Dear Sir

Sub: Requisition for Industrial Visit

With reference to the above subject I request your good self to accord the permission to visit industries in Goa and Udupi from 28th of April 2019 to 3rd of May 2019 for Biotechnology students. This industrial visit organization will be coordinated by Prof. Soumya C. The total strength of the students is around 62 and 5 staff members. Since it is a part of their curriculum, so please kindly do the needful in this regard and oblige.

Thanking you,

For approval

Your's faithfully

(Dr. Veena S More)

INDUSTRIAL VISIT SCHEDULE

Mode of Travel: Bus

Departure and Arrival: Sapthagiri College of engineering campus / Student are near point.

Visit: Industries in Goa and Udupi-28th April to 3rd May 2019

Days	Dates	Industries	Time
Day 1	28 th April 2019	Departure: Bangalore To Goa Sapthagiri College of engineering campus and Students near point	6: 00 PM
Day 2	29 th April 2019	NIO-National institute of oceanography Goa Goa Halt	10.00 AM
Day 3	30 th April 2019	OKASA Pharmaceuticals Company Goa. Goa Halt	10.00AM
Day 4	1 st May 2019	Departure : Goa to Udupi Karvara/Muradeshwara/Malpe, Udupi Halt.	6.00 AM
Day 5	2 nd May 2019	Western chemical Industries, Bramhawara Departure from Udupi to Bangalore	10 A M
Day 6	3 rd May 2019	Arrival Sapthagiri College of engineering campus and Student's near point	7: 00 AM

DEPARTMENT OF BIOTECHNOLOGY

INDUSTRIAL VISIT REPORT – 2018-2019

As per the principal direction and permission the department organised industrial visit to the biotechnology students to build a gap between theoretical to practical Knowledge and in turn fulfil the academic curriculum on 28th April 2019 to 3rd May 2019.

Sixty eighty students with three faculties and one attender the industrial visit was organised. The industries visited were **National Institute of Oceanography, Goa on 29th April 2019, Goa Milk Dairy, Goa on 30th April 2019 and Western chemical Industries, Bramhaawar, Udpi, Karnataka.** Along with the industries some of the side scenes were also seen in the visit.

National Institute of Oceanography, Raj Bhavan Rd, Dona Paula, Goa 403004. Phone: 0832 245 0450

In this institute, students were able to understand the special oceanographic features of the Northern Indian Ocean, the biological features in oceans by watching the video and discussion with expert. The media required for the culture of marine organism, different types of corals, fishes were observed which was displayed in the institute.

Goa Milk Dairy, Goa on 30th April 2019

In Goa Dairy industry, the students were able to learn and see the processing of milk from the receiving section to packing section. In addition to that the students understand the sterilization techniques used to clean the reactors and water which is wasted how it will be recycled and reused for gardening. They were finding difficulty in designing process equipment which made them easy when they saw real reactors and their piping connections.

Western chemical Industries, Bramhaawar, Udpi, Karnataka

This small scale industry is involved in the production of formaldehyde from methanol. The visit to industry exposed the students to the plant consists of packed bed distillation column, shell and tube heat exchangers and reactors with catalyst, by which they acquired the knowledge of industrial process involved in the conversion of methanol to formaldehyde. By this they come to known overall requirements, safety measures, quality check, storage of requirements, regulatory affairs about import of raw materials and export of product.
