Seminar Report

Topic: “Innovative Bussiness and Breakthrough Technologies”

By

Mr. Sunil S,

General Manager,
Advanced Electronic Systems (ALS),
Bangalore

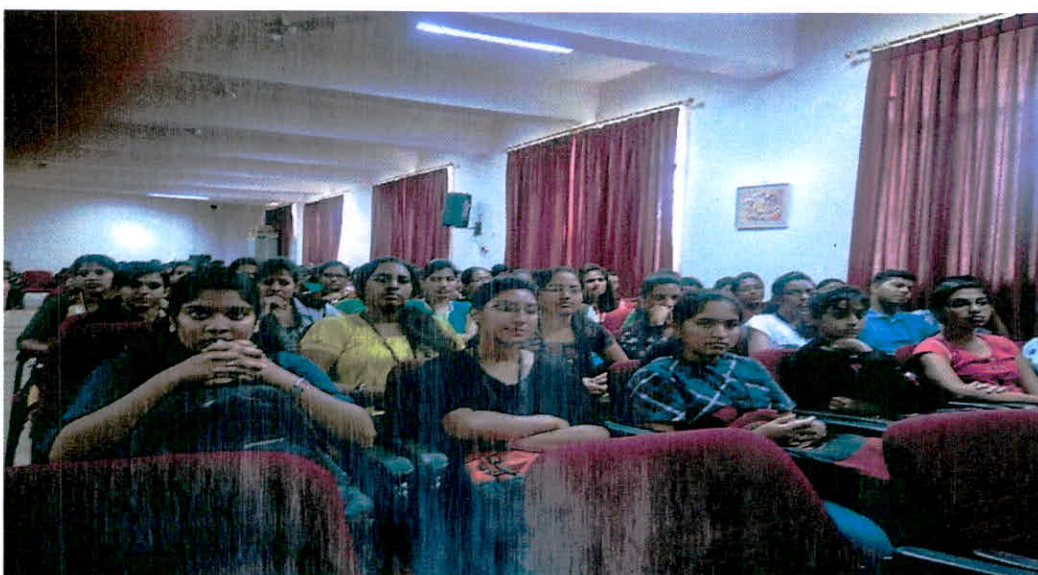

Date: 08.08.2016

Time: 10.30 to 12.30

Venue: Seminar Hall, SCE Bangalore.

The seminar is an introduction to business law which covers the fundamentals, including contracts, liability, regulation, employment, and corporations, with an in-depth treatment of the legal issues relating to breakthrough technologies, including the legal framework of R&D, the commercialization of new high-technology products in start-ups and mature companies, and the liability and regulatory implications of new products and innovative business models. There is extensive attention to national and international intellectual property protection and strategies. Examples were drawn from many industries, including information technology, communications, and life sciences.

Intellectual Property Right Report

Topic: "Importance of Patents for Engineering Faculty"

By

Dr. Dinesh Anvekar K

Principal,

Alpha College of Engineering
Bengaluru.

Date: 13.09.2016

Time: 2 PM to 4 PM

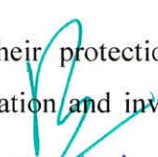

Venue: Room No 406, SCE Bengaluru.

The Sapthagiri College of Engineering conducted a one day FDP on "Importance of Patents for Engineering Faculty" for creating awareness about Intellectual Property Rights amongst faculty. The session started with welcome note and introduction of the speaker by Prof. Rekha, Dept of EEE.

The speaker Dr. Dinesh Anvekar stated that India has become a member of the global patent regime but awareness and expertise on the subject of Intellectual property Rights (IPR) in the academic institutions is still inadequate. Maintenance of a proper balance and fine tuning of academic excellence with academic integrity and protection and exploitation of intellectual property rights is becoming very important for the universities.

In the current scenario the aggressive and targeted creation of intellectual property is the need. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual and eventually the Nation. For that IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs).

The programme included talks on importance of IPRs and their protection, Patenting procedures and patent informatics, patent searches, role of innovation and invention in the

Principal

Chikkasandra, Hesaraghatta Road,
Bangalore-560 057

academia-industry collaborations, trademark and copyright protection, issues of do's and don'ts for a researcher in the context of publishing and patenting. The talk was very much appreciated by the participants.

Fwd: IPR Awareness program

1 message

Principal <principal@sapthagiri.edu.in>
To: hods@sapthagiri.edu.in

Tue, Aug 9, 2016 at 12:54 PM

----- Forwarded message -----

From: **PIC-KSCST** <patent@kscst.iisc.ernet.in>

Date: Mon, Aug 1, 2016 at 10:59 AM

Subject: IPR Awareness program

To: principal@sapthagiri.edu.in, principal@sctengineering.in, principal@ssec.ac.in, sreis@gmail.com, principal@vitb.ac.in

Dear Sir,

Sub: Awareness Programme on Intellectual Property Rights (IPR)

We wish to introduce our Patent Information Centre (PIC). PIC was started in Karnataka State Council for Science and Technology (KSCST) in 2005, with the support of Technology Information Forecasting and Assessment Council, Department of Science and Technology (GOI), with the intention of creating awareness amongst students, innovators and others in Karnataka, about Intellectual Property Rights (IPR)

IPR includes patents, copyrights, trademark, geographical indications etc. PIC has organized 62 awareness workshops in various Engineering Colleges, Universities, and District Industries Centers across the state. You might be well aware of Student Project Program of our KSCST in which most of the Engineering Colleges in the State participate (in which the Council supports student projects – technically and financially – and has been organizing since last 38 years).

We wish to organize an Awareness Program on IPR at your esteemed institution. The purpose is to create awareness on IPR, particularly among students who take project / research work during course of their studies. Hence, the target participants would be mainly final year engineering students, postgraduate students and faculty members and number of participants would be about 100.

The program will consist of two presentations (one hour each) on IPR - 'Introduction to IPR', and 'Indian Patenting System'. This will be followed by a question-answer session. We would also provide some literature regarding IPR.

Kindly suggest your willingness and convenient date for the same. The Council will take care of arranging of Resource person, travel expenses and honorarium. You may provide other infrastructure facilities such as seminar hall, Laptop, Projector and light Refreshments etc. We request you to let us know your opinion of our proposal.

Thanking you,

Yours Sincerely,

C R Pradeep.M.Sc.

Report on IPR Workshop by KSCST, IISc, Bangalore

Sapthagiri College of Engineering has organized workshop of Intellectual property right on 19th Jan 2017, at Room 305 Academic Block,

Resource Person

Mr.C R Pradeep, Co-ordinator, KSCST, IISc, Bangalore

Ms.Bhavya, Co-ordinator, KSCST, IISc, Bangalore

The program started with welcoming the resource persons by Ms.Rakshitha and Ms.Madhuri Bhat Students of Bio-Technology Department, The Principal Dr.Aswathkumar M and Director Dr.Keshava Murthy presented flower bouquets to resource persons respectively.

Mr.C.R.Pradeep has explained about Intellectual Property Right and its importance in the first section from 10.30 AM to 11.45 AM.

After Tea Break Mr.Bhavya has explained about Patent Mechanism in India and procedure for applying patent.

The workshop concluded at 12.45 PM.

Report on Intellectual Property Right

Topic: "IPR Awareness Program"

By

Mr. CR Pradeep

Consultant and Project Coordinator

KSCST, Bengaluru

And

Ms. Bhavya KB

PIC, Consultant and Advocate

KSCST, Bengaluru.

Date: 19.01.2017

Time: 10.15 AM to 12.30 PM

Venue: Room No 305, Academic Block, SCE Bengaluru.

Report on IPR Workshop by KSCST, IISc, Bangalore

Sapthagiri College of Engineering has organized workshop of Intellectual property right on 19th Jan 2017, at Room 305 Academic Block,

Resource Person

Mr.C R Pradeep, Co-ordinator, KSCST, IISc, Bangalore

Ms.Bhavya, Co-ordinator, KSCST, IISc, Bangalore

The program started with welcoming the resource persons by Ms.Rakshitha and Ms.Madhuri Bhat Students of Bio-Technology Department, The Principal Dr.Aswathkumar M and Director Dr.Keshava Murthy presented flower bouquets to resource persons respectively.

Mr.C.R.Pradeep has explained about Intellectual Property Right and its importance in the first section from 10.30 AM to 11.45 AM.

After Tea Break Mr.Bhavya has explained about Patent Mechanism in India and procedure for applying patent.

The workshop concluded at 12.45 PM.

PROFILE

C R Pradeep.M.Sc. (Consultant and Project Coordinator)

Mr.C .R Pradeep –is a Post-Graduate in Science. He has been the Coordinator for the Patent Information Centre ,KSCST for the past four years.

He is involved in organizing the IPR Awareness programs at the Engineering Colleges, Universities and other Professional Institutions including MSMEs.

As a part of the objective he is initiating setting up of I P Cells in the Engineering Colleges and a few Universities . He has been in touch with the VTU to encourage students with new ideas and inventions, to facilitate incubation Centers and encourage Starts ups.

He is also involved in furnishing information on Patent filing and assistance on IPR for industries in Karnataka.

Mr.Pradeep is also handling a Joint R&D Programs with the Govt .of Israel, and Govt. of Karnataka for financial assistance to encouraging new inventions in the line of industries in both the countries.

Mr. Pradeep will give a brief introduction about KSCST and its activities.

Sub: Oneday workshop on "Trends in Highvoltage Engineering"

It is hereby requested that, permission may be accorded for carrying out oneday workshop on "Trends in Highvoltage Engineering".

Dr. N. Vasanth, Additional Director, (P.R.) will be the speaker for the workshop.

Approximate expenditure:
(for about 150 students)

1) Honorarium	3000/-
2) High Tea expenses	4500/-
3) Stage decoration flowers, lamp etc.	1,000/-
4) Banner for the workshop	1500/-
5) Miscellaneous	1000/-
Total	<u>11,000/-</u>

An amount of Rs 10,000/- has been received for the conduction of above workshop. This is being arranged under the banner of Institution of Engineers - India. Put up for approval.

Respected Sir,

Sub: Availing Seminar hall on
20-5-2017.

I bring to your kind notice that oneday workshop has been arranged on 20-5-2017 from 10.30 AM onwards. Dr. N. Vasudeva, Additional Director, (PR) will be the chief guest.

Therefore, I request you to kindly permit us to use the facility of Seminar hall from 10.30 AM to 2.00 PM.

please oblige

Thanking you,

Yours faithfully,

Dr. K. R. RAY

Report on the Technical talk

Topic: "Thrust Areas for Research in Power sector - Scope and Challenges"

By

Dr. N Vasudev

Additional Director

CPRI

Bengaluru.

Date: 20.05.2017

Time: 10.30 AM to 1 PM

Venue: Seminar Hall, SCE Bengaluru.

The session started with the welcome note by Dr. KN Ravi, HOD EEE followed by lighting the lamp by dignitaries Dr Srinivasan, Director with Dr. Aswatha Kumar M, Pricipal and the speaker **Dr. N Vasudev**, Additional Director, CPRI, Bengaluru.

The speaker Dr. N Vasudev is one of the renowned researcher in Electrical Engineering and has vast research experience in the same. Speaker started the session by explaining Research not only generates useful insight and confidence but also acts as a stimulant for academic growth. Sound conceptual understanding of various research methods, research instruments, tools and techniques is an essential prerequisite for conducting empirical research. For undergoing high quality research and writing good research papers, one requires to collect, interpret and logically document the information.

The art of drawing coherent conclusions, supported by appropriate research tools and reference citation is vital for quality research work. The recent innovations in statistical applications, availability of statistical software applications allow scholars/researchers to test more complex, multilevel and dynamic models. The Research ethics and Plagarism knowledge is essential for the researcher.
