### **Exclusion of lateral entry students in the approved admission list**

The institution is affiliated to Visvesvaraya Technological University (VTU) and the university generates the approved admission list year wise/program wise. The approved list contains the name of the student and University Seat Number (USN) of first year regular students and the second year lateral entry students. Hence, the uploaded proof –approved admission list may be considered only for first year by ignoring the lateral entry students. For the lateral entry students, the last 3 digits of the USN are of 400 series (Ex. 1SG17ME403). Hence consider only first year students list as the proof of Admission list.
