

1.3.2.1: Number of courses that include experiential learning through project work/field work/internship/mini project

DVV Query: Provide document showing the experimental learning through project work / field work/internship as prescribed by the affiliating university/ affiliating university curriculum.

Response to DVV Query: This is to certify that

In all Programs offered by the institution the university curriculum mandates Project work, internship in final year, mini projects and field work in few courses. However the academic committee of respective Programs resolved that there should be exposure for students in project work / field work/internship/mini project in a graded manner. Hence few subjects of all the Program that are supporting students to carryout project work/field work/internship/mini project are also considered and included in the list of courses that include experiential learning through project work/field work/internship/mini project.

Web link for list of courses that include experiential learning through project work/field work/internship/mini project for the academic year 2014-15 to 2018-19 are enclosed.
