Look over the I-20 carefully to ensure the information listed is accurate. Incorrect information should be directed to our office immediately for correction. Errors on the I-20 can cause delay in the issuance of your F-1 visa stamp.

Housing

On-campus housing is available, however, space is limited and you are encouraged to apply as early as possible.

For application information, please visit: <http://www.calstatela.edu/univ/housing/>.

For those planning to live off-campus, please visit <http://web.calstatela.edu/univ/housing/OffCampusRentals.php>.

International students coming to Cal State LA from another U.S. institution are also required to attend. An RSVP notification will be sent to you in a separate email in July 2016. You should plan to arrive in Los Angeles to allow yourself sufficient time to settle in before the orientation. If you have a confirmed room assignment for on-campus housing, note the move-in date and make alternate arrangements for the time that you are in Los Angeles prior to moving into the dormitory.

SEVIS Check-in

All F-1 students must report to our office and complete the SEVIS Check-in. Upon your arrival to the U.S., you must bring your **original** immigration documents: passport, visa, I-94 card/electronic printout and the Cal State LA I-20. If you are an international student already in the U.S. attending another institution, you are also required to comply with this requirement. Dear Arshiya Tabassum,

It gives me great pleasure to inform you that you have been admitted to the Graduate School of Syracuse University. The faculty in Electrical Engineering has recommended that you be admitted for Fall 2017 as a Master of Science (Electrical Engineering) student. When communicating with the University about your admission, please refer to your unique, nine-digit Syracuse University identification number (SUID): 758433237.

We have created a web gateway for newly admitted graduate students that addresses pertinent enrollment information, some of which may require immediate action on your part. I encourage you to consult it as soon as possible. You will find this gateway at the following web address: http://www.syr.edu/gradschool/em/current_gradchecklist.html.

The credentials that you have presented show your qualification to undertake study and research that will be vigorous, stimulating, and, we trust, rewarding for you. Congratulations and welcome to our graduate community, which has been a vital part of the university since its founding in 1870.

By the end of your first semester of study, you must submit an official transcript from your undergraduate institution which must bear the appropriate signatures and seal of the institution that issued it and must be received by Syracuse University in a sealed envelope directly from that institution. Unsealed documents which may have been in the hands of students are not considered official. After completion of the first semester of graduate study, the Graduate School may prohibit further registration for any student who has not met this requirement. The hold on registration will only be released when this requirement has been met. If you are a domestic student, in accordance with federal Title IV regulations, financial aid will be disbursed to the student account when all financial aid and admission requirements are met, including receipt of official degree bearing transcripts. Please refer to http://www.syr.edu/gradschool/em/current_gradchecklist.html for additional information.

Sincerely,

Peter A. Vanable, Dean of The Graduate School
