## Internal Quality Assurance Cell

Date: 04/6/2018

To,

The Principal

Sapthagiri College of Engineering

Bangalore-560057

From,

IQAC Coordinator

Sapthagiri College of Engineering

Bangalore-560057

Respected sir,

**SUBJECT: Requisition for permission to conduct 3 day Workshop titled  
"Teacher Empowerment".**

IQAC is planning to conduct a workshop titled "Teacher empowerment" from 23<sup>rd</sup> July, 2018 to 25<sup>th</sup> July, 2018 for all the faculties of our institute to enhance the knowledge on accreditation process. So in this regard we request you to permit for the workshop conduction and sanction the needful amount.

Thanking you sir

H. R. Ram

IQAC Coordinator

Principal  
Sapthagiri College of Engineering  
Chikkasandra, Hesaraghatta Road,  
Bangalore-560 057

# INVITATION

*Cordially invite you for*

*Workshop on*

***"TEACHER EMPOWERMENT"***

**July 23<sup>rd</sup> -25<sup>th</sup>, 2018**

**Teacher Empowerment**  
(23<sup>rd</sup> to 25<sup>th</sup> July 2018)

**Program Schedule:**

Date/Day	Time	Topic	Resource Person
23- 7- 2018 Monday	9.30 am- 10.30 am	Registration, Inauguration	
	10.30 am -10.45am	Tea Break	
	10.45am – 12.00noon	Components Of Effective Teaching	Dr. S. SrikantaSwamy
	12.00noon-1.30pm	How To Develop Thinking Skills?	
	1.30- 2.00pm	Lunch Break	
	2.00PM -3.15PM	Taxonomy Of Educational Cbjectives	Dr. Ganesh Bhatta
	3.15pm-3.30pm	Tea Break	
	3.30PM-4.30PM	Lesson Plan Design	Dr. Ganesh Bhatta
	4.30pm	Group Work	
24- 7- 2018 Tuesday	10.00am – 11.15am	Rubrics For Assessment	Dr. Girija
	11.15am-11.30am	Tea Break	
	11.30am-1.00pm	Characteristics Of Question Paper	Dr. Girija
	1.00- 2.00pm	Lunch Break	
	2.00pm-3.15pm	Psychological Behavior	Dr. R Krishna
	3.15pm-3.30pm	Tea Break	
	3.30pm-4.30pm	Psychological Behavior	Dr. R Krishna
	4.30pm	Group Work	
25- 7- 2018 Wednesday	10.00am – 11.15am	Concept Of Micro Teaching Skills	Dr. T.N.Raju
	11.15am-11.30am	Tea Break	
	11.30am-1.00pm	Demonstration of Micro Teaching Skills	Dr. T.N.Raju
	1.00pm -2.00pm	Lunch Break	
	2.00pm-3.15pm	Outcome Based Education	Dr. Guruprasad H S
	3.15pm-3.30pm	Tea Break	
	3.30pm-4.30pm	Program Outcomes Related To OBE	Dr. Guruprasad H S
	4.30pm	Conclusion & Feedback

## **Report**

### **Talk on “ quality Paper writing”**

A guest lecture was conducted on " Quality Paper Writing" by Dr. Veerendra Dakulagi, PhD., Post Doc(Malaysia) Dean R&D, Associate Professor, Department of ECE Guru Nanak Dev Engineering College, Bidar on 02.02.2019.

His started his speech by highlighting the topics on how to write research paper and successfully publish in international journals. The common mistakes usually by the researchers while writing the paper and how to emphasize the crucial contents in each section of the research paper sections such as abstract, keywords, introduction, methodology, drawing conclusion and future scope, selecting the good international journal dealing with SCI/SCIE, WOS, SCOPUS indexing. He advised to enroll the scholars to in research communities like Google Scholar, Research gate, Vidwan etc. Talk Provides step by step guidance on how to write different sections . It helps in getting selected a research paper in international journals of good impact factor . It also gives a comprehensive understanding of how to escape from the rejection of papers from high standard international journal

## **Workshop Report on**

### ***Topic: "Workshop on NBA"***

By

**Mr. Chinmaya Mishra**

Lead Data Scientist

UTC, Bengaluru

Date: 20.03.2019

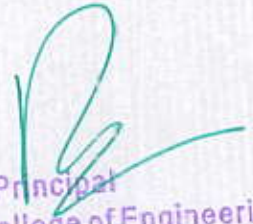

Time: 02.30 pm to 04.00 pm

Venue: Seminar Hall, SCE Bangalore.

The session started with welcoming the gathering and introduction of the Speaker Mr. Chinmaya Mishra, UTC Bengaluru by Prof. Vani A, Assistant Professor, Dept of ECE, SCE.

Dr. HC Sateesh Kumar welcome the speaker with bouquet of flower. The speaker started the session with major difference between NAAC and NBA. National Board of Accreditation (NBA) accredits technical programmes/ courses such as engineering and management programmes, while NAAC accredits general universities and colleges.

Speaker also stressed that NBA accreditation promotes new and innovative methods in engineering and associated fields education system, provides consultation and guidelines for educational programmes. And also provides feedback to educational institutes for the improvement/ development of educational programmes.

Date: 02.08.2016

Time: 02.30 pm to 04.00 pm

Venue: Seminar Hall, SCE Bangalore.

This speaker discussed the rise of new digital industrial technology, known as Industry 4.0, is a transformation that makes it possible to gather and analyze data across machines, enabling faster, more flexible, and more efficient processes to produce higher-quality goods at reduced costs. This manufacturing revolution will increase productivity, shift economics, foster industrial growth, and modify the profile of the workforce—ultimately changing the competitiveness of companies and regions.

Speaker informed that Innovation alone won't save the industry's economics. Manufacturers must adopt digital technologies. Digital technologies are transforming every aspect of business

## Report on NAAC workshop

This workshop on NAAC conducted for teaching faculties is to get the knowledge about NAAC , cycles of NAAC process , how to apply for NAAC and other information. about given by the speaker Dr. Venkatesh, professor from alliance university.

### SUMMARY:

The speaker explained NAAC process and its importance of NAAC in today's world, faculty from all departments attended the Workshop from Jan 21<sup>st</sup> 2017 to Jan 23<sup>rd</sup> 2017 in Sapthagiri college of engineering. While designing the structure of program it was kept in mind that all the faculties should aware of importance of NAAC.

## **Seminar Report**

### ***Topic: "Innovative Business and Breakthrough Technologies"***

By

**Mr. Sunil S,**

General Manager,  
Advanced Electronic Systems (ALS),  
Bangalore

Date: 08.08.2016

Time: 10.30 to 12.30

Venue: Seminar Hall, SCE Bangalore.

The seminar is an introduction to business law which covers the fundamentals, including contracts, liability, regulation, employment, and corporations, with an in-depth treatment of the legal issues relating to breakthrough technologies, including the legal framework of R&D, the commercialization of new high-technology products in start-ups and mature companies, and the liability and regulatory implications of new products and innovative business models. There is extensive attention to national and international intellectual property protection and strategies. Examples were drawn from many industries, including information technology, communications, and life sciences.

### A Report on

### *Topic: "Importance of Patents for Engineering Faculty"*

By

**Dr. Dinesh Anvekar K**

Principal,  
Alpha College of Engineering  
Bengaluru.

**Date: 13.09.2016**

**Time: 2 PM to 4 PM**

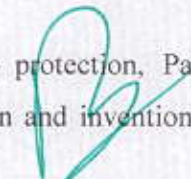

**Venue: Room No 406, SCE Bengaluru.**

The Sapthagiri College of Engineering conducted a one day FDP on "Importance of Patents for Engineering Faculty" for creating awareness about Intellectual Property Rights amongs: faculty. The session started with welcome note and introduction of the speaker by Prof. Rekha, Dept of EEE.

The speaker Dr. Dinesh Anvekar stated that India has become a member of the global patent regime but awareness and expertise on the subject of Intellectual property Rights (IPR) in the academic institutions is still inadequate. Maintenance of a proper balance and fine tuning of academic excellence with academic integrity and protection and exploitation of intellectual property rights is becoming very important for the universities.

In the current scenario the aggressive and targeted creation of intellectual property is the need. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual and eventually the Nation. For that IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs).

The programme included talks on importance of IPRs and their protection, Patenting procedures and patent informatics, patent searches, role of innovation and invention in the

### Seminar Report

**Topic: "Organizational Leadership and Change"**

By

**Mr. TosiculWara,**

Senior Engineer spacecraft checkout group  
ISAC ISRO.  
Bangalore

Date: 10.08.2015

Time: 11.00am to 12.30 pm

Venue: Seminar Hall, SCE Bangalore.

Lecture details:

The programme started with the welcome note by Prof. Vani A and introduced the guests. The speaker has taken a novel initiative of providing introduction to the organizational leadership for the engineering students with an objective of creating awareness among them. Organizational Leadership and Change focuses on practical experience that blends theory and practice. Students reflect on prior leadership experiences and then apply lessons learned to further develop their leadership capabilities. The seminar involved an active participation in all leadership classes and activities as well as short deliverables throughout the program. The session came to an end with the vote of thanks by Prof. Vani V and The HOD Prof. Sanchya Rani MH presented memento to the guests.

### Seminar Report

***Topic: "Innovations in Teaching"***

By

**Mr. Sitaram V Yaji**

Freelance Corporate Trainer  
Bangalore

Date: 04.10.2014

Time: 02.30 pm to 04.00 pm

Venue: Seminar Hall, SCE Bangalore.

This seminar discusses the five innovative teaching strategies that engage students: (1) inquiry-based learning, (2) QR codes, (3) problem-based learning, (4) wisely managed classroom technology, and (5) jigsaws. These teaching strategies encourage students to use their imagination to dig deep when engaging with the content of the lesson. The students are actively involved with the learning and can work with their peers in collaborative groups to showcase their learning.

Many of these strategies take students to levels of learning they never thought possible. The students actively seek knowledge and don't just sit and receive the knowledge from a lecture or worksheet.

### *Topic: "Filing Indian and US Patents"*

*By*

**Dr. Shilpa Sivashankar, Ph D.**

Post Doctral Fellow

KAUST, Saudi Arabia

**Date: 01.04.2015**

**Time: 2 PM to 4 PM**

**Venue: ECE MTech Class Room, Academic Block, SCE.**

The workshop commenced with welcoming the gathering by Prof. Vani A., Dept of ECE and narrated the objectives of the IPR. The faculties of all the department of SCE participated in the programme.

The Speaker begins the talk stating In the world of innovation, India has an old reputation. it remains a minnow when it comes to patents. The path to patents is paved with research and funding. While Indian companies, including startups, universities and research institutes need to direct their attention towards generating more patents if India has to emerge as a hub of inventiveness, it also calls for increased spend on research and development (R&D).

A US patent is granted by the United State Patent Office to an inventor, who has filed his application with it, whereas an Indian Patent is granted by the Indian Patent Office to an inventor, who has filed his application with Indian Patent office. A patent granted by a patent office is applicable within the geographical boundaries of that country only. A US Patent is applicable within USA only and has no effect in India, if the same inventor of the US patent has not filed his application in India for the patent grant. The filing the Patent application discussion was very informative for faculties.
