To,

Mr. Ananth
Advocate,
Bengaluru.

Dear Sir,

Sub: Technical Talk on Intellectual Property Rights(IPR).

The Sapthagiri College of Engineering is arranging technical talk on Intellectual Property Rights(IPR). We request you to kindly arrange for the lecture. The subject will be of interest to the Engineering college faculties. As per your request, Transport will be arranged for Pick-up and drop of the guest lecturer. The details of the event is provided below.

Date: 02.08.2017

Time: 2PM to 4PM

Venue: 406, Academic Block

Thanking you,

Dr. KN Ravi

Report on Intellectual Property Rights Topic: "Issues related to patent laws"

By

Mr. Ananth

Advocate,
Bengaluru.

Date: 02.08.2017

Time: 2 PM to 4 PM

Venue: Room No 406, SCE Bangalore.

The workshop commenced with welcoming the gathering by Prof. Rekha Dept of EEE and talks about the functions of IPR and Dr. KN Ravi, HOD EEE & IPR Convener narrated the objectives of the workshop. The faculties of all the department of SCE participated in the programme.

The Speaker Mr. Ananth adviser to IPR for several organizations gave his remarks regarding IPR and cited very interesting case studies. He made the participants aware about patent searching and patentability assessment of inventions. He gave a very interesting interactive talk on Copyright protection and infringement, do's and don'ts to avoid infringement and Plagiarism. Importantly he discussed various examples of case laws and suits and various issues such as plagiarism, ethical issues, code of conduct for researchers, scanning of publications for potential IP prior to publication etc were discussed which were found to be very useful by the participants.

Report on the Technical talk

Topic: "Research methodology and technical writing for Research scholars"

By

Dr. Mahadevaswamy

Professor and Head

Department of Mechanical Engineering

Sapthagiri College of Engineering

Bengaluru.

Date: 06.11.2017

Time: 3 PM to 4.30 PM

Venue: Seminar Hall, Faraday Block, SCE Bengaluru.

The core objective of the workshop was to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of engineering and to turn completed research into publishable material of high quality in the form of articles, journals and books.

The session started with welcoming the gathering and introduction of the speaker by Prof. Ravishankara MN, Associate Professor, Department of Electronics and Communication Engineering. The speaker Dr. P Mahadevaswamy, who has vast experience in administration, academics and research. He has more than 25 years of teaching experience in Engineering colleges, in teaching UG and PG courses and worked in various capacities.

The workshop was designed to offer the practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the

Principal

Sapthagiri College of Engineering

Bengaluru - 560 057

submission of a dissertation, report writing and research article. The course intends to deal with variety of quantitative and qualitative research methods used in social science researches. The workshop consists of both theory and practical case studies. By the end programme they are expected to develop conceptual clarity and practical knowledge to undertake quality research and writing good research papers field-reports and project proposals etc.

Dr.Mahadevaswamy.P

Dr. P. Mahadevaswamy, who has vast experience in administration, academics & research work. He has more than 27 years of teaching experience in Engineering Colleges, in teaching UG and PG courses and worked in various capacities. He has received B.E degree in Mechanical Engineering from Mysore University, M, E degree in Machine Design from Bangalore University and PhD in the field of Structural Vibration from Visvesvaraya Technological University, Belagavi. He is member of few professional bodies like ISTE, FIE and IAEngg.

He has taken up various university roles like Board of Examiner (BOE) member for VTU Belagavi and Reva University, worked as ISO chief coordinator, NBA chief coordinator, NAAC criteria 2 coordinator, Chief Proctor coordinator, etc. His research interest is focused on Machine Design, Structural vibration, Composite materials and Finite element analysis. He has published several research articles in international and national level journals and conferences and also working as a guest reviewer for few international journals including Elsevier, Taylors University and World Scientific Publications.

Seminar Report

Topic: "Law for the Entrepreneur and Manager"

By

Mr. Rafeek Ahmed

Technical Head, Aricent Technologies

&

Mr. Praveen Kumar

Project Head, Aricent Technologies
Bangalore

Date: 28.02.2018

Time: 09.30 am to 10.30 am

Venue: Seminar Hall, SCE Bangalore.

This seminar provides a basic understanding of legal issues that corporations face during their existence. The talk started by providing the basic building blocks of business law. We then follow a firm through its life cycle from its "breakaway" from an established firm through it going public.

The talk emphasize the organization and financing of the company. In the second half of the talk, examine a broad array of law-sensitive issues relating to intellectual property, product development, M&A transactions, international trade, the duties of directors and officers, business disputes, and bankruptcy and reorganization.

The goal of the seminar is not to impart technical legal skills, but to enhance the judgment which students will bring to their responsibilities as entrepreneurs, managers in established companies, or consultants and advisors.
