Dear Sir,

Sub: Technical Talk on Intellectual Property Rights(IPR).

The Sapthagiri College of Engineering is arranging technical talk on Intellectual Property Rights(IPR). We request you to kindly arrange for the lecture. The subject will be of interest to the Engineering college faculties. As per your request, Transport will be arranged for Pick-up and drop of the guest lecturer. The details of the event is provided below.

Date: 03.08.2015

Time: 01.30PM to 3.30PM

Venue: 405, Academic Block

Thanking you,

Principal

Report on the Technical talk on Intellectual Property Right

Topic: “Introduction to Intellectual Property Rights”

By

Mr. HR Ranganatha

Professor,

Department of ISE

Siddaganga Institute of Technology

Tumkur.

Date: 03.08.2015

Time: 1.30 PM to 3.30 PM

Venue: Room No 405, SCE Bangalore.

The workshop on “Introduction to Intellectual Property Right” was conducted for Sensitizing and Creating IP Awareness among various stakeholders, has been organized by Sapthagiri College of Engineering, Bangalore on 3rd August, 2015.

The Workshop is aimed to generate awareness about Intellectual Property Rights (IPR) in the Electronics & IT Sector, thereby furnishing requisite guidance and proficiency about an assortment of procedures of patent search and application filing. Prof.Pruna,HOD ISE, gave the Inauguration and Welcome address.

The Speaker Mr. HR Ranganatha started the talk stating IPR is beneficial for all the stakeholders and in the process ensure awareness attainment in the prospective instant. He also said that the Government is focused on furnishing the platform for innovators to showcase their talent with practical application. He addressed on Patent System in Electrical, Electronics and IT domain and the road ahead. He delivered his lecture on IP management in Corporate. He addressed the audience on the Overall idea on Patent, Copyright, Design, Licensing, GI and scope of those in engineering field.

Principal

Report on the Technical talk

Topic: "Research, Design and Methodology"

By

Dr. KN Ravi

Professor and HOD,
Bengaluru.

Date: 05.08.2015

Time: 1.30 PM to 3.30 PM

Venue: Room No 405, SCE Bengaluru.

The seminar on Research, Design, Methodology was conducted by Sapthagiri College of Engineering on 3rd of Aug 2015. The objectives of the workshop were to build the capacity of participants on research methods and design and on preparing proposals for research grants. It is also required to update participants on various research grant opportunities and potential funding sources. This further strengthen the organization in research. The workshop was attended by faculties. They described in detail about each section which should include and how it should be written. The participants commented that the workshop provided them with the skills on proposal writing which they can apply in the future and in training junior researchers.

Dr. K N Ravi

Dr. K N Ravi, received his BE degree in Electricals and Electronics Engineering. His Specialization in Master Degree is High Voltage Engineering. He received his PhD in High Voltage Engineering at IISC. He has 35 years of Teaching Experience. He is a life member of IEEE. He has published around 30 research papers in National, International Journals and Conferences. His areas of interest include Design of External insulation from the point of view of pollution under AC & DC voltages, Pollution Ageing of DC Insulators, Pollution study on AC and DC insulators and arresters and the like. He has guided more than 50 batches of Bachelor degree students and 25 students for Master degree projects. He Guided two PhD students. Presently he is a guide and mentor for three students who are pursuing work for PhD programme.

Seminar Report

Topic: “Organizational Leadership and Change”

By

Mr. Tosicul Wara,

Senior Engineer spacecraft checkout group
ISAC ISRO.
Bangalore

Date: 10.08.2015

Time: 11.00 am to 12.30 pm

Venue: Seminar Hall, SCE Bangalore.

Lecture details:

The programme started with the welcome note by Prof. Vani A and introduced the guests. The speaker has taken a novel initiative of providing introduction to the organizational leadership for the engineering students with an objective of creating awareness among them. Organizational Leadership and Change focuses on practical experience that blends theory and practice. Students reflect on prior leadership experiences and then apply lessons learned to further develop their leadership capabilities. The seminar involved an active participation in all leadership classes and activities as well as short deliverables throughout the program. The session came to an end with the vote of thanks by Prof. Vani V and The HOD Prof. Sandhya Rani MH presented memento to the guests.
