COMMUNITY CLUB REPORT

Name of Event	Interaction of Govt. School Students on Environmental Pollution
Date	03-09-2014
Issues addressed	Causes for Environmental pollution and Impact of pollution on living organisms and human society.
Place of the event conducted	Government school at Ivarakandapura

Report:

ECO Club volunteers conducted an event “**Interaction of Govt. School Students on Environmental Pollution**” on **03-9-2014**. The programme was organised by ECO club in association with Community Club. The complete event was co-ordinated by Prof. Varshini K. under the guidance of Prof. Prashanth Kumar H P Convener HASIRU-ECO club and Prof. Ram Kumar M convener Community Club. Also few volunteer students from both community and Eco club participated in the event.

Event was inaugurated by Head master of the school. In the event our staff and students were actively involved with student community. Pre prepared things to explain about environmental pollutions such as drawings, videos and information was properly executed before students in most understandable way.

Our team explained about causes for air pollution, soil pollution, sound pollution, water pollution (lake pollution) and methods to control the pollution. We also shared information about consequences of pollution on society and which type of pollutions causes specific type of disease. Government school students were surprised with facts that we shared and discussed with them especially things which leads and increases the pollution and also their consequences on human health, animals and aquatic animals, etc... Students learnt lot of things from our demonstrations and interactions. They really felt happy with our efforts towards the event. School Head master, teachers and students appreciated our work. Finally, the students promised that they try to control the pollution caused by their family members and neighbours.

COMMUNITY CLUB REPORT

Name of Event	World Diabetes Day
Date	14.11.2014
Issues addressed	Causes of Diabetes, ill-effects of diabetes & Preventive measures of Diabetes
Place of the event conducted	Sapthagiri College of Engineering, Bengaluru
Report: As per the direction of Principal, a team of faculty and student volunteers organized an event “World Diabetes day” at Sapthagiri College of Engineering, Bengaluru. The Program was organised and co-ordinated by Prof. Ramkumar(Community club) in association with Prof. Ravishanka (Health Club) along with students from both Community and Health club. The staff members and public also participated in the event and were happy in understanding about Diabetes. The medical students and doctors from Sapthagiri Institute of Medical Sciences and Research hospital also participated and checked the diabetes status of the public participated as well as the staff. The public were shared with the knowledge about diet to be followed by the people during diabetic patient from the doctors. The doubts from the public as well as the staff regarding the diabetes were clarified by the doctors and further the public were created with the awareness regarding the diabetes.	
Impact & Sensitization	Awareness for public, staff and students regarding the diabetes.

HASITU (ECO CLUB) REPORT

Name of Event	Awareness of Pollution and its effects in govt schools.
Date	14.11.2014
Issues addressed	Causes of pollution, ill-effects of Pollution & Preventive measures of Pollution
Place of the event conducted	Govt School
Report: A team of faculty and student volunteers Hasiru and community club organized an event "Awareness of Pollution and its effects in Govt school". The Program was organised and co-ordinated by Prof. Ram Kumar (Eco club) & Prof. Ragavendra (Health Club) along with students from both Eco club and Health club. The staff members and public also participated in the event and were happy in understanding about causes and preventive measures of pollution. The students and children of government schools also participated and were created with awareness about the pollution. The public were shared with the knowledge about pollution causes and preventive measures to be followed by the people to prevent pollution. The doubts from the public as well as the students regarding the pollution were clarified by the experts and further the public were created with the awareness regarding the pollution. Further the ideas regarding the diseases to be occurred by the pollution for the students were addressed and the impact of these diseases on the children were addressed.	
Impact & Sensitization	Awareness for public, staff and students regarding the pollution.

Name of Event	Orientation on API culture – Honey Bee culture
Date	04-03-2015
Issues addressed	Culturing of Honey bee for commercial purpose
Place of the event conducted	Sri. Nagaraj farm, Hessarghatta village
Report: ECO Club conducted an event “Orientation on API culture” on 04-03-2015, Wednesday at Sri. Nagaraj farm, Hessarghatta village. The event was organised by ECO club and NSS which was co-ordinated by Prof. Ramya under the guidance of Prof. Prashanth Kumar H P Convener HASIRU-ECO club and Sri. Nagaraj, API culturist. Our students and staff were taken to the farm of Sri. Nagaraj at Hessarghatta village to have orientation on Api culture. Sri. Nagaraj and few of his friends explained us about different types of bees, box manufacturing for bee collection, place to be inducted for culturing and so on... Our volunteers learnt many things from the demonstrations and interactions with the experts. All were very happy with our efforts on this orientation program. Lastly, We thanked Sri.Nagaraj and other farmers who briefed us on Api culture and its uses.	
Impact & Sensitization	- Students learnt about different bees, design and manufacturing of boxes for culturing. - They also became familiar with the methods to produce and culture Bees for commercial production.

NSS (SWAYAM SEVA)

Name of the Event organised	Education For Everyone
Date and Day	22/06/2015 and Monday
Collaboration	Human Rights & COMMUNITY CLUB
Issues addressed	Importance and necessity of education for everyone.
Place of the event conducted	Govt. School, Bengaluru.
Report: As per the direction of Principal, a team of faculty and student volunteers organized an event “Education For Everyone” at Govt. school. The Program was organised and co-ordinated by Mr.Ravi.T (HR Club) in association with Community club along with students from NSS, HR and Community club. There are cases where the students had discontinued their education, particularly in Govt. Schools for different reasons, one particular reason is lack of financial support to them also and to their parents, especially in few cases parents will force the students to leave the school. Even though students join the school they don't know the importance of continuing the education. In these areas our team as put light and made a good impact over the students by giving various examples. Also the team gave the guidance on various course options, scholarships. To get good recognition and rewards in this competitive world the continuous education is most important. The government is having many good schemes to encourage children to get good education through RTI (Right to Education Act), the same has conveyed to the children. Motivated the children with the sayings of famous personalities like SwamyVivekanandha, BharathaRathna, Sir M.V. BharathaRathna APJ Abdul kalam, KalpanaChawla so on. Article 26 of Human Rights has been explained to students. The students are happy and they asked few questions and were happy with the answers.	
Impact & Sensitization	Understood the impact of education for everyone. There was a good impact.
Faculty Coordinators	Prof. Rekha S.N and Prof. Madhushree

Number of Participants:215

ECO CLUB REPORT

Name of Event	Cooking Gas generation utilizing Gobar gas
Date	03-04-2015
Issues addressed	Effective usage of cow dung for the production of alternative fuel
Place of the event conducted	<i>Sri. Thimmegowda farm, Gopalpura, Hessarghatta Hobli</i>

Report:

ECO Club and Community club members, volunteers and participants visited *Sri. Thimmegowda farm, Gopalpura, Hessarghatta Hobli* to understand the process of Gobar gas production under the event titled as **"Cooking Gas production using Gobar"** on 03-04-2015, Wednesday.

The event was organised by ECO club and was co-ordinated by Prof. Prashanth Kumar HP Convener, ECO club and Sri. Nagaraju, renowned agriculturist.

Eco club members, Volunteers, participants and staff were taken to the farm of *Sri. Thimmegowda farm* at Gopalpura to have awareness on Gobar gas production, plant structure, design and its approval process. Sri.Thimmegowda and his family members briefed us about collection of cow dung, pre formulation process, anaerobic activity for Gas production, designing of Gobar gas plant at very economical price. His wife demonstrated all the participants the usage of gas in the kitchen got through the pipeline.

Number of Participants:198

Principal
Sapthagiri College of Engineering
Chikkasandra, Hessarghatta Road
Bangalore-560057

Eco club members, volunteers and participants learnt and appreciated the demonstrations and good interactions with *Thimmegowda's* family. All were very happy with our efforts on this visit to understand the alternate fuel at the backyard what all the villagers have. Lastly, We thanked *Thimmegowda's* family for providing their valuable time in enlightening all of us with the production of Gobar gas.

Impact & Sensitization	Students got the awareness on Green energy. Participants learnt about alternative fuel production. As an Engineer, they came to know about the structural aspects, design of plant and applications of gas.
Faculty Coordinator	Prof. Prashanth Kumar H F (Eco club) Prof. Ram Kumar (Community Club)

ECO CLUB REPORT

Name of Event	Visit to Indian Institute of Horticulture Research (IIHR), Bangalore.
Date	30-04-2015
Issues addressed	Awareness on Horticultural plants, breeding and its research.
Place of the event conducted	Indian Institute of Horticulture Research (IIHR), Bangalore.

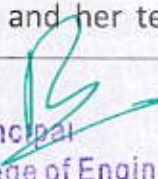

Report:

Members, volunteers and participants of both Eco club (EC) and Community club(CC) planned the visit to **Indian Institute of Horticulture Research (IIHR), Hessarghatta, Bangalore on 30-04-2015** to understand the research process and horticultural plants at IIHR.

Both EC and CC jointly took their members, volunteers, participants and staff to **Indian Institute of Horticulture Research (IIHR), Hessarghatta Bangalore** to witness and interact with the scientists regarding Horticultural plants, process, advanced research and farms. **Dr.Achala Paripurna K, Senior Scientist** from Training department (IIHR) explained us initially about the Establishment, Vision and Mission of IIHR. Then she introduced about different advancements, research and the products of IIHR with the help of videos.

Eco club & Community club members and volunteers participated very actively with Dr.Achala and Dr. Venkatesh to know more about horticultural plants like varieties of mango, flowering plants, veggies and so on. Students were very much happy with the efforts of EC and CC clubs for organising this visit. Finally, We thanked Dr.Achala and her team for providing their

valuable time in explaining and discussing the significance of IIHR in Horticultural research.

The event was organised jointly by ECO club and Community club with the help of Sri. Nagaraju, renowned agriculturist, Hessarghatta.

Impact & Sensitization	1.Participants understood about the IIHR research and technology transfer done by institute. 2.Students also visited some of the labs in Biotechnology division to know the recent advances in research. 3.Breeding techniques of Horticultural plants were discussed.
Faculty Coordinator	Prof. Prashanth Kumar H P Prof. Ram kumar
