is the imperative to adopt a scientific evidence-based approach that prioritizes prevention and treatment.

The International Day against Drug Abuse and Illicit Trafficking, or **World Drug Day**, is marked on 26<sup>th</sup> June every year to strengthen action and cooperation in achieving a world free of drug abuse. This year's World Drug Day campaign recognizes that effective drug policies must be rooted in science, research, full respect for human rights, compassion, and a deep understanding of the social, economic, and health implications of drug use.

Together, let us amplify our efforts to combat the global drug problem, guided by the principles of science, compassion, and solidarity. Through collective action and a commitment to evidence-based solutions, we can create a world where individuals are empowered to lead healthy, fulfilling lives.

National Service Scheme (SWAYAM SEVA) NSS Unit of Sapthagiri College of Engineering and Health Club organized "Drug Awareness Program" on Wednesday, 26th June 2024. The program involved by pledge taking by the students in the presence of NSS Program officer Dr.Tulidas D Professor & Hod, Department of Mechanical Engineering and Professor of various departments along with non teaching Staff cordially supported by the management, Principal, SCE, Bengaluru.

### *Sadbhavana Diwas*

Sadbhavana Diwas is observed with optimism and warmth throughout the country.

On this day, citizens around the country make the following pledge:

*"I take this solemn pledge that I will work for the emotional oneness and harmony of all the people of India regardless of caste, region, religion, or language. I further pledge that I shall resolve all differences among us through dialogue and constitutional means without resorting to violence."*

#### **Importance of Sadbhavana Diwas**

- On Sadbhavana Diwas in India, numerous cultural events and contests are held across states.
- Sadbhavna Diwas is also related to the maintenance of greenery, beauty of nature, environmental protection, and biodiversity conservation.
- The main goal of many events on Sadbhavana Diwas is to promote consciousness among citizens about these critical environmental challenges.

'Sadbhavana Diwas' or Harmony Day' is observed with an objective to encourage national integration, peace, affection, and communal harmony among the Indian people of all religions. Sadbhavana Diwas is celebrated on 20<sup>th</sup> August every year to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi. **Constitution Day (SAMVIDHANA Divasa)**, also known as "National Law Day", is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.

The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2021 was the 131st birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution. Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of Dr.B.R.Ambedkar.

NSS program officer Dr.Tulsidas D has organized a programme of "Constitution day" on 27-11-2023 Monday. The programme held in various class rooms at SCE. ## **Drug Awareness Program**

The global drug problem presents a multifaceted challenge that touches the lives of millions worldwide. From individuals struggling with substance use disorders to communities grappling with the consequences of drug trafficking and organized crime, the impact of drugs is far-reaching and complex. Central to addressing this challenge is the imperative to adopt a scientific evidence-based approach that prioritizes prevention and treatment.

The International Day against Drug Abuse and Illicit Trafficking, or **World Drug Day**, is marked on 26<sup>th</sup> June every year to strengthen action and cooperation in achieving a world free of drug abuse. This year's World Drug Day campaign recognizes that effective drug policies must be rooted in science, research, full respect for human rights, compassion, and a deep understanding of the social, economic, and health implications of drug use.

Together, let us amplify our efforts to combat the global drug problem, guided by the principles of science, compassion, and solidarity. Through collective action and a commitment to evidence-based solutions, we can create a world where individuals are empowered to lead healthy, fulfilling lives.

National Service Scheme (SWAYAM SEVA) NSS Unit of Sapthagiri College of Engineering organized "Drug Awareness Program" on Wednesday, 26th June 2024. The program involved by pledge taking by the students in the presence of NSS Program officer Dr.Tulidas D Professor & Hod, Department of Mechanical Engineering and Professor of various departments along with non teaching Staff cordially supported by the management, Principal, SCE, Bengaluru.
