Dear Miss Puranam Rajashekar

**Programme Title: MSc Biochemical Engineering**

**Duration: 12 Months**

**Mode: Full-time Taught**

**Start Date: 30 September 2019**

**Fee Status: Overseas Tuition Fee: £21690**

I am pleased to be able to confirm that the conditions of your offer have been met and that your offer of a place as shown above is now unconditional.

The start date of your programme is shown above. For programmes starting on 30th September, all new students are expected to attend Welcome Week starting on 23 September 2019. You will receive further information about Welcome Week in due course. Please note that Welcome Week includes specific additional activities for international students to facilitate a smooth transition into life at the University of Birmingham.

A CAS (Confirmation of Acceptance for Study) to help with your visa application will be sent to you in due course. Please note that it is not possible to issue you with a CAS more than six months before the start date of your programme. Study in the UK is subject to time limits and regulations on academic progression set by UK Visas and Immigration (UKVI). If you have not already provided us with details of any study that you have undertaken in the UK (including study you have completed, are currently undertaking or have failed to complete) in the Qualifications section of your application then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

Please note that you need to have sufficient funds available for your living costs and tuition fees for the duration of your programme. You will only become responsible for the payment of your tuition fees when you formally register for your programme. Information regarding the registration process will be sent to you before your programme commences.

Yours sincerely

**INSTRUCTIONS TO STUDENTS**

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

**INSTRUCTIONS TO SCHOOLS**

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Bharath Lakshmisha:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering  
Mechanical Engineering**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at [graduate-admission@encs.concordia.ca](mailto:graduate-admission@encs.concordia.ca). Please confirm your acceptance of this Offer of Admission in your Student Centre at [www.myconcordia.ca](http://www.myconcordia.ca) by May 23, 2018.

To learn more about your program, please refer to the Faculty of Engineering & Computer Science website at <http://www.concordia.ca/encs/academics/programs>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 4, 2018.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Sincerely yours,

**Letter of Acceptance to the Master programme of Production Development and Management (120 credits) at School of Engineering (JTH), Jönköping University, starting on August 20, 2018**

**Dear Manoj Manjunath Bhat, 1997-01-16, HT18-10533**

We have the pleasure to confirm that you are admitted to the Master programme of Production Development and Management at the School of Engineering with a duration of two academic years (August 20, 2018 – June 11, 2020) of full time studies.

If you did not submit a Bachelor's diploma with your application, you must bring this **in original along with an official translation (if applicable)** when you arrive here in Jönköping in August. This document will be presented to the Admissions Office together with your passport during the introductory days.

**Studies**

You will be studying towards a Master of Science (120 credits) with a major in Production Systems, specialising in Production Development and Management (Department of Industrial Engineering and Management). More information about your programme and courses can be found at [www.ju.se](http://www.ju.se). Further academic questions concerning the programme will be handled by your programme manager upon arrival.

**Starting date**

The academic year 2018/2019 starts on August 20, 2018 and runs until June 11, 2019. You are expected to arrive either during the weekend preceding August 20 if you wish to utilise the pick-up service (more information on Arrival/Pick-up will be sent out) or, at the latest, on August 20 in time for the compulsory introduction days.

The first meeting will start on August 20, 2018. More information will be sent shortly.

Contact [tomas.bengtsson@ju.se](mailto:tomas.bengtsson@ju.se) if you have a serious conflict to start up in time.

**Register a right of residence**

NB: Students with a citizenship in an EU/EEA country do not need to apply for a residence permit but should register a right of residence with the local tax office after their arrival.
