## Report on FDP

Topic: Optical Fiber transmission systems

Date: 12.01.2016

Time: 11:00am to 01:30pm

Speaker: Dr. Rajappa Pannareddy

PRLightCOM Broadband Solutions Pvt. Ltd.

Marathahalli Outer Ring Road

Bangalore 560027

### Guest Profile:

Rajappa Pannareddy received his Ph.D. Degree in electrical engineering from Southern Methodist University in 1937, MSEE from the University of Maryland in 1983, and B.E. (Electronics) from Bangalore University in 1975. He has published several journal papers and presented many papers & invited talks at several IEEE & ASEE conferences during his tenure at Purdue University (Indiana, U.S.A.). In addition, he has published two textbooks in the area of optical fiber communication systems. He has been a visiting professor with the IISC photonics group and his previous work experience includes a lecturer position at R.V. College of Engineering, Senior Engineer at ISRO Satellite Centre, Staff Engineer at ARRIS corporation (Atlanta, U.S.A.) and a Principal Engineer at CIENA corporation (Maryland, U.S.A.). He is currently a Professor (Emeritus) of Electrical Engineering of Purdue University and is a founder and managing director of PRLightCOM Broadband Solutions Pvt. Ltd. ([www.prlbroadband.in](http://www.prlbroadband.in)) in Bangalore.

### Summary of the FDP:

During the last few decades, optical fiber transmission systems have evolved from a low speed (Mb/s) to ultra-high speed data links in the range of 100 to 400 Gb/s. The FDP emphasized on the recent advances of optical fiber transmission systems and systems

Date: 10.08.2015

Time: 11.00 am to 12.30 pm

Venue: Seminar Hall, SCE Bangalore.

Lecture details:

The programme started with the welcome note by Prof. Vani A and introduced the guests. The speaker has taken a novel initiative of providing introduction to the organizational leadership for the engineering students with an objective of creating awareness among them. Organizational Leadership and Change focuses on practical experience that blends theory and practice. Students reflect on prior leadership experiences and then apply lessons learned to further develop their leadership capabilities. The seminar involved an active participation in all leadership classes and activities as well as short deliverables throughout the program. The session came to an end with the vote of thanks by Prof. Vani V and The HOD Prof. Sandhya Rani MH presented memento to the guests.

By

**Dr. KN Ravi**

Professor and HOD,  
Bengaluru.

**Date: 05.08.2015**

**Time: 1.30 PM to 3.30 PM**

**Venue: Room No 405, SCE Bengaluru.**

The seminar on Research, Design, Methodology was conducted by Sapthagiri College of Engineering on 3<sup>rd</sup> of Aug 2015. The objectives of the workshop were to build the capacity of participants on research methods and design and on preparing proposals for research grants. It is also required to update participants on various research grant opportunities and potential funding sources. This further strengthen the organization in research. The workshop was attended by faculties. They described in detail about each section which should include and how it should be written. The participants commented that the workshop provided them with the skills on proposal writing which they can apply in the future and in training junior researchers.

Dr. K N Ravi, received his BE degree in Electricals and Electronics Engineering. His Specialization in Master Degree is High Voltage Engineering. He received his PhD in High Voltage Engineering at IISC. He has 35 years of Teaching Experience. He is a life member of IEEE. He has published around 30 research papers in National, International Journals and Conferences. His areas of interest include Design of External insulation from the point of view of pollution under AC & DC voltages, Pollution Ageing of DC Insulators, Pollution study on AC and DC insulators and arresters and the like. He has guided more than 50 batches of Bachelor degree students and 25 students for Master degree projects. He Guided two PhD students. Presently he is a guide and mentor for three students who are pursuing work for PhD programme.
