Letter of Permission

The Department of CSE, Sapthagiri College of Engineering has signed Memorandum of Understanding with Master I2R Soluions -TCS iON Training Partner and engaged in various academic activities spanning throughout year. As a part of MoU, Master I2R Solutions- TCS iON Training Partner is also eager in providing internship training for the selected students for the duration of one month. In this connection Master I2R Solutions -TCS iON Training Partner Company has given the consent to take up the internship training for the students listed below.

During the time of internship, the students will be working in **"DATA SCIENCE USING PYTHON-BASICS"** domain and reporting to Mr. Nithin Gangadhar, IT operations department.

ZS

To Whomsoever It May Concern

Sub: Certificate of Internship

This is to Certify that Master Abhishek Varma a student of Sapthagiri College of Engineering, has successfully completed a month's internship as a Business Technology Analyst at ZS in Pune from 15th January 2019 to 15th February 2019.

During the internship, Abhishek worked on the various Big Data Technologies. His work mainly focused on building efficient and fault tolerant AWS architectures for different use cases. During the period of his internship program with us he had been exposed to different processes, was found punctual, hardworking and inquisitive.

We wish Abhishek best luck for all future endeavors and look forward to working with him again in future.

NANO ROBOTICS EMBED TECHNOLOGES

TO WHOM IT MAY CONCERN
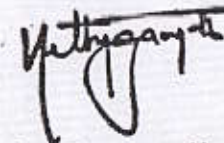

This is to certify that **Ms. AISHWARYA K Y**, with **USN 1SG14CS007** has worked as Technical Intern with **Nano Robotics Embed Technologes**, from 11th January-2019 to 11th February- 2019. She worked on different modules and hands-on development of project titled as **"IMAGE PROCESSING- OBJECT DETECTION USING REGION PROPERTY FEATURES"** including architecture. Electronic design and communication protocols.

Her internship had training and focus priority on learning & developing new skills and gaining deeper understanding of concepts through hands-on applications.

Responsibilities:

- Programming and implementing software.
- Solid program experience in Matlab.
- Designing. developing. coding. testing and debugging system software.
- Hands on development and troubleshooting with targets.

During the period of her internship program with us she was found punctual, hardworking and inquisitive. We wish her every success in life.

Sub: Certificate of Internship

This is to Certify that **Master Dylan Saldanha** a student of Sapthagiri College of Engineering, has successfully completed a month's internship as a Data Science Intern at NuVeda in Bangalore from 7th January 2019 to 7th February 2019.

During the internship, Dylan worked on developing our new product, "Google of Learning(GOL)". His work mainly focused on building Deep Learning Models along with NLP and deploying them on AWS. Further he was tasked with generating relevant reports on Real Time Message data. During the period of his internship program with us he had been exposed to different processes, was found punctual, hardworking and inquisitive.

We wish Dylan best luck for all future endeavors and look forward to working with him again in future.

Dear Nishant -

Subject: Offer of an AI Internship with NuVeda Learning

We are pleased to offer you an internship with NuVeda Learning Private Limited.
The details of the offer is as follows:

You will be developing software for an AI related project during the course of the
internship.

You will be supported and mentored by NuVeda employees throughout the
project or projects.

You will be required to work from home, and participate in daily sessions but
come into the office as and when required. Your manager will inform you about
this - it is likely to be thrice a week.

You will work on your own computer or laptop as the case may be.

You will also be asked to participate in ongoing company activities, as required -
for example learning sessions, etc.

Performance Bonus

You will be eligible for a performance bonus, payable in 2 installments, for up to
Rs. 10,000/- each, for a period of 1 months, for a total of Rs. 20,000/- over the 2
month period.

Certificate of Internship

After satisfactory completion of 2 months, you will be given a completion
certificate as well as a job offer if you have done well in your internship. NuVeda

Sub: - Internship Completion Letter

We are glad to inform that Mr. SATHYA SAI M, has successfully completed his internship on Software Development with Practical Project Training (PPT) associated with ThinkTree Systems LLP from 23/01/2019 to 24/05/2019.

During his Internship he was exposed to develop various modules using Java, JavaScript, REST API and Angularjs and integrate the same in our ongoing projects.

We have found him extremely inquisitive and hard working. He is very keen to learn new technologies and functions of the core division and also willing to put all his best efforts and get in to the depth of the technology and functionality to understand it much better resulting in productive output.

On behalf of the company, we wish him All the Very Best for his future endeavours.

Digitally signed by M Sreenivasa Murthy
