A Report on Alumni Meet - 2024

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

Sapthagiri College of Engineering and SCEAA (Sapthagiri College of Engineering Alumni Association) organized Alumni meet 2024 on 30-08-2024 department wise. More than 230 Alumni participated in the meet.

Renowned Alumnus of Computer Science and Engineering branch. Mr. Dylan Saldanha, Senior Software Engineer, LTI, India of 2015 batch was felicitated during the alumni meet.

The Alumni Meet brought together former students of SCE from different batches, spanning several years. The event aimed to foster connections, celebrate achievements, and reminisce about shared experiences. Alumni engaged in vibrant networking sessions, exchanging career insights, and professional experiences. Participants from diverse industries and professions shared valuable perspectives, fostering collaboration and mentorship opportunities. Panels featuring distinguished alumni explored current trends, challenges, and opportunities in various fields. Topics ranged from technological advancements to entrepreneurship, offering attendees valuable insights into contemporary issues.

Workshops focused on career development, personal branding, and skill enhancement. Alumni received guidance on navigating job markets, advancing their careers, and adapting to evolving industry landscapes.

Outstanding alumni shared their achievements and contributions to Intelligent Automation field. Their accomplishments served as inspiration for current students and testament to the institution's commitment to excellence.

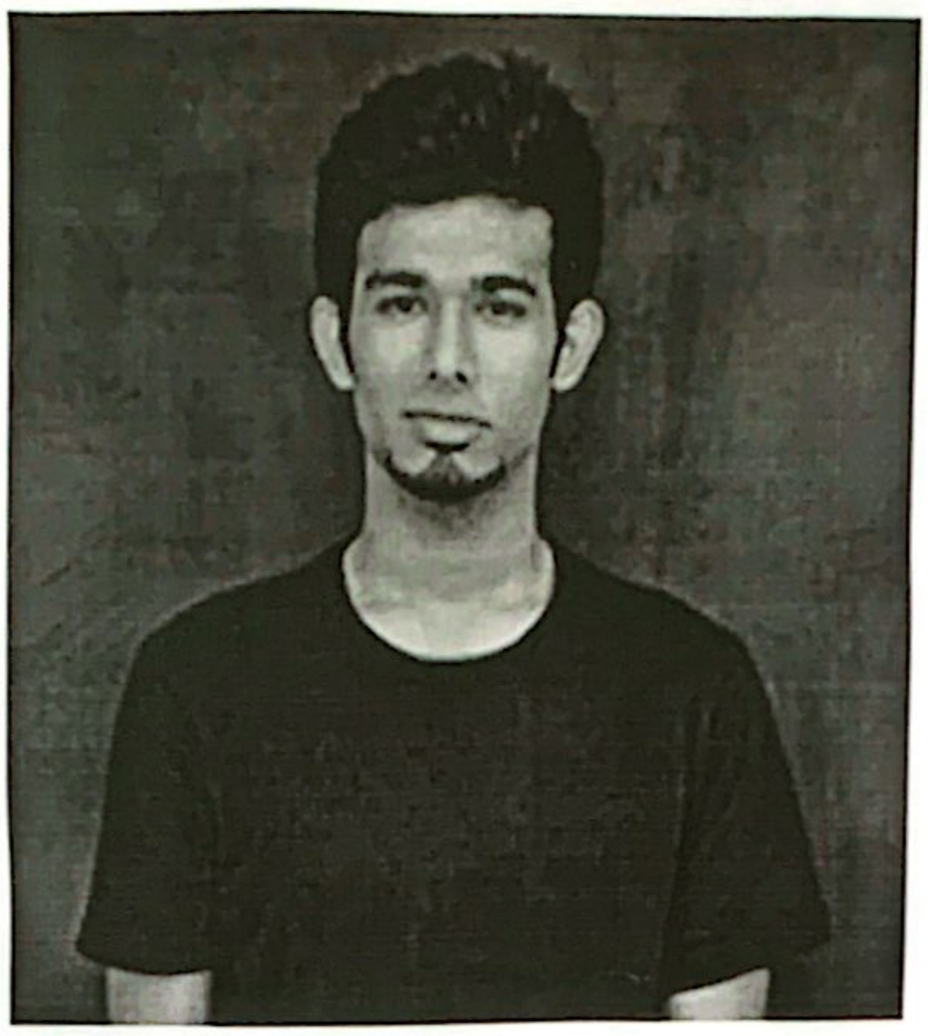

The Alumni Meet 2024, served as a testament to the enduring spirit of Sapthagiri College of Engineering and the bonds forged among its alumni. As participants departed with renewed connections, cherished memories, and shared aspirations, the event's success underscored the significance of alumni engagement in sustaining the institution's legacy and fostering lifelong relationships.

Sapthagiri College of Engineering Alumni Association (SCEAA)

MINUTES OF THE MEETING

Date: 03/07/2023

Today on 03/07/2023 from 1:30 pm onwards a meeting of Sapthagiri College of Engineering Alumni Association (SCEAA) was held at the Principal's Office to discuss the following agenda in presence of the following members.

Principal gave opening remarks to the members. The following resolutions were made

Agenda 1: Preparation of Action plan ALUMNI ASSOCIATION for the academic year 2023-24.

- The events to be conducted are as follows :
  - To conduct talk on placement preparedness, career guidance and opportunities
  - To conduct talk on latest technology branch wise
  - To conduct on talk on Entrepreneurship
  - To organize Alumni meet
  - To get the Alumni registration before the last working day

Agenda 2: Discussion about Previous years Alumni's feedback.

- Some of the Alumni had expressed their willingness for helping the present students for placements such students were called to visit the campus for conducting job fairs and recruitment.

Agenda 3: Discussion about Alumni registration

- All the committee SCEAA members were informed to get the registration done branch wise before the last working day and submit the details to the SCEAA

Most of the planned events for the academic year 2023-24 were conducted smoothly and as planned.

The meeting was concluded with the vote of thanks by the convener.

Event Description:

Alumni talk was conducted for the benefits of enhancing and improving the knowledge of students on trending technologies with industry perspective trending for the Semester Students of Department of Computer Science and Engineering, Sapthagiri College of Engineering, Bangalore on. 29th January 2024. Alumni spoke about Importance of Social Networking on Students One of the most significant advantages of social media in education is its ability to provide access to vast amounts of information. Through social media platforms such as YouTube and Twitter, students can access a wealth of educational resources, including online courses, tutorials, and research papers. Students were interacting throughout the session as it was more interactive.

*Type of event/activity	Alumini Talk
Name/Title of the Activity/Event	**Global Awareness Education Program**
Date of Organization	21st December 2023
Venue (with address)	ALC 112 ROOM
Organized by (Resource Person)	Department of Computer Science and Engineering. Resource Persons: Mr. Abhilash Kaparthi.
Objectives of the event/activity	To share the Knowledge on studying in abroad.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	5TH sem CSE students
Mention organized /participated/attended	Dr. Kamalakshi Naganna, Prof. Madhu Shree , Prof. Lavanya K

Event Description:

This seminar was conducted for the benefits of enhancing and improving the knowledge how to prepare for the studying in Abroad, its procedures, application, visa etc for the 5th Semester Students of Department of Computer Science and Engineering, Sapthagiri College of Engineering, Bangalore on 21 DECEMBER 2023. The following topics were discussed in the sessions:-Process to be followed to study abroad, career path, salary comparison, becoming an experienced professional etc .Also advised the students to be confident and have career goals. Also encouraged students to do things differently in the education sector and explained about self-improvement in career. Students were interacting throughout the session as it was more interactive.

*Type of event/activity	Alumni Talk
Name/Title of the Activity/Event	Talk on how to crack technical round in company interview
Date of Organization	25th September 2023
Venue (with address)	Room no. 112, Dept. of CSE
Organized by (Resource Person)	Department of Computer Science and Engineering. Resource Persons: Sachin Kumar S
Objectives of the event/activity	To give insight into how to face technical round in company interview
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	2nd Semester CSE students
Mention organized /participated/attended	Dr. Kamalakshi Naganna, Prof. Roopa Banakar

Event Description:

Alumni talk was conducted for the benefits of enhancing and improving the knowledge of students on trending technologies with industry perspective for 2nd semester students of Department of Computer Science and Engineering, Sapthagiri College of Engineering, Bangalore on 25th September 2023. Alumni spoke about expectations of the interviewer. The employer may expect applicant to show the technical elements of the desired job. The technical interview may test the knowledge of writing and inspecting code, creating a seamless user experience and testing the performance of products. Competent communication can also be important when working as a part of a team or attempting to resolve issues.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

ALUMNI TALK REPORT

The Department of Electronics and Communication Engineering of Sapthagiri College of Engineering organized an Alumni talk on 21.11.2024 from 11:00AM to 12:30 PM by Dr Deepak, an Alumni of batch 2009-2013.He is Co-founder of Silicon Valley based startup watt worker . He is an engineer turned into an entrepreneur.

Deepak pursued his bachelors in Electronics and Communication Technology and he startedhis masters in Germany in the field of Computer and Communication Technology atSaarland University where he was graduated with honors degree. His interest in academia made him pursue PhD in Norway in the field of Bio-Medical Engineering at Norwegian University of Science and Technology. He was involved in design of energy efficient sensor networking for leadless pacemakers in heart. Deepak is currently a cofounder of a Silicon Valley based startup called Watt Worker. They are working on supporting the EV infrastructure development on the long-haul travel in the USA and Norway.

The main theme of this Alumni Talk was to enlighten the minds of budding engineers in terms of IOT hardware and firmware development, make the students realize the importance and benefitsof Entrepreneurship.

In this session conducted for around one and half hour Dr. Deepak mentioned about his envision that it was time to focus on technologies that add to human and ecological well-being. He gave encouraging and motivational examples of his own life about the times during his Engineering life when he would sit at a place and watch an old man carrying a bucket of water, he waters the plants and start thinking how he could use his knowledge of machine learning to develop a technology to make sure all the plants are uniformly and easily watered and thus turn them into pro-green intelligent energy assets. He also encouraged enter entrepreneurship by promising to help all those students who were really interested in it.

SAPTHAGIRI College of Engineering Creating Tomorrow

AY: 2022-2023
2022- EVEN

Department of Biotechnology (May-2023)

Event Description:

The Department of Biotechnology conducted a alumni talk for Students under the banner of T **Institution of Engineers (India), NDLI (National Digital Library of India), Student chapter a Shrishti BT forum** on 11th May 2023 from 10.30AM- 11.30AM. Talk was delivered by **Mr. Koushil M, Project Assistant Department of CES,Indian Institute of Science, Bangalore.**

The main aim of arranging the seminar is to give all the students an idea about the general view abo highlights the loss, causes and the methods for conservation of biodiversity with the help of biotechnolo Kodagu is rich place of biodiversity with numerous endemic flora including 436 tree species and faun diversity including 800 species and known for heavy rain with an average annual rainfall of 2903 m August 2018, 2019 and 2020 rain disaster resulted in flash floods and mudslides across Kodagu, whe massive destruction and loss of biodiversity occurred. Biodiversity hotspot Kodagu had lost numero indigenous species owing to human intervention such as deforestation, industrialization and urbanizatio along with natural calamities. Biotechnology plays crucial role in ex-situ conservation with in-vit culture techniques. Plant tissue culture is commonly used method for regeneration of various plant specie that are endemic, endangered, threatened and rare. The Event was organized by Dr. Soumya C, Assistan professors, Dept of Biotechnology, SCE, Bangalore-57

Event Description:

Talk was conducted with title of "Invoking Consciousness through awareness on responsible disposal and Plastic recycling technology." The theme is set this year to highlight the urgent need to create a awareness among the student about on Recycling Of Plastics In Indian Perspective as per the current requirements for all the Students of Department of Biotechnology, Sapthagiri College of Engineering, Bangalore on 28th Aug 2023. The following topics were discussed in the sessions:-

1. Plastic Consumption In India
2. Plastic Waste Generation In India
3. Plastic Waste Recycled
4. Uncollected And Littered
5. Problems Relating To Plastic Waste In India: Key Challenges
6. Innovative And Collaborative Approach To Address These Challenges Systematically
7. Rising Plastic Waste: Need Of Recycling

***Type of event/activity**	Alumni Talk
Name/Title of the Activity/Event	Career Pathway and Scope
Date of Organization	Sep 5th 2023
Venue (with address)	Seminar hall
Resource Person	Mr. Avinash K G Assistant Clinical Data Coordinator, ICON Plc., Bangalore
Objectives of the event/activity	Self-assessment. A manager engages with the employee to explore his or her knowledge, skills and abilities, as well as past experiences, accomplishments and interests. Individualized career map. Creating an individualized career map involves identifying other positions within the organization that meet the employee's interests. The position may be a lateral move into a different job family or a promotion. In either case, the position should capitalize on the employee's past experiences, interests and motivation while at the same time requiring the employee to develop a certain degree of new knowledge, skills and abilities (KSAs) to give him or her something to work toward and stay engaged. Exploring other opportunities. The final step in career mapping is to explore other job opportunities within the organization as they become available
