INDUSTRIAL VISIT : 19 MAR 19

1. This is to certify that Mr. Anil Kumar, Mr. Basavaraj & Mr. Mohan Reddy A, Asst Professors along with 42 Students [Mechanical Engineering] has visited our institute on 19 Mar 19
2. They have visited the departments of Service, Body & Paint, Warranty, Spare Parts & Sales. They have been briefed on process involved of all the above departments.

Place : Bangalore

Date : 20 Mar 19

Respected Sir,

Subject: Requesting to grant permission for one day Industrial visit

We are planning for a one day Industrial visit for mechanical 6th semester Students to get practical industry exposure. So kindly grant permission for 40 students and 4 faculties to visit Nandi Toyota, Hosur Road, Bangalore on 19th March 2019 Tuesday. We also request you to provide transportation facility and working lunch for the same.

Thanking You,

Industrial Visit Coordinator

SAPTHAGIRI COLLEGE OF ENGINEERING

Department of Mechanical Engineering

Industrial Tour Report 2018-19

Overview of the trip:

Department of Mechanical Engineering had organized an industrial/general visit on 16th ^{Nov} October 2018 to ACE Designers, Peenya, Bengaluru. The visit was organized with prior permission from Head of the Department Dr. P. Mahadevaswamy, Principal Dr. K.L. Shivabasappa and Administrative Officer Dr. K.R. Nagabhushana.

Information gathered by the students regarding the Industrial visit:

a) About Ace Designers:

Ace Designers, led by three experienced design engineers and powered by a dynamic team of more than 500 members is one of India's largest machine tool manufacturing companies. With a spread of over 50000 square meters, its manufacturing plants, located in Bangalore, India are equipped with state of the art technology to deliver large scale high quality products. Ace Designers, was founded in 1979 as a design-consulting firm. Initially, the team developed product designs for various machine tools including special purpose machines. Three years hence, in 1982, Ace stepped into the world of manufacturing with a range of special purpose import substitution machines for the I. C. Engine valve Industry. Since then, Ace has rapidly grown to become India's largest manufacturer of CNC turning centres and has remained the undisputed leader for nearly two decades. With a strategic focus on manufacturing of CNC turning centres, Ace has developed a wide range of indigenous cost effective products to meet the changing needs of its customers. Ace has ensured product excellence through quality driven manufacturing processes supported by meticulously planned world class infrastructure. Having played a vital role in the Indian industrial renaissance, Ace machines have established their footprint in the global arena too. They have found acceptance in Europe, USA, South America, UK, Middle East, China, South East Asia, Japan and Australia. Over the years, Ace co-founded several companies & collaborated with a few others to form the Ace Micromatic group, India's largest machine tool manufacturing conglomerate.

b) Details of the Visit:

Students of 5th Semester Mechanical Engineering visited the plant on 16th October 2018. They are briefed about the Industrial knowledge, overview of the company, processes by the company experts. With help of design engineers students are guided and made to see the shop floor of the company manufacturing plant where different CNC Machines, Laser beam cutting machine, CNC Turning, CNC Milling, Bending Machine, Bar feeding Machine, Packaging section etc are operated. Students are given knowledge about machine specifications, Axes of CNC Machines, Lubricating oils, Coolants, Materials used Power transmission etc.

Industrial visit (Faculty coordinators):

Mr. Anilkumar P R
