Educational programme-/Course information

1 Letter of admission

We are pleased to inform you that you have been admitted to a master's programme at Linköping University!

In a few days, you will receive a time-sensitive e-mail asking you if you will accept the place you have been offered. You must respond by the deadline 16 April or your offer will be rescinded.

If you accept a place and later are unable to take up your place, please decline the offer of admissions as soon as possible. This enables us to offer your place to another student.

Our international programmes start in late August/early September depending on what Faculty you belong to. There is a mandatory roll call for all students. If you are not able to attend the roll call, you will lose your place. If you are unable to attend you must inform the faculty coordinator/programme director, and seek permission to be able to keep your place.

We also have organised orientation activities and we encourage you to get the best start to your studies by arriving in time to attend. During the arrival period, you are invited to attend an Information Day hosted by the Faculty of your programme.

The exact dates for the roll call, Information Day and arrival period will depend on your programme. You will find specific details and general information listed on www.liu.se/admitted.

Programme registration opens on the first day of the semester and must be completed by 13 September. Registrations after this date will invariably be dismissed; students who have not registered by this deadline will not be allowed to commence or continue their studies. Further information will be provided on registering.

Admission is granted on condition that you can present your original diploma(s) and transcript(s) (both in translation and the original language) to the Admissions Office upon request. *

You will find information on how to pay on www.liu.se/admitted. No invoices will be issued. Information about tuition fees and payment (when applicable) will also be sent to your e-mail address in about a week. Eligible LiU International Scholarship applicants are asked to visit the page for scholarship applications during the application period 6 - 9 April: www.liu.se/scholarships. A list of awarded LiU International Scholarships will be published 13 April on the Scholarship web page. Scholarship holders must accept their scholarship offer by 16 April by emailing admitted@liu.se.

Welcome to Linköping University!

*Applicants who were in their last semester when they applied will have been conditionally admitted. If this applies to you it means that you will be admitted on condition that you can present your diploma and transcript of records to the Admissions Office by 1 November. If you already have a degree but are in your last semester of a second degree, and this second degree is necessary to fulfil the specific requirements
