SAMARTHINI -Women Empowerment Cell
Government School Visit

“Gender Equity for a Bright future”

The Women Empowerment Cell (WEC) members and student volunteers of Sapthagiri College of Engineering visited the Government Primary School in Ivarakandapura village, Bengaluru on 09/8/2017 in the afternoon to spread awareness about “**Gender Equity for a Bright future**” by Human Chain formation by the school children. This event was managed by the WEC Convener Prof. Prerana Chaithra.

Even now most of the families have male dominance and women are suppressed. Majority of the societies believe in and follow male dominance. Generally in the rural areas many think educating a girl is of no significance. Most of them look at girls as future Home-makers and hence they think no education or little education is enough for them. Some have the fear that if a girl is highly educated then she may dominate the family. More significance is given to the growth of male child and they think only sons enrich the family name. Therefore WEC members spread awareness to the school children about “Gender Equity for a Bright future” so that all genders are encouraged to develop impartially.

This program helped to raise awareness about generating girls’ sense of self-worth, bring awareness about the facilities available to girls and enhance girls ability to contribute in creating a more just social and economic order.

PRATHIRODHANA-Prevention of Sexual Harassment Cell
Government School Visit

“Prevent Sexual Harassment on Children”

The Prevention of Sexual Harassment Cell (PSHC) members and student volunteers of Sapthagiri College of Engineering visited the Government Primary School in Ivarakandapura village, Bengaluru North on 18/8/2017 in the afternoon to spread awareness about **“Prevent Sexual Harassment on Children”** by Human Chain formation by the school children. This event was managed by the PSHC Convener Prof. Prerana Chaithra. The visit was

In most of the cases sexual harassment on children are committed by the persons close to the children. Many of these pervers will be the child’s relative, neighbor or family friend or from the same locality. These criminals take advantage of the vulnerability of the children. Even the parents and elders ignore the various sexual abuses and harassments children face. In order to bring awareness about each and every person to put effort to prevent such cruel crimes against children PSHC members and student volunteers helped Human Chain formation by the school children to bring awareness about prevention of sexual harassment on children.

This program helped to raise awareness about sexual harassment in its various forms and to build a secure physical and social environment to prevent acts of sexual harassment. To create Zero Tolerance to sexual abuse in any form, be it verbal, physical, electronically transmitted material, etc. **Number of Participants:80**

A visit was made by PSHC members to the Government Primary School in Ivarakandapura village, Bengaluru North on 18-8-2017 to spread awareness about “Prevent Sexual Harassment on Children” by Human Chain formation by the school children

COMMUNITY CLUB REPORT

Name of the Event organised	Awareness of No POP (Plaster of Paris) Ganesha.
Date and Day	21/08/2017 Monday
Issues addressed	Save the planet from the pollution and switch to eco-friendly alternatives
Place of the event conducted	Govt School
Report: <p>As per the direction of Principal, a team of faculty and student volunteers organized an event "Awareness of No POP(Plaster of Paris) Ganesha." at Govt School. The Program was organised and co-ordinated by Prof.Tulsidas (Community club) along with students from Community club. Students and Teachers of Govt School were given information about impact of Plaster of Paris Ganesha, Ganesh Idols are decked up with heavy metal jewellery, decorations and hundreds of flower garlands. Instead of this save the planet from the pollution and switch to eco-friendly alternatives. The idols are made from red soil, organic fertilizer, and natural colour. The idols were prepared by the school students by the instructions of our volunteers. The teachers were happy for the active participation of college students. Teachers appreciated our students for their honest hard work towards social responsibility and commitment towards the community. The awareness is created among the students and teachers by giving a talk on No POP (Plaster of Paris) Ganesha, will learn more about measures to stay healthy of aquatic animals and helps to save the environment for the next generation</p>	
Impact & Sensitization	Use Eco friendly Ganesha.
Faculty Coordinators	Dr.Tulsidas D Prof. Prashanth Kumar H P

SAMARTHINI -Women Empowerment Cell

Rural Visit

“Hygiene awareness for Rural Women to lead a life of Equanimity”

The Women Empowerment Cell (WEC) members and student volunteers of Sapthagiri College of Engineering visited Ivarakandapura village which comes under Hurulichikkanahalli Gram Panchayat, Bengaluru North on 07/10/2017 in the afternoon to bring awareness among rural women about **“Hygiene awareness for Rural Women to lead a life of Equanimity”**. This event was managed by the WEC Convener Prof. Prerana Chaithra. The aim was to empower rural women in particular.

Due to their field works and unhygienic working conditions many rural women suffer due to health issues. They neglect their health and concentrate only on the family’s wellbeing. Most of them ignore visiting doctors to get treated because of the travelling difficulties and financial. In order to bring awareness about hygiene and the significance of women’s health to manage the family in a better way WEC members gave awareness about the significance of women’s health and good hygiene to lead a peaceful life.

This program helped to raise awareness about generating women’s sense of self-worth, bring awareness about the facilities available to women and enhance women’s ability to contribute in creating a more just social and economic order.

A rural visit was made to Ivarakandapura village, Bengaluru on 07-10-2017 to bring awareness among rural women about Hygiene awareness for Rural Women to lead a life of Equanimity ” by WEC members.

Community club report

Name of Event	Traffic Awareness program
Date	04-01-2018
Issues addressed	Campaigning on over speeding, wearing helmets while riding two-wheelers Fastening the seat belts while driving four-wheeler No usage of mobiles while driving
Place of the event conducted	In and around college premises, Hessarghatta Main road
<p>A team of faculty and student volunteers from NSS, Community club and Eco club organized an event Traffic “Awareness program” in and around college premises, Hessarghatta Main road, Bengaluru-57. The Program was organised and co-ordinated by Prof. Tulsidas (NSS/Community club) and Prof. Prashanth (ECO Club) with students from NSS, Community and Eco club.</p> <p>Just because of riders negligence and ignorance in driving and not following traffic rules causes fatal accidents.</p> <p>According to statistics mentioned in an article of TOI, 75 percent passenger vehicle users (driver, co-driver and rear) in India refuse wearing seat belts leading to 15 deaths every day. Also, in comparison to the US and Europe, seat belt usage stood at 28 percent compliance only.</p> <p>Principal addressed the students and gave some tips as mentioned below.</p> <ul style="list-style-type: none"> ➤ While driving your vehicle, stick to the speed limit as per the rule. ➤ Avoid using sudden braking and unnecessarily honking ➤ Do not use mobiles while driving/ riding. ➤ Start wearing the helmet as you take your bike. ➤ Fasten the seat belt when you get in to the car for safety. 	

Wearing a helmet is not only a legal compulsion but essential for your own and family safety. Helmets reduce injuries to the brain in a high-speed accident.	
Impact & Sensitization	The campaign instilled the importance of wearing helmet / seat belt and following traffic rules in students as well as the public.
Faculty Coordinators	Dr. Tulsidas D Prashanth Kumar H P

HASIRU (ECO CLUB) REPORT

Name of the Event organised	Plastic free area.
Date and Day	18/01/2018 Thursday
Issues addressed	Impact of plastic and waste on aquatic organism, animals and human society
Place of the event conducted	Near Govt School
Report: <p>As per the direction of Principal, a team of faculty and student volunteers organized an event “Plastic free area” at Govt School. The Program was organised and co-ordinated by Prof. Prashanth Kumar H P(Eco club) & Prof.Tulsidas (Community club) along with students from Community club. Students and Teachers of Govt School were given information about impact of pollution from the usage of plastic; The effects of plastic bags on the environment are really quite devastating. While there are many objections to the banning of plastic bags based solely on their convenience, the damage to the environment needs to be controlled. While reusing them is the first step, so often the best that citizens can do is reuse them.</p> <p>The teachers were happy and appreciated our students for their work towards social responsibility and commitment towards the community. With the help of teachers and volunteers of community club joined hands to make plastic free area by collecting waste plastics. The awareness is created among the students and teachers by conducting a session. Plastic free area will learn more about measures to save environment from plastic. The School children can reach out to the society in the present and also secure its future with the help of aware and educated minds.</p>	
Impact & Sensitization	Call for plastic free future-Green peace.
Faculty Coordinators	Dr.Tulsidas D Prof. Prashanth Kumar H P

SAPTHAGIRI COLLEGE OF ENGINEERING

SWACHH BHARAT ABHIYAN

HASIRU ECO CLUB REPORT

Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM) or Clean India Mission in English is a campaign in India that aims to clean up the streets, roads and infrastructure of India's cities, smaller towns, and rural areas. The campaign was officially launched on 2 October 2014 at **Rajghat**, New Delhi by Prime Minister **Narendra Modi**. It is India's largest cleanliness drive to date with 3 million government employees, school students, and college students from all parts of India participating in 4,041 statutory cities, towns and associated rural areas. **Modi has called the campaign "Satyagrah se Swachhagrah" in reference to Gandhi's "Champaran Satyagraha" launched on 10 April 1917.**

In Sapthagiri College of Engineering it was initiated by the **first year students of 2017-18 academic year for creating social awareness. Sapthagiri Community club Collaboration with NSS (SWAYAM SEVA) under the guidance of Dr.B.S.Krishna, HOD, Department of Chemistry. The details were undertaken by the faculty coordinator Dr.Tulsi Das D, Department of Mechanical Engineering and Bharath, Department of Chemistry, Prof. Prashanth Kumar HP(HASIRU, ECO CLUB). Equally encouraged and supported by Dr.K.L.Shivabasappa, Principal, Sapthagiri College of Engineering and Dr. Nagabhusan, Administrative Officer, Sapthagiri College of Engineering.**

The first awareness program initiated by **Sapthagiri Helping hands and NSS** was "Swachh Bharat Abhiyan " to spread the awareness in and around the campus. The materials required for cleaning and sanitation was fulfilled by the college management. **40 students actively participated in the Abhiyan.** Teams were created and were assigned to certain spots around the college campus like **GelayaraBalaga layout and HanumantheGowdru Road., Hesarghatta, Bengaluru on April 07, 2018.** The waste collected was dumped in a specific place and was ensured that the BBMP collected it. We got huge support and encouragement from the local communities. The college management provided refreshments at the end of the Abhiyan. **We are planned to extend our work further with great progress towards the Development of Clean India.**

"Though it is a difficult task, it can be achieved and for that people will have to change their habits." -Prime Minister Narendra Modi

PRATHIRODHANA-Prevention of Sexual Harassment Cell

Rural Visit

“Protecting Family against Sexual Abuses”

The Prevention of Sexual Harassment Cell (PSHC) members and student volunteers of Sapthagiri College of Engineering visited Ivarakandapura village which comes under Hurulichikkanahalli Gram Panchayat, Bengaluru North on 12/4/2018 in the afternoon to bring awareness among rural women about **“Protecting Family against Sexual Abuses”**. This event was managed by the PSHC Convener Prof. Prerana Chaithra.

We must prevent sexual harassments to have a peaceful living. Each and every person in the society must enact to prevent this awful social evil. One must protect one's family against sexual harassment. If it starts in the small unit then the entire society can be protected from sexual harassment. In order to bring awareness about protecting family against sexual abuses and harassments PSHC members gave awareness as to how to safe guard one's family from sexual harassments and abuses. One must inform every member of the family in a suitable way about sexual abuses and harassments. They must be informed not to perform such acts and also they should report such cases if it occurs or someone else is victimized. If everyone protect their families and themselves, then we can nullify this evil.

This program helped to raise awareness about sexual harassment in its various forms and to build a secure physical and social environment to prevent acts of sexual harassment. To create Zero Tolerance to sexual abuse in any form.

COMMUNITY CLUB REPORT

Name of Event	Awareness of Child right in India
Date	16.04.2018
Issues addressed	Chid Rights in India
Place of the event conducted	Govt School, Bengaluru
Report: <p>In Sapthagiri College of Engineering by the year of 2017-18 academic year for by the agenda to creating social awareness programme initiated. Sapthagiri Community club under the guidance of Dr.Tulsidas D and associated with Human Right Committee. The details were undertaken by the faculty coordinator Dr.Tulsi Das D, Department of Mechanical Engineering and Prof.Ravi, Human rights Club. Equally encouraged and supported by Principal Dr.K.L.Shivabasappa, Sapthagiri College of Engineering. Conducted a Talk at Govt school regarding the topic of “<i>Children Rights in India</i>”.</p> <p>A team visited to a govt school and give a brief note on the CHILDREN RIGHTS in India, with the frame work of contemporary children rights steam from the work of Eglantyne Jebb, founder of Save the children, in iconic 1923 document, Declaration of the Right of the Child, which was adopted by the United Nations and adopted by India in 1991. Discussion was made based on ARTICLE and their Provisions gave to child.</p> <p>At the End talk we ask few questions to student by their answers we come to conclude that. Students got knowledge that “All children deserve equality, despite their difference. They are entitled to all of these rights, No matter what race, colour, religion, language, ethnicity, gender or abilities define them”.</p> <p>Finally we distribute chocolates to all children, so Head Master of the school express their gratitude to SCE committees to take this initiation program at their school, we are the team felt great happiness by the simile of the student expresses after the finishing of the program.</p>	
Impact & Sensitization	Awareness for Equality to built strong nation

EQUAL OPPORTUNITY COMMITTEE (EOC)

REPORT ON

Awareness talk on hygiene for BBMP women pouakarmikas

Date: 10/07/2018

Agenda: To conduct “Talks on hygiene for BBMP women pouakarmikas”, from our Team.

Objective: The main objective of the program is to provide basic Awareness on hygiene for BBMP women pouakarmikas for their health and safety.

Resolution:

Majority of Bangalore’s garbage is collected, transferred and handled manually, with minimal or no safety measures. Where human labor is cheap and human life is easily snuffed. It brought to common problems among BBMP workers such as joint pains, cuts & wounds, etc. and more complex problems like varicose veins, arthritis, anaemia, etc which might be related to their work condition. To reduce the above problems, our team was decided to give the talk on information of hygiene like usage of gloves, clothes, masks, tools and other necessary equipments to collect the garbage for women pouakarmikas.

The following picture was taken during providing information on hygiene for BBMP women Pouakarmikas as,

We planned and given the program on awareness talk on hygiene (usage of glows, clothes, masks, tools and other necessary equipment) for BBMP women pouakarmikas for their health and safety near our college BBMP office. The BBMP women walked out of the “Program” with smiles on their faces and excitement in their hearts after gaining valuable inputs on hygiene’s from Faculties of Sapthagiri College of Engineering.

HEALTH CLUB REPORT

Name of Event	AIDS Awareness
Date	01.12.2017
Issues addressed	Importance of preventing AIDS and its awareness
Place of the event conducted	College surroundings
Report: <p>The people in the surrounding places of the college were told the importance of preventing AIDS. What are the importance measures to be taken to avoid getting affected by AIDS? It is a disease in which there is a severe loss of the body's cellular immunity, this causes lowering the resistance to infection.</p> <p>It is caused by the human immunodeficiency virus(HIV).HIV is spread when blood,semen,or vaginal fluids from an infected persons body enter another person's body through sexual contact from sharing needles when injecting drugs or from mother to baby during birth. HIV attacks lymphocytes(white blood corpuscles).This results in body having difficulty to fight against certain pathogens like bacteria,viruses.fungi and other microbes.</p> <p>AIDS stands for acquired immune deficiency syndrome.It is used when a person's immune system begins to struggle to do its job and people begin to develop a number of infections and illnesses that they don't normally get if their immune system is healthy. This is because of the damage caused by HIV. This progression to developing AIDS can be stopped if HIV treatment is started. The only way to know whether a person is infected is by testing.</p>	
Impact & Sensitization	A word of caution is spread among people and prevention of AIDS .

NSS (SWAYAM SEVA) REPORT

Name of the Event organised	Computer literacy for Government school children.
Date and Day	05/03/2018
Issues addressed	To provide basic awareness about Computer skills, since computer use is a large part of modern daily life.
Place of the event conducted	Govt School children
Report: <p>As per the direction of Principal, a team of faculty and student volunteers organized an event "Computer literacy for Government school children" in our campus. The Program was organised and co-ordinated by Dr. Tulsidas D (NSS) along with students from Community club. Students and Teachers of Govt. School were informed that they will be taken to the college lab as the computer lab is available in the campus. Our club volunteers given information about using computer systems; Some of the topics were taught to the Students like Turn a Laptop ON/OFF, Move an objects using folders, shortcuts, cut-and-paste, drag-and-drop, copy and delete methods, using of MS Office in basic level, Uses of internet and basic usage of its. Few students were asked to use paint to draw sketches with colours.</p> <p>The teachers were happy and appreciated our students for their work towards social responsibility and commitment towards the community. With the help of teachers and volunteers of community club joined hands to learn main computer terms and get introduced with computer and its functions. The awareness is created among the students and teachers by conducting a session.</p>	
Impact & Sensitization	Computer use is a large part of modern daily life
Faculty Coordinators	Dr. Tulsidas D

Number of Participants: 150

COMMUNITY CLUB

Name of Event	AWARENESS ON USE OF MICROSCOPE FOR SCHOOL CHILDREN
Date	23/03/2018
Issues addressed	Benefits of Understanding the use of Microscope
Place of the event conducted	Govt School children, Chikkasandra Village.

Report:

All Faculty members and students of NSS and Community Club of Sapthagiri College of Engineering, Hesaraghatta Road, Bengaluru-57 visited a Govt. School on 23/03/2018 at Chikkasandra, Bangalore

Children have studied about the various microorganisms in their Science Subject, but to understand more about microorganism's microscope is necessarily required. SCE club identify one of such school, where student are very enthusiastic towards study, but not much more experimental facility with them. So NSS and Community club decide to provide the awareness program on use of microscope, which will encourage the student to build an interest about microorganisms or in science.

SCE club volunteers took the students to the Bio technology lab where microscopes were there with some of the microorganism's samples to the school and SCE club member briefly explains the role of microorganism in the environment in the food chain (example: how milk turns to curd and benefit if curd in the sense of vitamin wise and health wise) and role of microorganism in diseases spreading after brief explanation we showed the instrument Microscope which is used to identify or to characterise or to analyse the activity microorganism and firstly we explained the component then after how to use the instrument along with all safety measures (like importance wearing of gloves, mask and eye gears), finally finished the program by clarify the doubts with the students.

Faculty members and students of school expressed their happy and enjoyment with our SCE club member and students. Our SCE club Prof. Prashanth Kumar and Volunteers of ECO club had good interaction with the Children. The day spent well with these children.

Students felt very happy with our visit to the college and they were also happy for the presents which we have presented for the children who were present there.

Impact & Sensitization	Use of Microscope, Identification of cells and etc.,
Faculty Coordinators	Dr. Tulsidas D and Prof. Prashanth Kumar H P

Number of Participants: 180

Sir,

At the outset on behalf of the Karnataka Red Cross Blood Bank, my special heartfelt thanks to you for having motivated **380** voluntary donors to participate in the Blood Donation Camp organized on **28/02/2018** at **Sapthagiri College of Engineering, Hesaraghatta Road, Bangalore.**

I pray god to give good health strength & happiness to all the donors of Sapthagiri College of Engineering, Hesaraghatta Road, Bangalore.

I convey my sincere thanks to you and Mr. Tulasi Das, Associate Professor and all the office bearers & NSS Volunteers of Sapthagiri College of Engineering, Bangalore and also your kind co-operation. I expect such support in future for organizing such camps to save many precious human lives.

Thank you for your support and co-operation.

Yours sincerely,

(S. Ashok Kumar Shetty)
General Secretary

NSS (SWAYAM SEVA)

Name of the initiatives	"Vanamahotsava"
Date and duration of the initiative	04-05-2018
Issues addressed	Importance trees and Oxygen
Report: <p>As per the directions of management and principal sir, faculties and students were organized the event "Vanamahotsava" in SCE. The programme was inaugurated by the principal sir SCE. Our beloved principal Dr. Shivabasappa sir inaugurated this program by planting plant also sir explained the impact of global warming to students. This event was Co-ordinated by Prof. Tulsidas NSS Convener,dept of mechanical engineering and HODs of physics and chemistry. Staff members and students were involved in the programme. The event was conducted so nicely because heads of various departments, faculties and around 50 plus students were participated in the event. 10 different plants are planted near the campus. SCE staff and students benefitted by this. Students were benefitted from the talk given by principal sir.</p>
